Jocoevol Full Upholstered LED Bed Frame User Manual

Model: FZZH24103001

INTRODUCTION

Thank you for choosing the Jocoevol Full Upholstered LED Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read it thoroughly before beginning assembly and keep it for future reference.

This bed frame features a velvet upholstered design, a 2-tier storage headboard with a built-in charging station, smart RGB LED lights with music sync, and two large storage drawers. It is designed for durability with heavy-duty metal support and does not require a box spring.

IMPORTANT SAFETY INFORMATION

WARNING:

- Do not load more than 1000 pounds on the bed frame. Exceeding this weight limit may cause structural damage and injury.
- Follow all assembly instructions carefully. Improper assembly can lead to instability and potential hazards.
- Ensure all bolts and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- Do not stand or jump on the bed frame.
- Use only the mattress size specified (Full) to ensure proper fit and support.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Headboard (with integrated LED lights and charging station)
- Footboard
- Side Rails (2)
- Storage Drawers (2) with dustproof mats
- Metal Slats (12 thickened slats)
- Steel Support Bars (3)
- Assembly Hardware (bolts, nuts, washers, Allen wrench)
- Installation Manual (this document)

ASSEMBLY INSTRUCTIONS

Estimated Assembly Time: 60-90 minutes. Two people recommended for assembly.

- 1. Prepare the Area:** Clear a spacious area for assembly. Lay out all components and hardware on a soft, clean surface to prevent scratches.
- 2. Assemble the Headboard:** Attach the side supports to the main headboard section. Ensure the 2-tier shelves are securely fastened. The headboard comes with pre-installed LED lights and charging station.
- 3. Attach Side Rails:** Connect the side rails to the assembled headboard and footboard using the provided bolts. Do not fully tighten bolts until all major components are aligned.
- 4. Install Center Support Bars:** Place the 3 steel support bars across the frame, connecting the side rails. These provide central stability.
- 5. Place Slats:** Lay the 12 thickened metal slats across the frame. The slats feature silent strips and Velcro straps for quick and secure attachment to the frame, preventing shifting and noise.

Arc Design

Soft edges for child safety

Figure 2: Detail of the steel support system with EVA foam for silent operation.

- 6. Tighten All Bolts:** Once all components are in place and aligned, securely tighten all bolts using the provided Allen wrench. Do not overtighten.
- 7. Assemble Storage Drawers:** Assemble the two storage drawers according to the separate instructions for the drawers. The drawers are designed with silent-glide mechanisms and bottom dust mats for cleaner storage.
- 8. Position Drawers:** The drawers can be placed in any of the 4 side positions under the bed frame, offering flexible room layout options.

2 Lockable Storage Drawers

Better Storage Without Losing Items

Figure 3: The two lockable storage drawers provide ample space and feature dustproof pads for protection.

Under-Bed Storage

Figure 4: Generous storage space provided by the smooth-rolling drawers.

9. **Final Check:** Ensure the bed frame is stable and all connections are secure before placing your mattress.

OPERATING INSTRUCTIONS

A. Charging Station

The headboard is equipped with a convenient charging station:

- **Power Connection:** Connect the bed frame's power cord (6.5-foot) to a standard wall outlet.
- **AC Outlets:** Use the two 125V/12A AC outlets for powering devices like laptops or lamps.
- **USB Ports:** Use the two 5V/2A USB ports for charging smartphones, tablets, and other USB-powered devices.
- **Type-C Port:** Use the 5V/3A Type-C port for faster charging of compatible devices.

Figure 5: Integrated charging station with AC outlets, USB, and Type-C ports for convenient device charging.

Figure 6: The multi-functional headboard features an LED strip, USB & Type-C ports, and 2-tier storage.

B. Smart RGB LED Lights

The integrated RGB LED lights offer customizable ambiance for your bedroom.

- **Control Methods:** The LED lights can be controlled via a dedicated mobile application (iOS/Android) or the included remote control.
- **Color and Effects:** Choose from over 16 million colors and 20+ light effects.
- **Dynamic Modes:** Explore various dynamic modes for different moods.
- **Music Sync:** The lights can sync with music beats, creating an immersive audio-visual experience. Use the "Music Mode" or "Mic Mode" functions for this feature.
- **Brightness Adjustment:** Adjust the brightness to your preference.
- **Timing Function:** Set timers for the lights to turn on or off automatically.

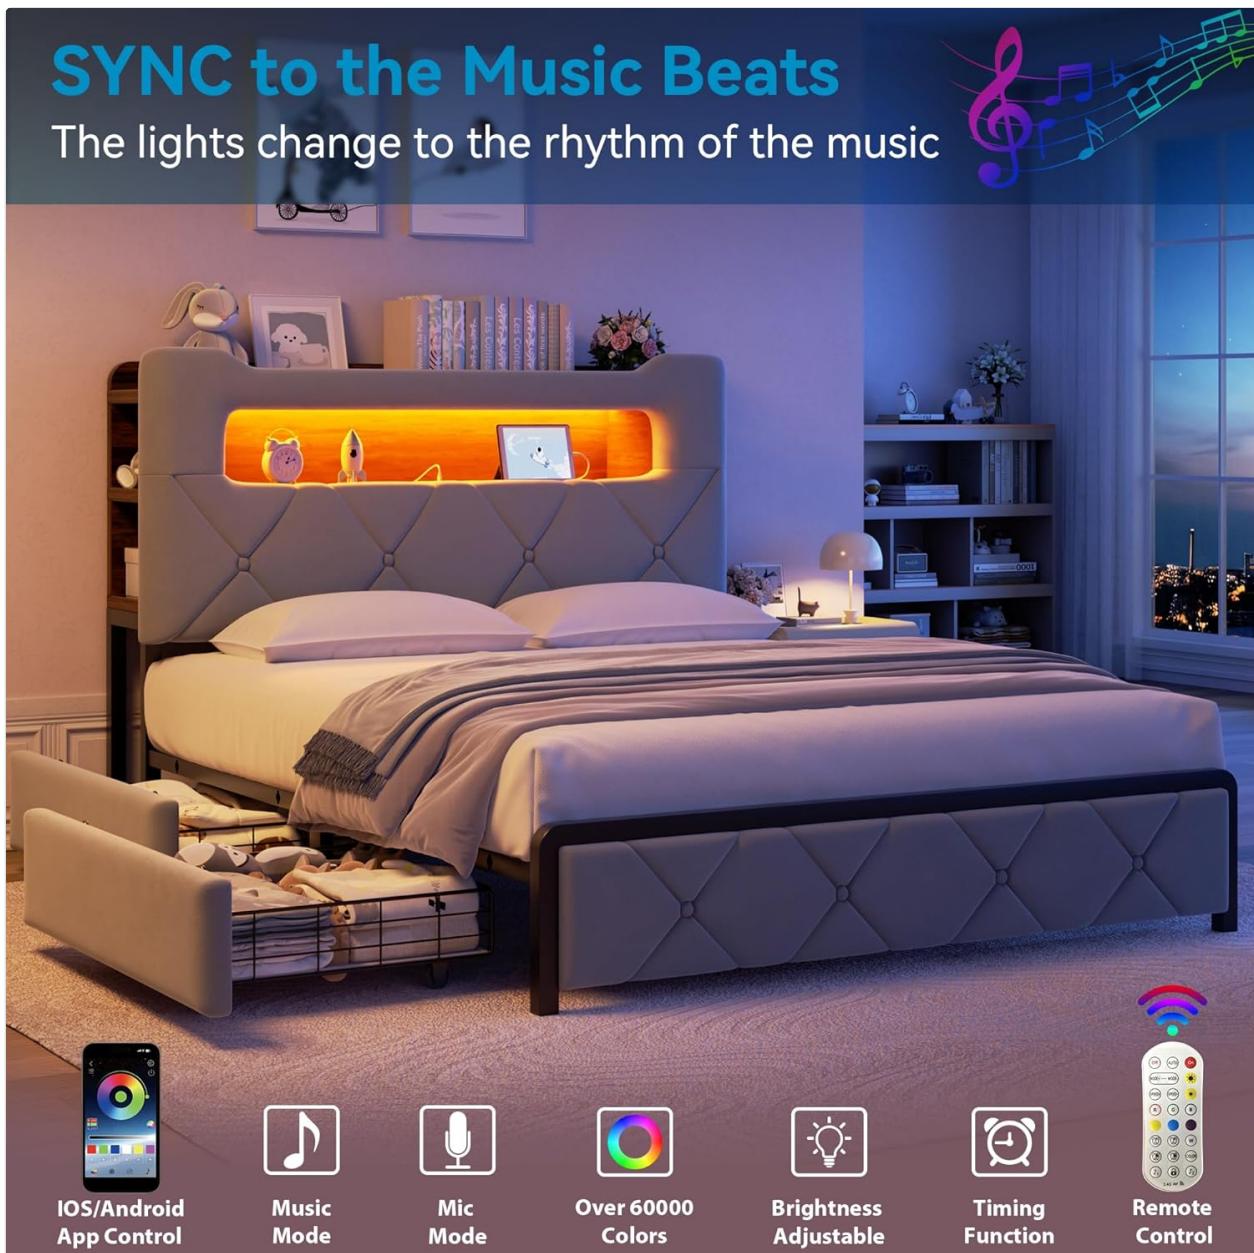

Figure 7: Smart RGB LED lights with music sync, controllable via app or remote, offering various modes and colors.

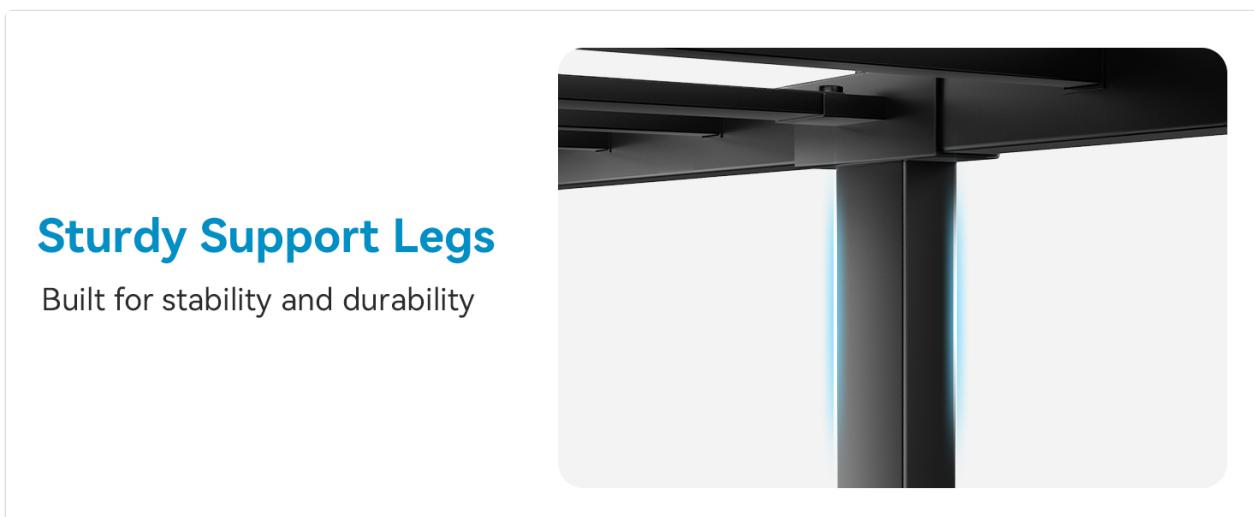

Figure 8: Detailed view of LED light features and control options.

C. Storage Drawers

The two large storage drawers provide ample space for various items.

- **Access:** Gently pull the drawers out from under the bed frame. They are designed with silent-glide mechanisms for smooth operation.
- **Locking Design:** The drawers feature a locking design to keep them securely in place when pushed in.
- **Dust Mats:** The bottom dust mats help keep stored items cleaner and provide stronger support.
- **Flexible Positioning:** The drawers can be positioned on any of the four sides of the bed frame to best suit your room layout.

Steel Support System

EVA foam for no squeak and sleep peacefully

Figure 9: The bed frame offers 9.8 inches of under-bed clearance for additional storage or easy cleaning.

MAINTENANCE AND CARE

- **Cleaning the Upholstery:** For general cleaning, gently vacuum the velvet upholstery with a soft brush attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner specifically designed for velvet, testing on an inconspicuous area first. Do not saturate the fabric.
- **Cleaning the Frame:** Wipe metal and wooden parts with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **LED Lights:** The LED lights are designed for long-term use and require minimal maintenance. If issues arise, refer to the troubleshooting section. Do not attempt to replace individual LED components.
- **Hardware Check:** Periodically (every 3-6 months) check all bolts and fasteners to ensure they remain tight. Re-tighten as necessary to maintain stability.
- **Drawer Maintenance:** Keep the drawer tracks free of dust and debris to ensure smooth operation.

TROUBLESHOOTING

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Bed frame is wobbly or squeaks.	Loose bolts; uneven floor; slats not properly seated.	Ensure all assembly bolts are securely tightened. Check if the bed is on a level surface. Verify that all slats are correctly placed and secured by the silent strips.
LED lights are not turning on.	Power cord not plugged in; remote battery dead; app connection issue.	Check if the bed frame's power cord is securely plugged into a working outlet. Replace remote control batteries. Ensure your mobile device is properly paired with the LED lights via the app.
Charging station not working.	Power cord not plugged in; device cable faulty; device not compatible.	Verify the bed frame's power cord is plugged in. Try a different charging cable for your device. Ensure your device is compatible with the USB/Type-C port specifications.
Drawers are difficult to open/close.	Obstruction in tracks; dust/debris; overloaded drawer.	Check for any objects blocking the drawer tracks. Clean the tracks of any dust or debris. Reduce the weight or volume of items stored in the drawer.

SPECIFICATIONS

Brand	Jocoevol
