Jocoevol FZZH24103001

Jocoevol Twin Upholstered LED Bed Frame (Model FZZH24103001)

User Manual

INTRODUCTION

Thank you for choosing the Jocoevol Twin Upholstered LED Bed Frame. This bed frame is designed to provide comfort, style, and functionality with its integrated RGB LED lighting, convenient charging station, and practical storage solutions. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure a safe and enjoyable experience with your new bed frame.

SAFETY INFORMATION

Please read and understand all instructions before beginning assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Two-Person Assembly:** Assembly is recommended with two adults to prevent injury and ensure proper construction.
- **Keep Small Parts Away:** Keep all small parts and packaging materials away from children and pets to avoid choking hazards.
- **Do Not Overtighten:** Do not overtighten fasteners during assembly. This can strip screws or damage components.
- **Level Surface:** Always assemble and use the bed frame on a flat, level, and stable surface.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 800 lbs for the bed frame.
- **Electrical Safety:** Ensure all electrical connections for the LED lights and charging station are properly secured and not damaged. Do not expose electrical components to water.

- **Mattress Compatibility:** This bed frame is designed for a Twin size mattress. A 12-inch thick mattress is recommended for optimal fit with the headboard.

PACKAGE CONTENTS

Before assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

- Headboard (with integrated LED lights and charging station)
- Footboard
- Side Rails
- Metal Slat System
- Storage Drawers (x2)
- Hardware Pack (screws, bolts, tools, etc.)
- Installation Manual

SETUP AND ASSEMBLY INSTRUCTIONS

The Jocoevol Twin Upholstered LED Bed Frame is designed for straightforward assembly. All necessary tools and labeled accessories are included in the package. Please follow the step-by-step instructions provided in the separate Installation Manual for detailed guidance. Estimated assembly time is approximately 35 minutes with two people.

1. **Unpack Components:** Carefully unpack all components and lay them out on a clean, soft surface (like a carpet) to prevent scratches. Verify all parts against the parts list in the Installation Manual.
2. **Assemble Headboard:** Begin by assembling the headboard components, including the 2-tier bookcase shelves. Ensure all connections for the LED lights and charging station are correctly routed and secured as per the manual.
3. **Attach Side Rails:** Connect the side rails to the assembled headboard and footboard.
4. **Install Slat System:** Place and secure the metal slat system onto the bed frame. The powerful silent strips are designed to reduce friction noise.
5. **Assemble Storage Drawers:** Assemble the two storage drawers. Note that these drawers can be positioned on any of the four sides of the bed frame for flexible room setup. The locking design keeps them securely in place.
6. **Final Checks:** Once assembled, ensure all bolts and screws are tightened securely (but not overtightened).

TWIN SIZE

OPERATING INSTRUCTIONS

RGB LED Lighting System

The integrated RGB LED light strip in the headboard offers customizable lighting options.

- **Control:** The LED lights can be controlled via a dedicated mobile application (iOS/Android) or the included remote control.
- **Color Options:** Access over 16 million colors to match your mood or room decor.
- **Preset Effects:** Choose from 20+ preset lighting effects for various ambiances.
- **Smart Modes:** Utilize smart modes such as music sync, where the lights flash in rhythm with music, and timing functions for scheduled on/off.
- **Brightness Adjustment:** Adjust the brightness to your preference, from a soft nightlight to vibrant illumination.

SYNC to the Music Beats

The lights change to the rhythm of the music

Charging Station

The headboard features a built-in charging station for your electronic devices.

- **Ports:** It includes two AC outlets (125V/12A), two USB ports (5V/2A), and one Type-C port (5V/3A).
- **Power Cord:** The charging station is powered by a 6.5-foot power cord.
- **Usage:** Simply plug your devices into the appropriate ports for convenient charging.

Storage Drawers

The two large storage drawers provide additional space for organizing items.

- **Locking Design:** The drawers feature a locking mechanism to keep them securely in place when not in use.
- **Silent Glide:** Designed for smooth and quiet operation.
- **Dust Mats:** Bottom dust mats offer cleaner and stronger support for stored items.
- **Flexible Positioning:** Drawers can be placed on any of the four sides of the bed frame to suit your room layout.

MAINTENANCE AND CARE

- **Cleaning Upholstery:** For the velvet upholstery, gently spot clean with a damp cloth and mild detergent. Avoid harsh chemicals. Blot dry immediately.
- **Dusting:** Regularly dust the headboard shelves and frame with a soft, dry cloth.
- **Check Connections:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary to maintain stability and prevent noise.
- **Drawer Maintenance:** Keep drawer tracks clean and free of debris for smooth operation.
- **Electrical Components:** Ensure the LED light strip and charging station are kept dry. Do not attempt to repair electrical components yourself.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Bed frame is wobbly or noisy.	Loose connections; uneven floor; slat strips not properly installed.	Ensure all bolts and screws are securely tightened. Check that the bed is on a level surface. Verify slat strips are correctly positioned to reduce friction.
LED lights are not working.	Power cord unplugged; remote battery dead; app connection issue; damaged light strip.	Check if the power cord is securely plugged into an outlet. Replace remote control batteries. Re-pair the app with the LED system. If the strip is damaged, contact customer service.
Charging station ports are not working.	Power cord unplugged; device not compatible; internal fault.	Ensure the bed frame's power cord is plugged in. Test with a different device or cable. If issues persist, contact customer service.
Storage drawers are difficult to open/close.	Obstruction in tracks; drawer overloaded; misaligned.	Check for any items blocking the drawer tracks. Reduce the load in the drawer. Ensure the drawer is correctly aligned in its position.
