Mockingbird Single-to-Double Stroller 3.0

Mockingbird Single-to-Double Stroller 3.0 Instruction Manual

Model: Single-to-Double Stroller 3.0

1. INTRODUCTION AND OVERVIEW

The Mockingbird Single-to-Double Stroller 3.0 is a versatile and adaptable stroller designed to grow with your family. It offers numerous configurations to accommodate one, two, or three children from newborn to toddlerhood, utilizing various accessories (sold separately). This manual provides essential information for assembly, operation, maintenance, and safety to ensure a safe and enjoyable experience.

2. SETUP AND ASSEMBLY

2.1 Unfolding the Stroller Frame

To unfold the stroller frame, release the locking mechanism and lift the handlebar until the frame clicks securely into place. Ensure all parts are fully extended and locked before attaching the seat.

2.2 Attaching the Stroller Seat

Align the seat connectors with the frame's attachment points. Push down firmly until you hear an audible 'click', indicating the seat is securely fastened. The seat can be attached in either parent-facing or forward-facing orientations.

New Mockingbird FullShade™ System

Our new built-in LegShade™ paired with the fully extendable canopy makes Mockingbird the only stroller with true head-to-toe UPF 50+ sun protection.

2.3 Folding the Stroller for Storage

To fold the stroller, first remove the seat. Locate the folding mechanism on the handlebar (often a button or lever) and activate it while pushing the handlebar downwards. The frame will collapse into a compact size for storage or transport. Ensure the stroller is fully latched in its folded position.

3. OPERATING THE STROLLER

3.1 Adjustable Comfort Features

- **Reversible Seat:** The seat can face either the parent or the world, allowing for flexibility as your child grows.
- **Recline Positions:** Five recline positions are available, from upright to near-flat, to ensure your child's comfort.

- **Adjustable Footrest:** The footrest can be adjusted to support your child's legs at various stages.
- **Height-Adjustable Canopy:** The canopy can be adjusted for extra headroom as your child grows.

Adjustable comfort as they grow

New height-adjustable canopy, adjustable footrest, and reversible seat with 5-position recline for personalized comfort through every age and stage.

Figure 3.1: Adjustable seat recline and footrest for child comfort.

3.2 FullShade System

The FullShade System provides head-to-toe UPF 50+ sun protection. It includes an XL extendable canopy and a built-in LegShade. Ventilated mesh panels promote airflow, and a magnetic peekaboo window allows for quiet check-ins.

New Mockingbird FullShade™ System

Our new built-in LegShade™ paired with the fully extendable canopy makes Mockingbird the only stroller with true head-to-toe UPF 50+ sun protection.

3.3 Smooth Ride Features

Experience a smooth ride with all-wheel suspension and shock-absorbing, never-flat tires. Lockable front wheels enhance stability on uneven terrain.

The smoothest stroll

Shock-absorbing, all-wheel suspension and never-flat tires keep every ride smooth—even over bumps and curbs.

Figure 3.3: Stroller navigating various terrains smoothly.

3.4 Storage Options

The stroller features an extra-large basket capable of holding up to 25 lbs. Additionally, it includes in-seat child pockets and back-seat parent pockets for convenient storage of essentials.

All-new magnetic harness with reflective accents

New magnetic buckle clicks together like magic, with one-hand harness adjustments and reflective piping for added nighttime visibility.

3.5 Magnetic Buckle and Harness

The magnetic buckle allows for fast and easy buckling. Soft, smooth straps adjust with a simple pull, eliminating the need for rethreading. Reflective details improve nighttime visibility.

Storage everywhere you need it

Our XL stroller basket holds up to 25 lbs, while new seat pockets keep phone, wipes, and tiny treasures within easy reach.

5. MAINTENANCE

5.1 Cleaning Instructions

- **Seat Liner:** The reversible seat liner is machine-washable for easy cleaning. Refer to the care tag for specific washing instructions.
- **Frame and Fabric:** Wipe down the aluminum frame with a damp cloth and mild soap. The spill-resistant canopy fabric can be spot cleaned.
- **Crumb Catcher:** The zippered crumb catcher can be easily emptied and cleaned.

5.2 General Care

Regularly check all moving parts, wheels, and locking mechanisms for proper function. Ensure tires are free of debris. Store the stroller in a dry, protected area when not in use to prolong its lifespan.

6. TROUBLESHOOTING

If you encounter any issues with your Mockingbird Single-to-Double Stroller 3.0, please refer to the following general troubleshooting tips:

- **Stroller not folding/unfolding smoothly:** Ensure all locking mechanisms are disengaged and the seat is removed before attempting to fold. Check for any obstructions in the folding joints.
- **Wheels not moving freely:** Inspect wheels for debris (e.g., hair, dirt) and clean as necessary. Ensure wheel locks are disengaged.
- **Seat not attaching securely:** Verify that the seat is correctly aligned with the frame's attachment points and push firmly until a 'click' is heard. Check for any damage to the connectors.
- **Harness issues:** Ensure straps are not twisted and the magnetic buckle is free of debris. Adjust straps as needed for a secure fit.

For persistent issues or specific technical support, please contact Mockingbird customer service.
