What's in the Box

- 1 x Stickflip Electronic Flip Challenge Game

Safety Information

Warning: Choking hazard - Small parts. Not for children under 3 years. Always ensure safe play environment, avoiding wild flips near stairs, edges, or fragile items. Practice on soft ground like carpet or grass. Stickflip is not waterproof; keep it dry and out of the rain. This is a cool toy, not a rocket; flip with respect.

Setup

1. Remove the Stickflip from its packaging.
2. Insert 2x AAA batteries (not included) into the designated battery compartment.
3. Tap the power button to turn on the device and begin playing.

Operating Instructions

The Stickflip game features auto-counting technology that tracks your flips. Each full 360° spin triggers a beep and colorful LED lights, indicating the number of successful flips. The device offers 10 unique game modes for solo or multiplayer fun. To select a game, tap the power button repeatedly until the desired game mode is indicated by the LED lights or sound prompt.

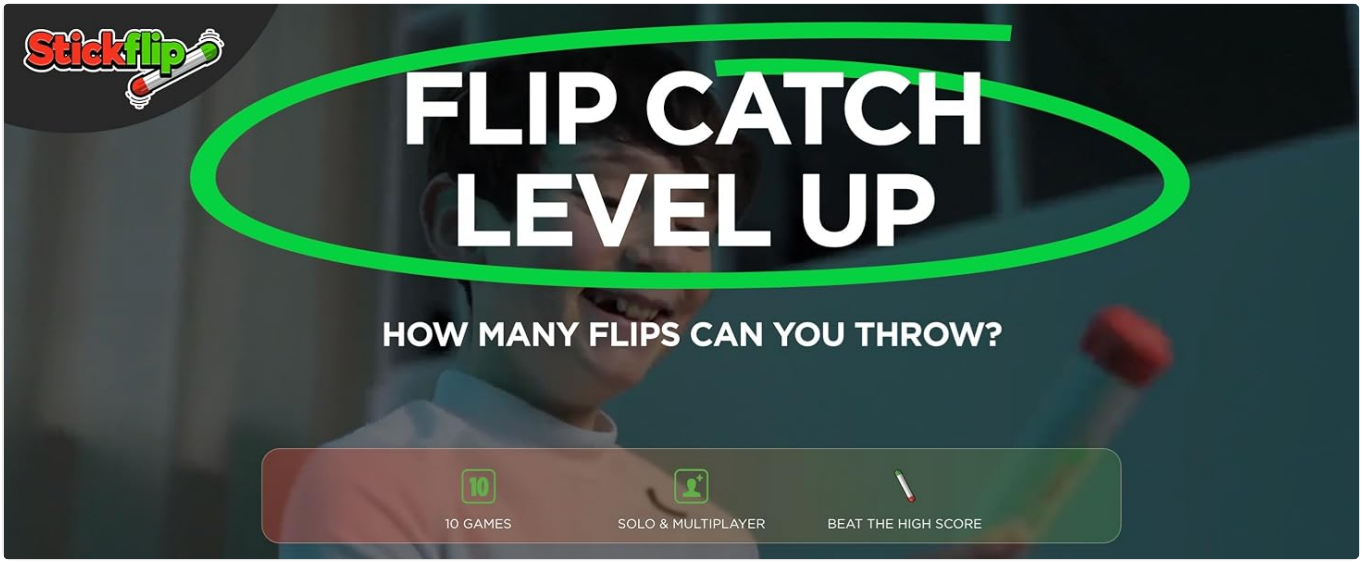

Image Description: A diagram illustrating the auto-counting mechanism of the Stickflip. It shows a stick being flipped, with each 360° rotation triggering a beep and illuminating an LED light. For example, 1 LED equals 1 flip, and 3 LEDs equal 3 flips.

Game Modes Overview

Stickflip offers a variety of challenges, categorized into Flip Games and Throw Games, with some modes designed for advanced players.

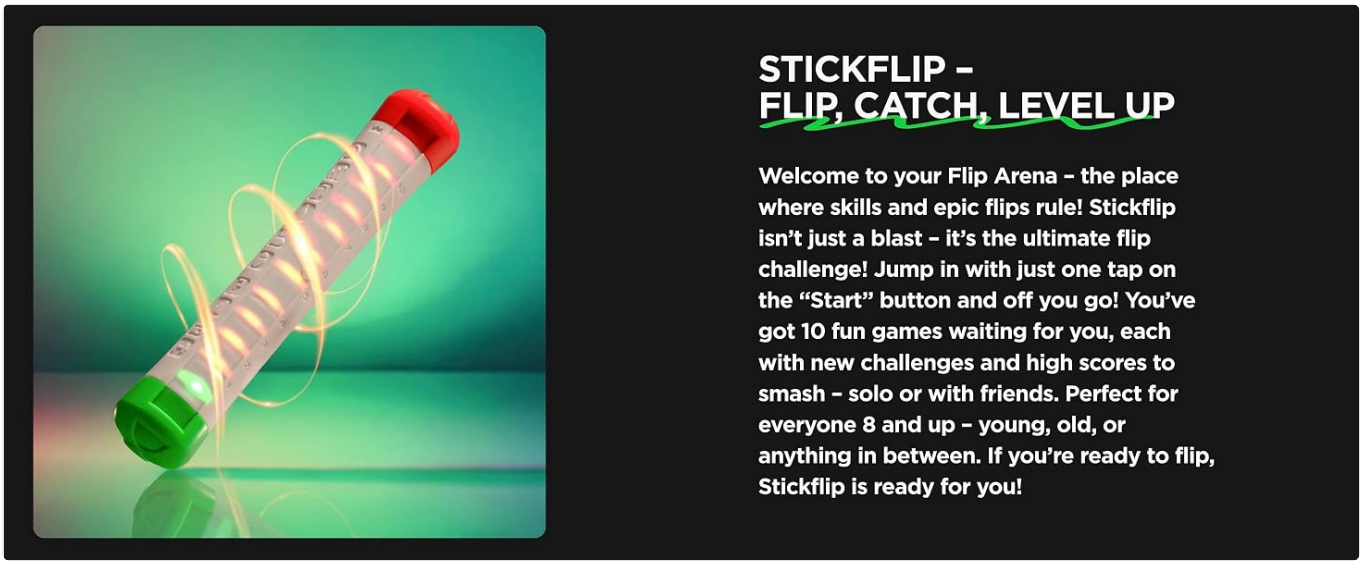

Image Description: A visual guide to the 10 game modes available on Stickflip. It divides games into 'Flip Games' (Training, Flip the Lights On, Stairs, Random) and 'Throw Games' (Raw Egg, Hot Potato), with additional '4 Games for Advanced Players' (Bottle Flip, Copy, Higher, Roll the Lights On).

Flip Games

- **Training:** Practice your flipping skills and see how many flips you can achieve.
- **Flip the Lights On:** Flip the Stickflip to activate and illuminate all the LED lights.
- **Stairs:** Advance through levels by successfully flipping the required number of rotations. Failure sends you back down.
- **Random:** Flip the number of LEDs shown on the device.
- **Bottle Flip:** Perform multiple consecutive flips, aiming for a specific number of rotations (e.g., 3x in a row).
- **Copy:** Remember and replicate the light sequence displayed on the Stickflip.
- **Higher:** Each successful flip requires a higher number of rotations than the previous one.
- **Roll the Lights On:** Hold the stick in the middle and make it roll in the air to light up the LEDs.

Throw Games

- **Raw Egg:** Gently throw and catch the Stickflip as many times as possible without 'breaking' the egg (indicated by a specific sound/light pattern).
- **Hot Potato:** Throw the Stickflip to teammates as many times as possible before a timer runs out.

Maintenance

To ensure the longevity of your Stickflip, keep it clean and dry. Avoid exposing it to water or extreme temperatures. Store in a safe place when not in use to prevent damage. Regularly check the battery compartment for any corrosion and replace batteries as needed.

Troubleshooting

- **Device not turning on:** Ensure batteries are correctly inserted and are not depleted. Replace with fresh AAA batteries if necessary.
- **LEDs not lighting up or incorrect counting:** Verify that the Stickflip is performing full 360° rotations. Ensure the device is not obstructed during flips.
- **No sound:** Check if the volume is turned down or muted (if applicable, though not explicitly stated as a feature, it's a common troubleshooting step for electronic toys).
