leejdn 808

User Manual for leejdn Brown Vanity Desk with Mirror and Lights

Model: 808 | Brand: leejdn

1. Safety Information

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Ensure all parts are present and undamaged before beginning assembly.
- Assemble the vanity desk on a soft, clean surface to prevent scratches.
- Tighten all screws and fasteners securely, but do not overtighten.
- Do not stand or sit on the vanity desk.
- Keep small parts and packaging materials away from children and pets.
- For electrical components (LED mirror), ensure proper power connection and avoid contact with water.

2. Product Overview

The leejdn Brown Vanity Desk is designed to provide a functional and stylish space for makeup and personal care. It features a brown finish, a mirror with adjustable LED lighting, and ample storage with five drawers.

Figure 2.1: Complete view of the Ieejdn Brown Vanity Desk.

Key Features:

- **Adjustable LED Mirror:** Features a dimmable lighting mirror with 3 different LED lighting colors (natural, warm, cool) to optimize makeup application in various environments.
- **Flexible Configuration:** The vanity desk's size can be adjusted, and the position of the storage cabinet is interchangeable (left or right) to suit different room layouts and user needs.
- **Durable Construction:** Made from E0 grade environmental protection density board (MDF) with a glossy PVC finish, high clear water silver mirror, and sturdy metal legs.
- **Smooth Drawer Operation:** Equipped with metal slides and handles, allowing for effortless pushing and pulling of drawers to keep items organized.
- **Ample Storage:** Includes a storage cabinet with three drawers and two large drawers on the main desk for extensive storage capacity.

3. Setup and Assembly

The Ieejdn Vanity Desk requires self-assembly. The package includes all necessary components and a detailed assembly instruction manual. It is recommended to have two people for assembly to facilitate the process, which typically takes approximately 3 hours.

Assembly Steps:

1. **Unpack Components:** Carefully unpack all parts from the foam shock absorption packaging. Verify that all components listed in the included assembly guide are present and undamaged.
2. **Prepare Workspace:** Lay out all parts on a clean, soft surface to prevent scratches during assembly.
3. **Follow Assembly Guide:** Refer to the step-by-step instructions provided in the separate assembly manual. Each

step is typically illustrated to guide you through the process.

4. **Secure Fasteners:** Use appropriate tools (not always included) to tighten all screws and connectors. Ensure they are snug but avoid overtightening to prevent damage to the MDF.
5. **Install Flexible Cabinet:** Position the storage cabinet on either the left or right side of the main desk as desired, following the instructions for securing it.
6. **Attach Mirror:** Securely attach the LED mirror to the designated area on the desk.
7. **Final Check:** Once assembled, gently test the stability of the desk and the smooth operation of all drawers.

Note: If any parts are missing or damaged, please contact customer support immediately.

4. Operating Instructions

LED Mirror Operation:

The vanity mirror features integrated LED lighting with adjustable settings for optimal illumination during makeup application.

- **Power On/Off:** Lightly touch the designated touch sensor on the mirror surface to turn the LED lights on or off.
- **Change Light Color:** With the lights on, short press the touch sensor to cycle through the three available light colors:
  - Cool Light (approx. 6000K)
  - Warm Light
  - Warm Yellow Light (approx. 3000K)
- **Adjust Brightness (Dimming):** To adjust the brightness, long press the touch sensor. The brightness will gradually increase or decrease. Release the sensor when the desired brightness level is reached.

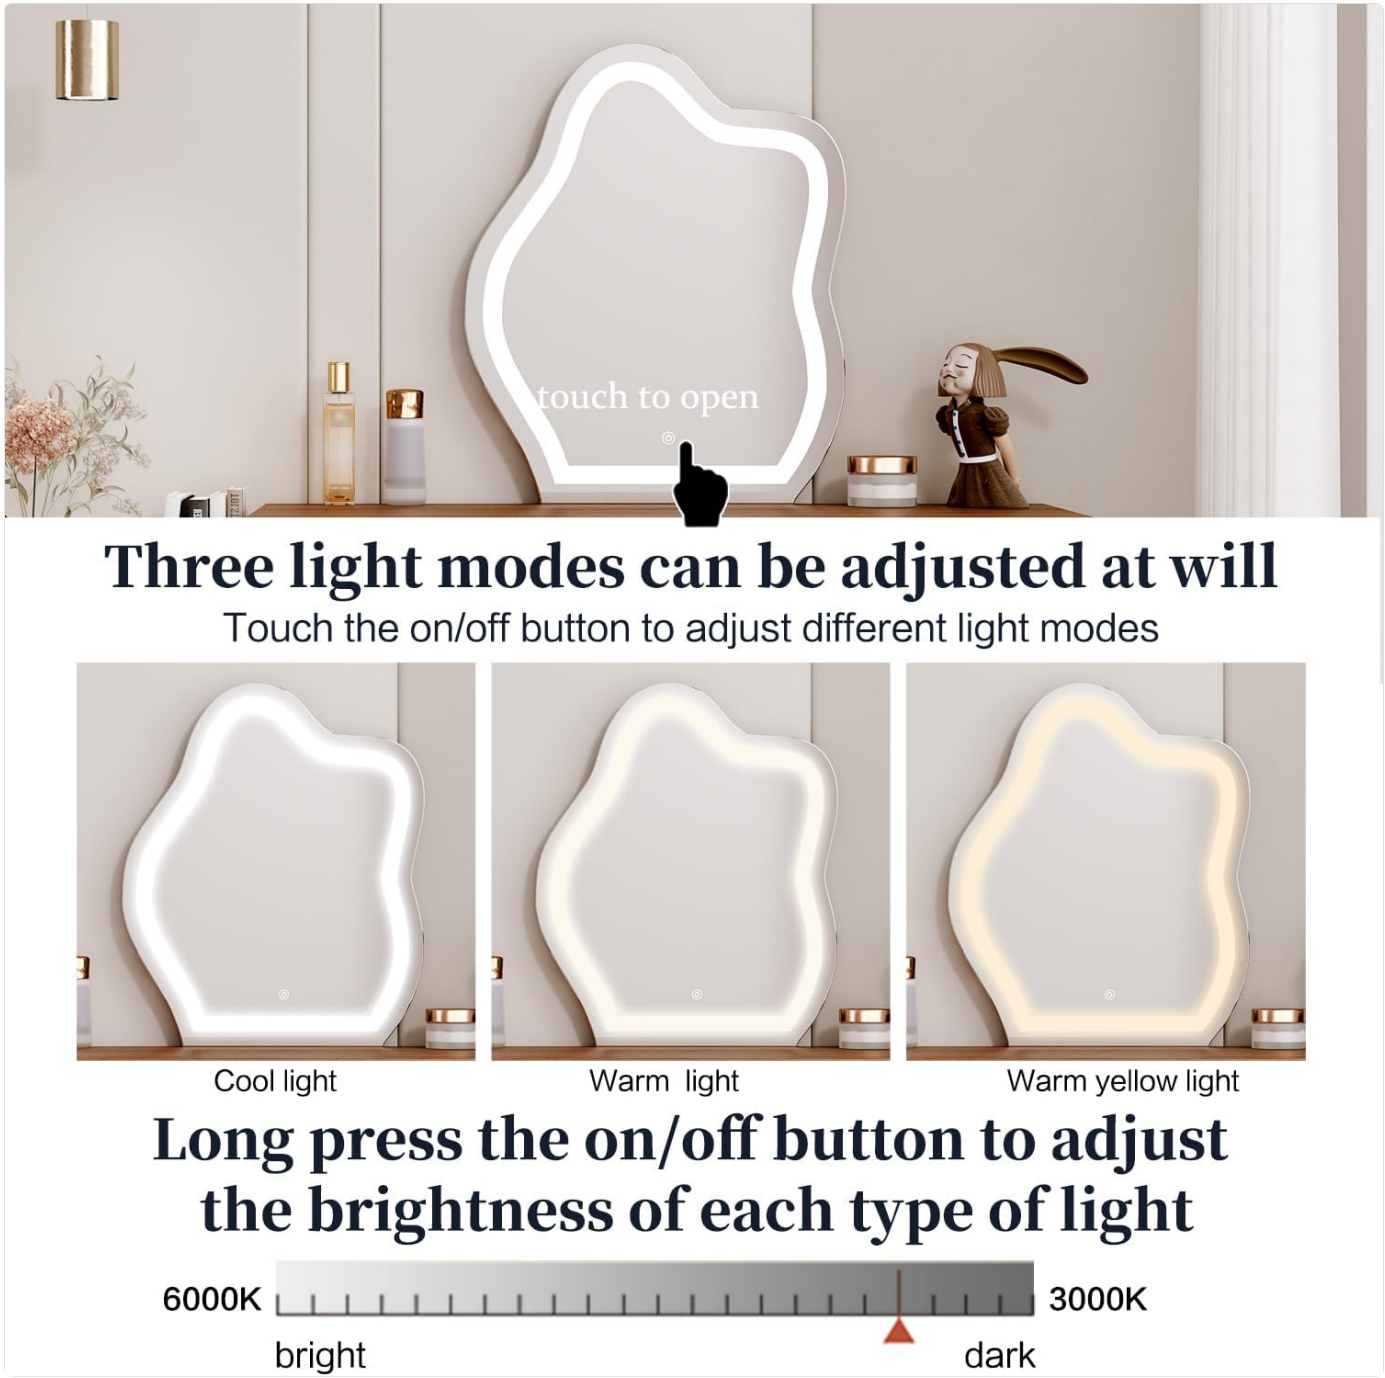

Figure 4.1: Illustration of the three light modes and the touch control for brightness adjustment on the LED mirror.

Drawer Operation:

The drawers are equipped with smooth metal slides for easy access to your stored items.

- Gently pull the black pull handles to open the drawers.
- Push the drawers back in until they are fully closed. The smooth slides ensure quiet operation.

Figure 4.2: Close-up view of the silent smooth drawer slides and adjustable metal legs, highlighting key functional components.

5. Maintenance

Proper care will ensure the longevity and appearance of your vanity desk.

- **Cleaning:** Wipe the surfaces with a dry cloth. For stubborn marks, a lightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or harsh chemicals.
- **Drawer Slides:** Periodically check the drawer slides for any debris. If drawers become stiff, a small amount of silicone lubricant can be applied to the slides.
- **Fasteners:** Over time, screws may loosen. Periodically check and retighten all assembly screws to maintain stability.
- **Mirror Care:** Clean the mirror surface with a soft, lint-free cloth and a glass cleaner. Avoid spraying cleaner directly onto the mirror to prevent liquid from seeping into the electrical components.

6. Troubleshooting

This section addresses common issues you might encounter with your vanity desk.

Problem	Possible Cause	Solution
Drawers are stiff or sticky.	Accumulation of dust/debris on slides, or slides require lubrication.	Clean the drawer slides. Apply a small amount of silicone lubricant to the slides. Ensure drawers are properly aligned.
LED mirror lights do not turn on.	Power connection issue, or touch sensor malfunction.	Ensure the power adapter is securely plugged into both the mirror and a working power outlet. Try a different outlet. If the issue persists, contact customer support.
Desk feels wobbly or unstable.	Loose assembly screws or uneven floor.	Check and retighten all assembly screws. Use the adjustable metal legs to level the desk on uneven surfaces.
Parts do not fit during assembly.	Incorrect orientation of parts, or manufacturing defect.	Double-check the assembly manual for correct part orientation. Do not force parts. If a part is clearly defective or misaligned, contact customer support for replacement.

7. Specifications

Feature	Detail
Brand	Ieejdn
Model Number	808
Color	Brown
Product Dimensions (D x W x H)	15.75"D x 35.5-47"W x 52"H (Adjustable Width)
