PKPOWER AC Adapter for H7126/H7126A

PKPOWER AC Adapter User Manual

For GoveeLife Govee Life Smart Mini Air Purifier H7126 H7126A

Product Overview

The PKPOWER AC Adapter is designed to provide reliable power to your GoveeLife Govee Life Smart Mini Air Purifier models H7126 and H7126A. This adapter ensures a stable power supply for optimal device performance.

Image: The PKPOWER AC Adapter, a black rectangular unit with a standard US plug, connected to a long black power cable coiled neatly beside it. The adapter features the PKPOWER logo and input specifications.

It features a 6.6-foot (approximately 2-meter) charging cable, offering flexibility in placement without being restricted by outlet proximity. The adapter operates with an input voltage range of 100-240V AC, making it suitable for various power environments.

Safety Information

Please read all safety instructions carefully before using the AC adapter. Failure to follow these instructions may result

in electric shock, fire, or damage to the product or connected devices.

- Do not expose the adapter to rain or moisture.
- Do not disassemble the adapter. Refer all servicing to qualified service personnel.
- Ensure the adapter is used within its specified voltage and current ratings.
- Keep out of reach of children.

Image: A diagram illustrating the built-in safety protections of the PKPOWER AC Adapter. Icons and text indicate Over Charge Protection, Over Voltage Protection, Short-circuit Protection, Over Current Protection, and Over Temp Protection.

This product is designed with multiple safety features, including:

- **Over Charge Protection:** Prevents damage from excessive charging.
- **Over Voltage Protection:** Safeguards against voltage surges.
- **Short-circuit Protection:** Protects against short circuits.
- **Over Current Protection:** Prevents damage from excessive current.
- **Over Temp Protection:** Guards against overheating.

WARNING: This product can expose you to chemicals which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Setup and Installation

Setting up your PKPOWER AC Adapter is a simple process:

1. **Unpack the Adapter:** Carefully remove the AC adapter from its packaging.
2. **Connect to Device:** Insert the output connector of the AC adapter firmly into the power input port of your GoveeLife Govee Life Smart Mini Air Purifier (H7126 or H7126A).
3. **Connect to Power Outlet:** Plug the AC adapter's wall plug into a standard 100-240V AC electrical outlet. Ensure the outlet is easily accessible.
4. **Verify Connection:** Once connected, your air purifier should receive power. Refer to your air purifier's manual for specific power indicators.

Operating Instructions

The PKPOWER AC Adapter functions as a dedicated power supply for compatible devices. Its operation is automatic once connected correctly.

- The adapter provides a stable 12V 2A output, suitable for the specified GoveeLife air purifiers.
- No user intervention is required for the adapter's operation beyond proper connection.
- Always ensure the adapter is plugged into a functional power outlet.

Maintenance and Care

Proper care will extend the life of your PKPOWER AC Adapter:

- **Cleaning:** Disconnect the adapter from the power outlet and the device before cleaning. Use a soft, dry cloth to wipe the surface. Do not use liquid cleaners or aerosols.
- **Storage:** When not in use, store the adapter in a cool, dry place, away from direct sunlight and extreme temperatures. Avoid tightly coiling the cable to prevent damage.
- **Handling:** Do not drop, strike, or subject the adapter to strong impacts. This can damage internal components.
- **Cable Care:** Regularly inspect the power cable for any signs of fraying, cuts, or damage. If damage is found, discontinue use immediately.

Troubleshooting

If you encounter issues with your PKPOWER AC Adapter, try the following steps:

Problem	Possible Cause	Solution
No power to device	Adapter not plugged in securely Power outlet is not functional Device power input issue	Ensure adapter is fully plugged into wall outlet and device. Test the outlet with another device. Check the device's power input port for damage.

Problem	Possible Cause	Solution
Adapter feels excessively hot	Overload or poor ventilation Internal fault	Ensure adapter is not covered and has adequate airflow. Disconnect and allow to cool. If problem persists, discontinue use.
Device not charging/powering consistently	Loose connection Damaged cable/adapter	Check all connections. Inspect the cable and adapter for visible damage. If damaged, replace the adapter.

If the issue persists after attempting these troubleshooting steps, please contact customer support.

Specifications

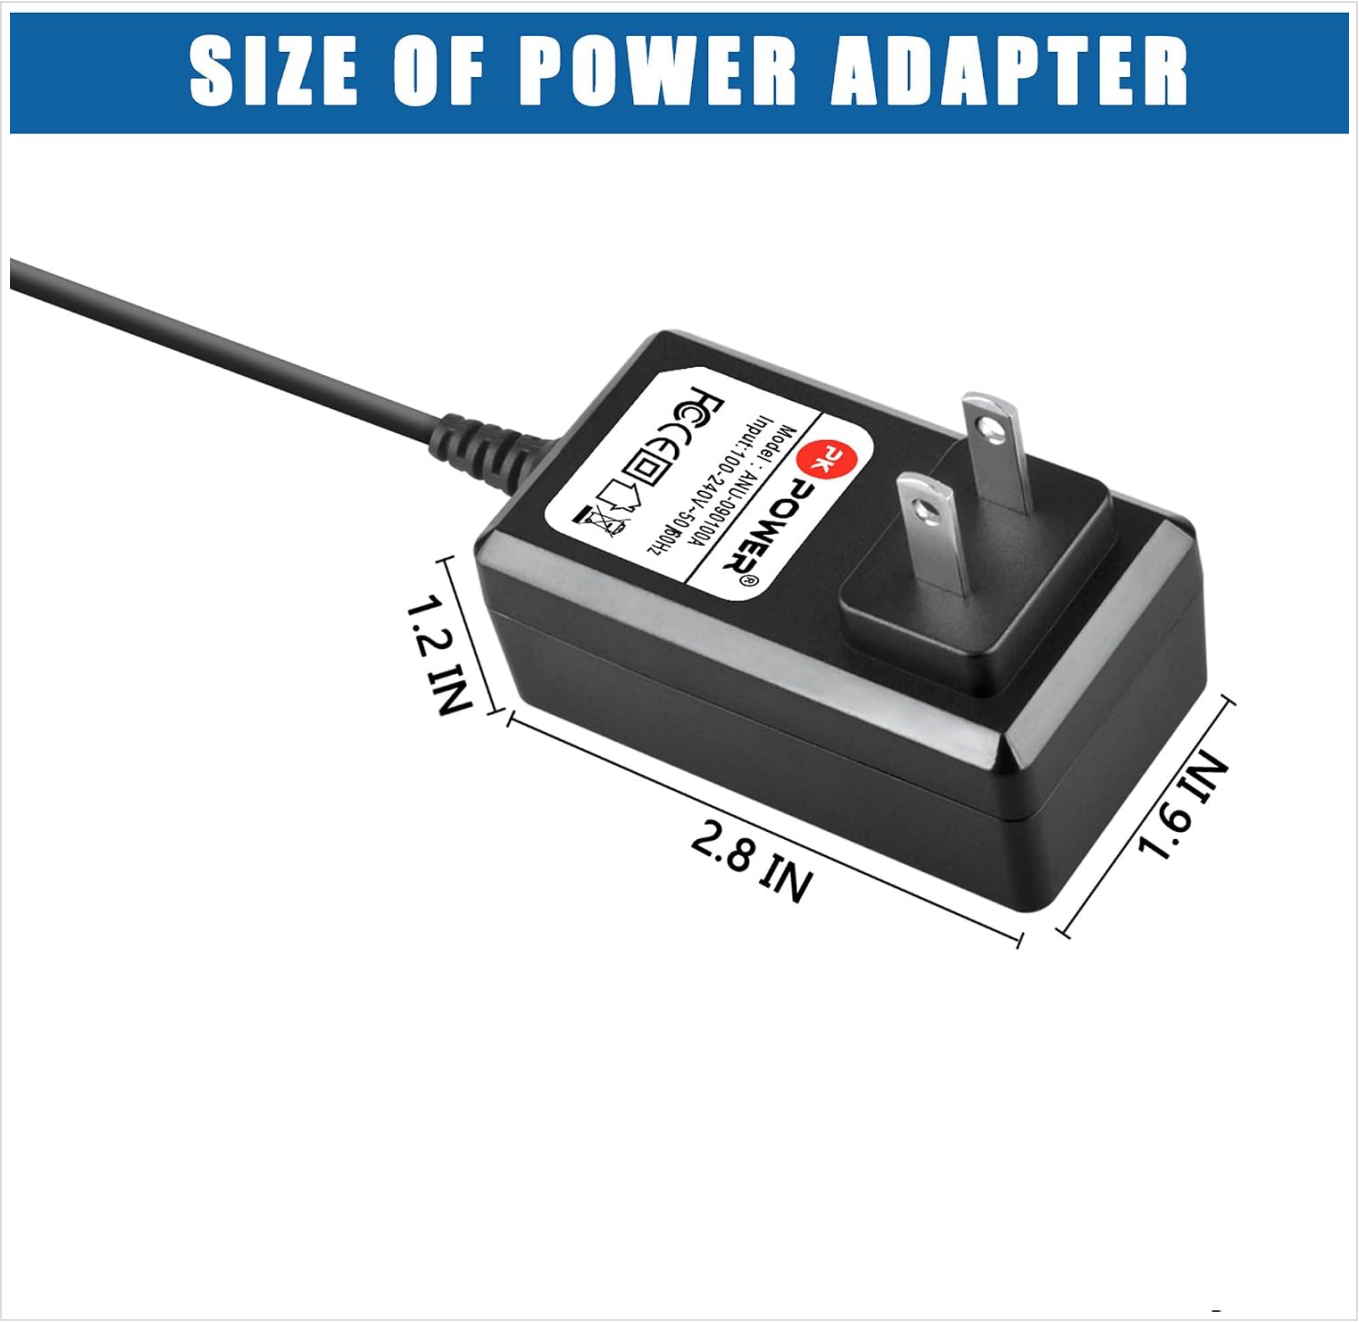

Image: A top-down view of the PKPOWER AC Adapter with measurements indicating its size: 2.8 inches in length, 1.6 inches in width, and 1.2 inches in height.

Feature	Detail
Brand	PKPOWER
Model Compatibility	GoveeLife Govee Life Smart Mini Air Purifier H7126, H7126A
Input Voltage	100-240V AC, 50/60Hz
Output Voltage/Current	12V 2A
Cable Length	6.6 feet (approx. 2 meters)
Product Dimensions	5 x 2.5 x 1.2 inches (Adapter unit: 2.8 x 1.6 x 1.2 inches)
Item Weight	3 ounces
Color	Black
Manufacturer	Shenzhen AiNaU Technology Co.,Ltd

Warranty and Support

Warranty: The PKPOWER AC Adapter comes with a 12-month warranty from the date of purchase. This warranty covers manufacturing defects and ensures a reliable product experience. Please retain your proof of purchase for warranty claims.
