Merax HA1912

Merax Modern Upholstered Platform Bed Frame Instruction Manual

Model: HA1912 | Twin (Fixed) White/Drawers

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Merax Modern Upholstered Platform Bed Frame. Please read this manual thoroughly before beginning assembly or use to ensure proper setup and to maximize the lifespan of your product. Keep this manual for future reference.

SAFETY INFORMATION

- **Caution:** This is a partial assembly product. Be cautious of sharp edges during assembly and use.

- Ensure all parts are securely fastened before use. Regularly check and tighten all connections.

- Do not exceed the weight capacity of 250 lbs.

- Keep small parts away from children during assembly to prevent choking hazards.

- Assemble the bed on a soft, clean surface to prevent damage to the product or your floor.

PACKAGE CONTENTS

Verify that all components listed below are present before beginning assembly. If any parts are missing or damaged, please contact customer service.

- Twin Bed Frame Components

- Headboard with integrated USB Ports and LED Belt

- 2 Storage Drawers

- All necessary Hardware (screws, bolts, washers, etc.)

- Assembly Tools (Allen wrench, etc.)

- Instruction Guide

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this product. It is recommended that two adults assemble the bed frame. Please follow the included step-by-step instruction guide carefully.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface. Refer to the parts list in your separate instruction guide to identify each piece.

2. **Assemble the Main Frame:** Begin by connecting the side rails to the headboard and footboard using the provided hardware. Do not fully tighten screws until the entire frame is assembled.

3. **Install Support Slats:** Place the wooden slats across the bed frame. Secure them according to the instructions to ensure proper mattress support.

4. **Attach Headboard Features:** Connect any wiring for the USB ports and LED belt as directed in the separate guide. Ensure all connections are secure.

5. **Assemble and Insert Drawers:** Assemble the two storage drawers following the specific instructions for drawer construction. Once assembled, slide them into their designated spaces beneath the bed frame.

6. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws and bolts.

OPERATING INSTRUCTIONS

USB Charging Ports

Your Merax bed frame is equipped with built-in USB ports located on the top of the headboard. To use them, simply plug your device's USB charging cable into the port. Ensure the bed frame is properly connected to a power source (if applicable, via an adapter or wall plug as per assembly instructions) for the USB ports to function.

Storage Drawers

The two spacious drawers beneath the bed provide convenient storage. To access, gently pull the drawer handles. To close, push the drawers back into the frame until they are flush. Avoid overloading the drawers to ensure smooth operation and prevent damage.

LED Lighting

The integrated LED belt in the headboard offers ambient lighting. Operation of the LED lights typically involves a remote control or a discreet switch located on the headboard or power cable. Refer to the specific LED light instruction sheet

included in your package for details on changing colors, brightness, and modes.

MAINTENANCE

- **Cleaning:** For general cleaning, wipe the upholstered surfaces with a dry cloth. For minor spills or stains, use a damp cloth and mild soap, then wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically inspect all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability and safety.
- **Drawer Care:** Keep the drawer tracks clean and free of debris to ensure smooth operation.

TROUBLESHOOTING

- **Bed Wobbles:** Ensure all assembly hardware is fully tightened. Check that the bed is placed on a level surface.
- **USB Ports Not Working:** Verify that the bed frame's power connection (if any) is securely plugged into a functional wall outlet. Check the USB cable for damage.
- **LED Lights Not Functioning:** Confirm the power connection for the LED strip. If using a remote, check the battery. Refer to the LED light specific instructions for further troubleshooting.
- **Drawers Stick or Don't Close:** Check for obstructions in the drawer tracks. Ensure the drawers were assembled correctly and are aligned properly within the frame.

SPECIFICATIONS

Feature	Detail
Model Number	HA1912
Size	Twin (Fixed)
Color	White/Drawers
Product Dimensions	80.7"L x 44"W x 38.8"H
