MassaMAX A675

MassaMAX A675 4D Massage Chair User Manual

Model: A675 | Brand: MassaMAX

INTRODUCTION

Welcome to the comprehensive user manual for your MassaMAX A675 4D Massage Chair. This guide provides essential information for setting up, operating, maintaining, and troubleshooting your new massage chair, ensuring you get the most out of its advanced features. The MassaMAX A675 is designed to provide a luxurious and therapeutic massage experience with its innovative 4D massage mechanism, i-Open Flexible SL Track, full body scan, and zero gravity recline.

SETUP AND ASSEMBLY

The MassaMAX A675 massage chair is designed for effortless assembly. The primary step involves attaching the footrest, which typically takes approximately 5 minutes. Ensure all packaging materials are removed and the chair is placed on a level surface before beginning assembly.

- **Unpacking:** Carefully remove the chair and all components from the packaging. Retain packaging for future transport or storage if needed.
- **Positioning:** Place the main body of the massage chair in its desired location, ensuring adequate space around it for recline and extension. Refer to the product dimensions for clearance requirements.
- **Footrest Attachment:** Align the footrest with the main chair body and securely attach it according to the quick-start guide included in the box. This step is designed to be quick and tool-free.
- **Power Connection:** Once assembled, connect the power cord to a suitable electrical outlet.

OPERATING INSTRUCTIONS

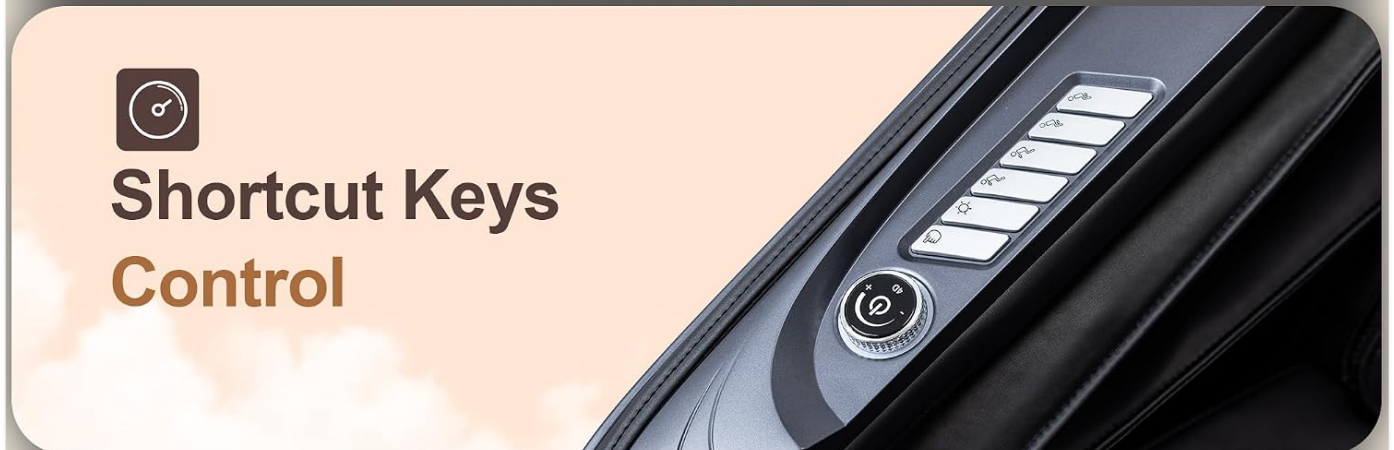

Control Methods

The MassaMAX A675 offers multiple intuitive control methods for a personalized massage experience:

- **Large Touchscreen Control:** Access all massage programs, techniques, and settings via the integrated touchscreen display.
- **AI Voice Control:** Use simple voice commands to start, stop, and adjust your massage without lifting a finger.
- **Quick Access Buttons:** Conveniently located buttons on the armrest provide immediate control over essential functions.

Massage Features

- **4D Massage with Smart Body Scan:** Advanced sensors detect your body shape and pressure points, customizing the massage for your unique physique. The 4D mechanism allows for adjustment in height, width, depth, and speed of the rollers.
- **i-OPEN FLEXIBLE SL Track (125°–167° Adjustable):** This dynamic system adjusts in real time for deeper stretch and better muscle relief, promoting full spinal alignment.
- **Full Body Stretch Massage:** Combines roller kneading, air compression, and gentle stretching to release tension from neck to calves.
- **Calf Kneading & Auto Footrest Extension:** Dual rotating rollers knead tired calves while the footrest automatically adjusts up to 7.09 inches for perfect leg positioning.
- **Zero Gravity Recline + Heat Therapy:** Reduces spinal pressure in a floating posture. Lumbar heat soothes stiff muscles, and a unique heating shawl can warm the waist, back, shoulder, neck, or abdomen. Calves also feature unique heating.
- **22 Auto Programs + Voice Control:** Choose from a variety of preset massage programs, ranging from "Relax" to "Deep Tissue," with hands-free commands.
- **Full Body Airbag Massage:** Airbags provide compression massage to shoulders, arms, waist, calves, and feet.

Advanced 4D Massage Mechanism

Can Be Adjusted In Height, Width, Depth And Speed
