The advertisement features a pair of purple Groovz earbuds with a textured, scale-like pattern and white ear tips. Below them is a matching purple charging case, also with the same texture, which is open to reveal a black interior with a white LED display showing '100%'. The brand name 'GROOVZ' is printed on the inside of the lid. To the right of the earbuds, the text '4 HRS' is displayed in a large, blue, pixelated font, with 'Single charge' written below it. Further down, the text '22 HRS' is shown in a similar large, blue, pixelated font, with 'With Charging Case' written below it. At the bottom right, the text 'Fast Charge' is accompanied by a blue hexagonal icon containing a white lightning bolt and two horizontal lines.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge your Groovz earbuds and charging case.

1. Connect the provided USB-C charging cable to the charging port on the case and to a USB power source.
2. The LED display on the charging case will show the current battery percentage. Allow the case to charge until it displays 100%.
3. Place the earbuds into the charging case. The earbuds will begin charging automatically. The LED indicators on the earbuds (if present) or the case display will show their charging status.

Engineered for Excellence

Distortion and vibration reduction and enhanced sound fidelity all with the added durability of IPX4 water resistance. At GroovzAudio, we're dedicated to providing you with the ultimate audio experience.

MAINTENANCE

Cleaning

- Regularly clean your earbuds and charging case with a soft, dry, lint-free cloth.
- Remove ear tips and clean them with mild soap and water if necessary. Ensure they are completely dry before reattaching.
- Avoid using abrasive materials or harsh chemicals.

Storage

- Always store the earbuds in their charging case when not in use to protect them and keep them charged.
- Store the case and earbuds in a cool, dry place, away from extreme temperatures and direct sunlight.

Water Resistance (IPx4)

The Groovz earbuds are IPx4 water resistant, meaning they are protected against splashing water from any direction. This makes them suitable for workouts and light rain. They are not designed for submersion in water.

TROUBLESHOOTING

Earbuds Not Pairing/Connecting

- Ensure both earbuds are charged and removed from the charging case.
- Turn off and then turn on Bluetooth on your device.
- Forget/delete "Groovz Earbuds" from your device's Bluetooth list and attempt to pair again.
- Place earbuds back in the case, close the lid, wait 10 seconds, then open to reset pairing mode.

No Sound or Low Volume

- Check the volume levels on both your device and the earbuds.
- Ensure earbuds are properly seated in your ears and the correct ear tip size is used.
- Clean any debris from the earbud speakers.

Charging Issues

- Verify the charging cable is securely connected to both the case and the power source.
- Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.

- Try a different USB-C cable or power adapter.
