### 3. SETUP AND INSTALLATION

The BIVOL IM C3510 Toner Cartridge is designed for easy installation. Follow these general steps to replace or install a new cartridge. Specific steps may vary slightly depending on your printer model; refer to your printer's manual for detailed instructions.

1. **Preparation:** Turn off your printer and unplug it from the power source. Open the printer's front cover or access panel to expose the toner cartridge area.
2. **Remove Old Cartridge (if applicable):** Carefully grasp the handle of the old toner cartridge and pull it straight out of the printer. Place it in a protective bag for proper disposal.
3. **Unpack New Cartridge:** Remove the new BIVOL IM C3510 Toner Cartridge from its packaging. Gently shake the cartridge horizontally 5-6 times to distribute the toner evenly.
4. **Remove Protective Seals:** Carefully remove any protective tapes, seals, or covers from the cartridge as indicated in the packaging. Avoid touching the drum or chip.
5. **Insert New Cartridge:** Align the new toner cartridge with the guides inside the printer and push it firmly until it clicks into

place. Ensure it is seated securely.

6. **Close Printer Cover:** Close the printer's front cover or access panel.

7. **Power On:** Plug in the printer and turn it on. The printer will typically perform a self-test or calibration.

If you encounter any difficulties during installation, please refer to the troubleshooting section or contact customer support.

## 4. OPERATING INSTRUCTIONS

Once the BIVOL IM C3510 Toner Cartridge is correctly installed, your printer is ready for operation. This cartridge is designed to deliver excellent print quality for various document types.

- **Clear Printing Effect:** The cartridge provides clear and sharp text and image output. Whether printing documents or pictures, professional quality results are achievable.
- **High Capacity Design:** The high yield design reduces the frequency of cartridge replacement, contributing to efficient workflow in office or home environments.
- **Print Volume:** Expect approximately 40,000 pages for black prints and 28,000 pages for color prints (at 5% coverage on A4 paper).

### PRINTING EFFECT

**BLACK AND WHITE PRINT  
MORE REAL**

## 5. MAINTENANCE

Proper maintenance and storage of your toner cartridge can extend its lifespan and ensure consistent print quality.

- **Storage:** Store unused toner cartridges in a dry and cool place, away from direct sunlight and extreme temperatures. Keep them in their original sealed packaging until ready for use.
- **Handling:** Avoid touching the drum unit or the chip on the cartridge, as oils from your skin can affect print quality.
- **Disposal:** Dispose of empty toner cartridges responsibly according to local regulations. Many manufacturers and retailers offer recycling programs.

## 6. TROUBLESHOOTING

If you encounter any issues with your BIVOL IM C3510 Toner Cartridge, consider the following common solutions:

- **Poor Print Quality (faded, streaky, or uneven prints):**

- Gently shake the toner cartridge horizontally to redistribute the toner.
- Ensure all protective seals and tapes have been completely removed from the cartridge.
- Check printer settings to ensure the correct paper type and print quality are selected.
- Clean the printer's drum unit or fuser assembly if recommended by your printer's manual.

- **Printer Not Recognizing Cartridge:**

- Remove and reinsert the cartridge to ensure it is properly seated.
- Check the cartridge's chip for any damage or debris. Gently wipe the chip with a dry, lint-free cloth.
- Ensure the cartridge is compatible with your specific printer model (Ricoh IM C3510 or IM C3010).
- Restart the printer and your computer.

- **Toner Leakage or Paper Jams:**

- Ensure the cartridge is installed correctly and securely.
- Inspect the cartridge for any visible damage.
- Refer to your printer's manual for instructions on clearing paper jams.

If these steps do not resolve the issue, please contact customer support for further assistance.

## 7. SPECIFICATIONS

Feature	Detail
Brand	BIVOL
Model Number	IM C3510
Compatible Devices	Ricoh IM C3510, Ricoh IM C3010
