# vidaXL LED Headboard with Shelf, Black Oak (Model 863117) - Instruction Manual

Model: 863117

## 1. INTRODUCTION

---

Thank you for choosing the vidaXL LED Headboard with integrated shelf. This modern and functional headboard is designed to enhance your bedroom with its elegant style, versatile LED lighting, and practical storage solutions. Crafted from engineered wood, it offers a sleek design that complements various decor styles. This manual provides essential information for safe assembly, operation, and maintenance of your new headboard.

## 2. SAFETY INFORMATION

---

Please read all safety instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Assembly Required:** This product requires assembly. Ensure all components are present and undamaged before beginning.
- **Adult Assembly:** Assembly should be performed by adults. Keep children away from the assembly area.
- **Use Proper Tools:** Use appropriate tools as indicated in the assembly instructions. Do not overtighten screws.
- **Stable Surface:** Assemble the headboard on a clean, flat, and stable surface to prevent scratching or damage.
- **Weight Limit:** Do not place excessively heavy items on the shelf to avoid structural damage or injury.
- **Electrical Safety:** Ensure the USB power source for the LED lights is compatible with the product's requirements (5V). Do not expose electrical components to moisture.

### 3. PACKAGE CONTENTS

---

Before starting assembly, verify that all parts are included in the package. If any parts are missing or damaged, please contact customer support.

- Headboard panels (engineered wood)
- LED light strip
- USB power cable and controller
- Mounting hardware (screws, dowels, connectors)
- Assembly instructions

### 4. ASSEMBLY INSTRUCTIONS

---

Follow the detailed assembly instructions provided in your package. The general steps are outlined below. It is recommended to have two people for assembly.

#### 4.1. Preparation

1. Clear a spacious area for assembly.
2. Unpack all components and lay them out. Identify each part by comparing it with the parts list in your instruction manual.
3. Gather necessary tools (e.g., screwdriver, hammer).

#### 4.2. Assembling the Main Structure

1. Attach the side panels to the main back panel using the provided screws and dowels.
2. Secure the shelf components to form the integrated storage area.
3. Ensure all connections are tight and stable.

#### 4.3. Attaching the LED Lighting

1. Carefully peel the adhesive backing from the LED light strip.
2. Adhere the LED strip to the designated area on the headboard (usually along the underside of the shelf).
3. Connect the LED strip to the USB power cable and controller.

#### 4.4. Final Placement

1. Position the assembled headboard against the wall or attach it to your bed frame using the appropriate mounting hardware.
2. Plug the USB cable into a compatible 5V USB power adapter (not included) or a USB port.

## 5. OPERATING THE LED LIGHTING

---

The headboard features flexible, multicolour LED lighting to create various ambiances in your room.

### 5.1. Powering On/Off

- Ensure the USB cable is securely connected to a 5V power source.
- Use the inline controller or remote control (if included) to turn the LED lights on or off.

### 5.2. Changing Colors and Modes

- The controller allows you to select different colors and lighting modes (e.g., static, flashing, fading).
- Adjust the brightness and speed of dynamic modes using the dedicated buttons on the controller.

## 6. MAINTENANCE

---

Proper care will ensure the longevity and appearance of your headboard.

- **Cleaning:** Wipe the headboard clean with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the engineered wood finish.
- **Dusting:** Regularly dust the surfaces with a soft, dry cloth.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the material.
- **LED Care:** Do not attempt to disassemble the LED strip. If the lights malfunction, refer to the troubleshooting section.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your headboard, refer to the following common problems and solutions:

- **Difficulty during Assembly:**
  - Ensure all parts are correctly identified and oriented according to the manual.
  - Do not force components together. If parts do not fit, re-check the instructions for correct placement.
  - Verify that you are using the correct screws and hardware for each step.
- **LED Lights Not Working:**
  - Check if the USB cable is securely plugged into both the LED strip and a functional 5V USB power source.
  - Test the USB power source with another device to ensure it is providing power.
  - Ensure the inline controller is not damaged and its buttons are responsive.
  - If a remote control is used, check its battery.

- **Headboard is Unstable:**

- Re-tighten all screws and connections.
- Ensure the headboard is placed on a level surface.
- If attaching to a bed frame, ensure the frame is stable and the mounting hardware is correctly installed.

## 8. SPECIFICATIONS

---

<b>Brand</b>	vidaXL
<b>Model Number</b>	863117
<b>Material</b>	Engineered Wood
<b>Color</b>	Black Oak
<b>Overall Dimensions (L x D x H)</b>	220 x 18.5 x 103.5 cm (86.6 x 7.3 x 40.7 inches)
