MAINTENANCE AND CARE

Cleaning the Screen

Gently wipe the screen with a soft, dry microfiber cloth. For stubborn marks, slightly dampen the cloth with water or a screen-specific cleaning solution (never spray directly onto the screen).

General Care

- Avoid placing heavy objects on the TV.
- Keep the TV away from direct sunlight, heat sources, and excessive moisture.
- Ensure proper ventilation by not blocking the vents on the back of the TV.

TROUBLESHOOTING

If you encounter issues with your iFFALCON TV, refer to the following common solutions:

- **No Power:** Check if the power cable is securely connected to both the TV and the power outlet. Ensure the outlet is functional.
- **No Picture/Sound:** Verify that the correct input source is selected. Check all cable connections (HDMI, etc.) for looseness.
- **Remote Not Responding:** Replace the remote control batteries. Ensure there are no obstructions between the remote and the TV's sensor.
- **Wi-Fi Connection Issues:** Restart your router and modem. Re-enter your Wi-Fi password in the TV's network settings.
- **Poor Picture Quality:** Adjust picture settings (brightness, contrast, sharpness, color). Ensure your content source is high-quality (e.g., 4K content for 4K display).
- **Sound Distortion:** Check audio settings. If using external speakers, ensure they are properly connected and configured.
