Japanese Sushi House Building Block Set

Model: CaDA C66018W

INTRODUCTION

Welcome to the world of CaDA building blocks! This instruction manual provides comprehensive guidance for assembling, operating, and maintaining your CaDA C66018W Japanese Sushi House Building Block Set. This creative city brick kit, featuring 1665 pieces and integrated lights, allows you to construct a detailed traditional Japanese wooden townhouse that uniquely combines old and new design elements.

The finished model is not only an architectural representation of a sushi house but also a reproduction of traditional Japanese culture, designed to offer an engaging creative process and a stunning final display.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.

Please ensure all small parts are kept away from young children to prevent choking. Adult supervision is recommended during assembly, especially for younger builders.

WHAT'S IN THE BOX

- 1665 Building Blocks (various shapes and sizes)
- USB Light Group
- Instruction Manual

SETUP AND ASSEMBLY

Follow the step-by-step instructions provided in the included manual to assemble your Japanese Sushi House. The assembly process is designed to be engaging and rewarding, culminating in a detailed and functional model.

Key Assembly Features:

- **Modular Construction:** The set features an irregular structure and a quick-release mechanism, allowing for easier assembly and access to interior details.
- **Detailed Exterior:** Construct the harmonious blend of simplicity and elegance, including the natural texture of the wood, traditional Japanese architectural elements like the pitched roof, and delicate lattice windows. The front is adorned with a modern-style billboard, blending traditional and contemporary aesthetics.
- **Intricate Interior:** The interior is decorated with elegant traditional Japanese elements, including a low table neatly surrounded by printed cushions, creating an authentic dining experience.
- **Functional Elements:** Assemble the sliding door and the openable wall for interactive play and display.

- **Integrated Lighting:** The included USB light group is designed to illuminate the interior and exterior, enhancing the display of the sushi house. Follow the manual for specific light installation steps.

Figure 4: A composite image illustrating key interactive features of the model, including the functional sliding door and the openable wall for interior access.

OPERATING THE LIGHTS

Your CaDA Japanese Sushi House comes with an integrated USB light group to illuminate the model. Once the assembly is complete and the lights are installed according to the manual:

1. Locate the USB connector attached to the light group.
2. Plug the USB connector into any standard USB power source (e.g., a USB wall adapter, power bank, or computer USB port).
3. The lights inside and outside the sushi house will illuminate, enhancing the visual appeal of your model.

MAINTENANCE

To ensure the longevity and appearance of your CaDA Japanese Sushi House:

- **Cleaning:** Gently wipe the model with a dry, soft cloth to remove dust. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic bricks.
- **Handling:** Handle the model with care, especially when moving it, to prevent parts from detaching.

TROUBLESHOOTING

Missing or Damaged Parts:

If you find any missing or damaged parts upon opening the box, please contact CaDA customer support with details of the missing/damaged pieces and your purchase information. Do not attempt to force ill-fitting parts.

Lights Not Working:

- Ensure the USB connector is securely plugged into a functioning USB power source.
- Check if the power source itself is working correctly (e.g., try plugging in another USB device).
- Verify that all light wires are properly connected within the model as per the assembly instructions.

SPECIFICATIONS

Feature	Detail
Product Dimensions	6.22 x 9.72 x 10.08 inches (15.8 x 24.7 x 25.6 cm)
Item Weight	4.84 pounds
Model Number	CaDA C66018W
Recommended Age	14 years and up
Number of Pieces	1665
Lighting	Integrated USB Lights
