## ANCTOR HK-BC-YN02

# ANCTOR Modern Sideboard Buffet Cabinet with Power Outlet and Wine Storage Instruction Manual

Model: HK-BC-YN02

## 1. Introduction

Thank you for purchasing the ANCTOR Modern Sideboard Buffet Cabinet. This manual provides detailed instructions for the safe assembly, proper operation, and effective maintenance of your new furniture. Please read this manual thoroughly before beginning assembly or use, and retain it for future reference.

This versatile cabinet is designed to enhance your dining room, kitchen, or living space with ample storage, a dedicated wine rack, and a convenient built-in power outlet.

**Image:** The ANCTOR Modern Sideboard Buffet Cabinet, illustrating its overall design and how it appears in a typical home environment.

## 2. Safety Information

To ensure safe use and prevent damage, please observe the following safety guidelines:

- Always follow assembly instructions carefully and in the specified order.
- Keep electrical cords out of reach of children and pets to prevent accidents.
- Do not exceed the maximum weight capacity of **330 pounds (150 kg)** for the entire unit. Distribute weight evenly.
- Exercise caution when handling glass components to avoid breakage or injury.
- Ensure the cabinet is stable and securely placed on a level surface during and after installation to prevent tipping. Consider using anti-tip hardware if provided or recommended.
- Do not allow children to climb on or play with the cabinet.

## 3. Package Contents

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Cabinet Panels (various sizes)
- Assembly Hardware (screws, dowels, cam locks, etc.)
- 2 x Utility Hooks
- Built-in Power Outlet Unit
- Adjustable Shelves
- Glass Doors
- Wine Rack Grid
- Instruction Manual

## 4. Setup and Assembly

Assembly of this cabinet is required. It is recommended that two people assemble the unit to ensure stability and ease of construction. Please prepare a clear, spacious area for assembly.

### 4.1 Tools Required (Not Included)

- Phillips Head Screwdriver
- Hammer (for dowels)
- Allen Key (if not provided, or for better grip)

### 4.2 Assembly Steps

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface to prevent scratches. Refer to the included parts list and diagrams to identify each piece.
2. **Assemble the Base:** Follow the diagrams to connect the base panels using the provided hardware.
3. **Construct the Main Frame:** Attach the side panels and central dividers to the base. Ensure all connections are secure.
4. **Install Shelves and Wine Rack:** Insert the adjustable shelves into the desired positions. Assemble and place the 6-bottle wine grid.
5. **Attach Drawers:** Assemble the drawer boxes and install the drawer slides. Mount the drawers into their designated slots.
6. **Install Glass Doors:** Attach the hinges to the glass doors and then mount the doors to the cabinet frame. Adjust hinges as necessary for proper alignment.
7. **Integrate Power Outlet:** Carefully install the built-in power outlet unit into its designated slot. Ensure the power cord is routed safely and discreetly.
8. **Attach Utility Hooks:** Secure the two matte-black alloy utility hooks to the side of the cabinet as desired.
9. **Final Inspection:** Once assembled, gently move the cabinet to its final location. Ensure it is level and stable. Tighten any loose connections.

## 5. Operating Instructions

### 5.1 Storage Features

The ANCTOR Sideboard Buffet Cabinet offers diverse storage options:

- **Drawers:** Two smooth-gliding drawers are located at the top for organizing smaller items like cutlery, linens, or accessories.
- **Lower Cabinets:** Two lower cabinets with tempered glass doors provide visibility and protection for your items. These cabinets feature reinforced adjustable shelves, allowing you to customize the storage space to fit various dining essentials or kitchen items.
- **Wine Storage:** A central section includes a 6-bottle grid for wine storage and a built-in wine glass holder designed to hold 6 stemware glasses.
- **Utility Hooks:** Two matte-black alloy utility hooks on the side are suitable for hanging towels, aprons, or keys.

**Image:** A close-up view of one of the smooth-gliding drawers, showcasing its capacity for cutlery and small kitchen items.

**Image:** The two matte-black utility hooks attached to the side of the cabinet, demonstrating their use for hanging items like towels or aprons.

## 5.2 Built-in Power Outlet

The cabinet includes a built-in power outlet for convenience:

- **Specifications:** Equipped with 2 AC outlets (125V/12A), 1 USB port, and 1 Type-C port (5V/2A).
- **Usage:** Allows simultaneous charging of electronic devices such as phones and laptops, or powering small kitchen appliances like coffee makers or toasters.
- **Cord Management:** Features hidden cord management to maintain a clutter-free appearance.
- **Safety:** Ensure that the total power draw of connected devices does not exceed the outlet's maximum capacity. Do not use in wet environments.

**Image:** A detailed view of the integrated power outlet, highlighting its 2 AC outlets, USB, and Type-C ports, demonstrating its use for various small appliances and charging devices.

## 6. Maintenance

Proper care will extend the life and appearance of your ANCTOR Sideboard Buffet Cabinet:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish. For glass doors, use a standard glass cleaner.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Hardware:** Periodically check and tighten all assembly hardware to ensure the cabinet remains stable.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Heat and Moisture:** Keep the cabinet away from excessive heat sources and high humidity to prevent warping or damage.

## 7. Troubleshooting

If you encounter any issues with your cabinet, refer to the following common solutions:

- **Cabinet is Wobbly:**
  - Ensure the cabinet is on a level surface.
  - Check all assembly hardware and tighten any loose screws or connections.
- **Drawers Do Not Slide Smoothly:**
  - Verify that the drawer slides are correctly installed and aligned.
  - Ensure no obstructions are in the drawer tracks.
- **Doors Are Misaligned:**
  - Adjust the hinges on the glass doors. Most hinges allow for minor adjustments to align the doors properly.
- **Power Outlet Not Working:**
  - Ensure the cabinet's main power cord is securely plugged into a functional wall outlet.
  - Check if the total power draw of connected devices exceeds the outlet's capacity (125V/12A for AC, 5V/2A for USB/Type-C).
  - If the outlet has a reset button, try pressing it.
- **Missing or Damaged Parts:**
  - Do not attempt to force assembly with incorrect or damaged parts. Contact ANCTOR customer support for replacements.
