Bruni Bruni Basics-Clear 4053664714567

Bruni Screen Protector for Modecom FreeWay CX 9.4 Instruction Manual

Model: Bruni Basics-Clear 4053664714567

1. PRODUCT OVERVIEW

The Bruni Screen Protector is a high-quality, crystal clear protective film specifically designed for the Modecom FreeWay CX 9.4. It offers robust protection against scratches and impacts while maintaining the original display clarity and touch sensitivity. Manufactured in Germany, this film is engineered for easy, bubble-free application and residue-free removal.

Figure 1: Bruni Screen Protector packaging.

Key Features:

- **Accurate Compatibility:** Specifically developed for Modecom FreeWay CX 9.4.
- **Durable Material:** Made of scratch-resistant, highly transparent PET material.
- **Easy Application:** Can be applied easily and without bubbles, and is removable/repositionable.
- **Optimal Adhesion:** Glue-free film ensures no slipping once attached.
- **Touch Optimized:** Unadulterated display of screen contents and full usability on touch displays.
- **Made in Germany:** High-quality manufacturing standards.

BENEFITS

Simple
installation

Sensitive
Touch

Safe and
scratch-resistant

Clear
Colors

Made in
Germany

Maximum
Shatterproof

2. PACKAGE CONTENTS

Please verify that all items listed below are included in your package:

- Bruni Screen Protector (2X)
- Mounting Aid
- Microfiber Cleaning Cloth
- Installation Instructions (printed)

Figure 3: Components included in the package: display protective film, mounting aid, microfiber cloth, and mounting instructions.

3. INSTALLATION GUIDE

Follow these steps carefully for optimal application of your Bruni Screen Protector:

1. **Prepare the Device:** Ensure your Modecom FreeWay CX 9.4 screen is completely clean and free of dust, fingerprints, and smudges. Use the provided microfiber cloth to wipe the screen thoroughly. For best results, clean the screen in a dust-free environment.
2. **Align the Protector:** Carefully peel back a small portion of the protective layer from one end of the screen protector. Align the exposed edge of the screen protector with the corresponding edge of your device's screen. Pay close attention to cutouts for cameras, sensors, or buttons.
3. **Apply and Smooth:** Slowly peel off the rest of the protective layer while simultaneously applying the screen protector to the device. Use the provided mounting aid (or a credit card wrapped in the microfiber cloth) to gently push out any air bubbles towards the edges as you apply. Work from one end to the other to minimize bubble formation.
4. **Final Touches:** Once the screen protector is fully applied, gently press down on the entire surface to ensure complete adhesion. Small bubbles may disappear over 24-48 hours. If large bubbles persist, gently lift the nearest edge of the protector and re-apply, pushing the air out.

SUPER EINFACHE MONTAGE

In nur 3 Schritten. Eine Anleitung liegt dem Lieferumfang bei.

Figure 4: Hands applying a screen protector to a device, demonstrating the super easy installation process.

4. OPERATING INSTRUCTIONS

The Bruni Screen Protector is designed to integrate seamlessly with your Modecom FreeWay CX 9.4, preserving its original functionality.

Touch Sensitivity:

The ultra-thin and highly transparent material ensures that the touch sensitivity of your device's screen remains unaffected. You will experience the same responsive and precise touch interactions as without the protector.

FASTER-TOUCH

Lightning fast, highly sensitive and precise

Figure 5: A finger interacting with a vibrant screen, highlighting the lightning-fast, highly sensitive, and precise touch response.

Display Clarity:

The crystal clear nature of the film ensures that the visual quality of your display, including colors and brightness, is not diminished. Enjoy an unadulterated viewing experience.

Figure 6: A device screen displaying colorful flowers, demonstrating true colors and clear protective film without color attenuation.

5. MAINTENANCE

To maintain the clarity and effectiveness of your screen protector, follow these simple cleaning guidelines:

- Use the provided microfiber cloth or a similar soft, lint-free cloth to gently wipe the screen.
- For stubborn smudges, slightly dampen the cloth with water or a screen-safe cleaning solution. Avoid harsh chemicals or abrasive materials.
- Do not apply excessive pressure when cleaning, as this could potentially dislodge the protector or damage the screen underneath.

Figure 7: A key scratching a screen protector, illustrating the scratch-resistant display protection provided by Bruni technology.

6. TROUBLESHOOTING

Here are solutions to common issues you might encounter during or after installation:

- **Bubbles Under the Protector:**

If small bubbles appear, try to gently push them towards the nearest edge using the mounting aid. For larger bubbles, carefully lift the edge of the protector closest to the bubble and re-apply, smoothing it down as you go. Ensure the screen is clean before re-application.

- **Dust Particles Trapped:**

If dust particles are trapped under the protector, carefully lift the nearest edge of the film. Use a piece of adhesive tape to gently dab the dust particle off both the screen and the underside of the protector. Re-apply the film slowly.

- **Misalignment:**

If the protector is significantly misaligned, it is best to carefully peel it off entirely and re-apply from scratch, ensuring proper alignment from the beginning.

7. SPECIFICATIONS

Attribute	Value
Brand	Bruni
Model Number	Bruni Basics-Clear 4053664714567
Compatible Devices	Modemcom FreeWay CX 9.4
Material	Polyethylenterephthalat
Item Hardness	4H
Color	Basics-Clear
Finish Type	Glossy (Glänzend)
Screen Surface Description	Smooth (Glatt)
Product Dimensions	8.66 x 5.31 x 0.5 inches
Item Weight	1.13 ounces
Manufacturer	atFoliX GmbH
Country of Origin	Germany
Date First Available	April 15, 2025

8. WARRANTY AND SUPPORT

Bruni products are manufactured to high-quality standards.
