IMPORTANT SAFETY INFORMATION

To ensure safe use of your Halitaa Farmhouse Lateral Filing Cabinet, please adhere to the following guidelines:

- **Anti-Tip Device:** Always install and properly secure the included anti-tip device to a wall. This is crucial for stability and preventing accidental tipping, especially when drawers are open or the cabinet is loaded.
- **Drawer Usage:** Do not open all drawers simultaneously. Opening multiple drawers at once can shift the center of gravity and increase the risk of the cabinet tipping over.
- **Weight Distribution:** Distribute weight evenly across all drawers. Avoid placing excessively heavy items in a single drawer or on the top surface without proper balance.
- **Children and Pets:** Keep children and pets away from open drawers. Do not allow them to climb on or play with the cabinet.
- **Stable Surface:** Place the cabinet on a flat, level, and stable surface to prevent wobbling or instability.

Anti-Tip System Design - Wall Attachment Kit

SETUP & ASSEMBLY

Your Halitaa Farmhouse Lateral Filing Cabinet is designed for straightforward assembly. Please follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all numbered parts and hardware listed in the included accessory bag are present.
2. **Review Instructions:** Before beginning, thoroughly read the detailed illustrated instructions provided in the user manual. Familiarize yourself with each step and the corresponding diagrams.
3. **Assembly:** Assemble the cabinet according to the step-by-step instructions. It is recommended to have a clear, spacious area for assembly. Assembly typically takes approximately 30 minutes.
4. **Install Anti-Tip Device:** As a critical safety measure, install the anti-tip device as instructed. Securely attach it to a wall stud or use appropriate wall anchors for your wall type.

OPERATING INSTRUCTIONS

This lateral filing cabinet offers versatile storage solutions for your home or office:

- **File Storage:** The two larger bottom drawers are designed to accommodate Legal, Letter, and A4 size hanging files. Adjust the hanging rods as needed to fit your specific file dimensions.
- **General Storage:** The two smaller top drawers are suitable for storing various office supplies, stationery, or other small items.
- **Printer Stand:** The spacious top surface (31.7"W x 15.75"D) can function as a printer stand, holding most standard printers, scanners, or other office equipment.
- **Versatile Use:** Beyond office use, this cabinet can serve as a vanity, a large nightstand, or general storage for household items like toys, books, or clothes, depending on your needs.

Multifunctional Use

2 Size Drawers - 6 Options for Hanging Folders
Flexible Hanging Rods Accommodates Multiple Sizes File

CARE & MAINTENANCE

To maintain the appearance and longevity of your filing cabinet, follow these care instructions:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the engineered wood.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.

- **Heat and Moisture:** Keep the cabinet away from excessive heat sources and high humidity to prevent warping or damage to the material.
- **Hardware:** Periodically check and tighten all hardware to ensure the cabinet remains sturdy and stable.

TROUBLESHOOTING

If you encounter any issues with your filing cabinet, consider the following solutions:

- **Cabinet Wobbles:** Ensure the cabinet is placed on a level surface. Check that all assembly hardware is securely tightened. If the issue persists, verify the anti-tip device is correctly installed.
- **Drawers Not Level/Smooth:** Recheck the drawer slide installation according to the assembly instructions. Ensure all screws are tightened. Sometimes, minor adjustments to the drawer slides can resolve alignment issues.
- **Difficulty Opening/Closing Drawers:** Ensure drawers are not overloaded. Check for any obstructions within the drawer or along the slides. Lubricating the slides with a silicone-based lubricant (avoid oil-based) can improve smoothness.
- **Missing Parts:** If any parts were missing upon unboxing, refer to the "Warranty & Support" section to contact customer service for assistance.

PRODUCT SPECIFICATIONS

Brand	Halitaa
Model Number	J5V004BS01SL
Color	White
Material	Engineered Wood
Product Dimensions (D x W x H)	15.75"D x 33.27"W x 28.94"H
