2. Safety Information

To ensure safe use and prevent damage, please adhere to the following safety guidelines:

- **Weight Capacity:** Do not exceed the maximum weight recommendation of**180 pounds (81.6 kg)** for the tabletop.
- **Stable Placement:** Always place the coffee table on a flat, level, and stable surface to prevent tipping.
- **Child Safety:** Keep small parts and assembly hardware away from children. Ensure all drawers are properly closed to prevent accidental opening.
- **Assembly:** Follow all assembly instructions precisely. Do not overtighten screws, as this may damage the engineered wood.
- **Electrical Safety (LED):** Ensure the LED lighting system is installed correctly and kept away from water or excessive moisture. Use only the provided power adapter.
- **Moving the Table:** When moving the table, lift it rather than dragging it to prevent damage to the legs and frame.

4. Assembly Instructions

Assembly typically requires two people and approximately 1-2 hours. Please follow the step-by-step diagrams provided in the included assembly guide. Ensure you have ample space and a soft, clean surface to prevent scratching the furniture during assembly.

1. **Unpack and Identify:** Carefully unpack all components and hardware. Lay them out and compare them with the parts list in your assembly guide.
2. **Assemble the Base:** Attach the side panels to the bottom panel using the specified hardware. Ensure all connections are secure.
3. **Install Drawer Slides:** Secure the drawer slides to the designated internal panels of the table frame. Pay attention to the orientation of the slides.
4. **Assemble Drawers:** Construct each of the four drawers by attaching the side, front, and back panels to the bottom panel. Insert the drawer slides onto the assembled drawers.

5. **Integrate Storage Compartments:** Assemble the hidden storage compartment and open shelf sections according to the diagrams, then integrate them into the main table structure.
6. **Attach Tabletop:** Carefully place and secure the tabletop to the assembled base.
7. **Install LED Lighting:** Adhere the LED light strip to the designated area (typically under the tabletop or within the open compartment). Connect the controller and power adapter.
8. **Final Checks:** Ensure all screws are tightened, and the table is stable. Test the drawers for smooth operation.

5. Operating Instructions

5.1. LED Lighting System

The integrated RGB LED lights are controlled via a remote control. Ensure the LED strip is properly connected to the controller and power source.

- **Power On/Off:** Press the power button on the remote to turn the lights on or off.
- **Color Selection:** Use the color buttons on the remote to choose from 16 different colors.
- **Mode Selection:** Select from various dynamic modes such as 3-color jump, 7-color jump, strobe, and gradual fade.
- **Brightness Adjustment:** Use the dimmable settings to adjust the light intensity to your preference.

5.2. Storage Features

The coffee table offers multiple storage options:

- **Hidden Compartment:** The area beneath the tabletop provides discreet storage for blankets, snacks, or electronics.
- **Open Shelf:** An easily accessible open shelf is suitable for books, magazines, or decorative items.
- **Drawers:** Four spacious drawers are ideal for organizing smaller items like remote controls, chess sets, or personal belongings.

6. Maintenance and Care

Proper care will extend the life and appearance of your coffee table:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Clean spills immediately to prevent staining or damage to the engineered wood.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.
- **Hardware:** Periodically check and tighten all assembly hardware to ensure the table remains stable and secure.

7. Troubleshooting

If you encounter any issues with your coffee table, refer to the following common problems and solutions:

- **LED Lights Not Working:**
  - Check if the power adapter is securely plugged into both the wall outlet and the LED controller.
  - Ensure the remote control battery is functional and correctly inserted.
  - Verify that the LED strip is properly connected to the controller.
- **Drawers Not Sliding Smoothly:**
  - Ensure the drawer slides are correctly aligned and installed on both the drawer and the table frame.
  - Check for any obstructions within the drawer tracks.
  - Verify that all screws securing the drawer slides are tightened.
- **Table Feels Unstable:**
  - Re-tighten all assembly hardware.
  - Ensure the table is placed on a completely flat and level surface.
