

JOOLA Nova 500A

JOOLA Nova 500A Outdoor Table Tennis Table User Manual

Model: Nova 500A | Brand: JOOLA

1. INTRODUCTION

The JOOLA Nova 500A is a premium outdoor table tennis table designed for durability and performance in various outdoor environments. Its robust construction, weather-resistant playing surface, and thoughtful features ensure a professional-grade playing experience for both recreational and competitive use.

Key features include:

- Premium weather-resistant design suitable for gardens, patios, or clubs.
- 6mm aluminum composite playing surface for consistent ball bounce in all weather conditions.
- Height-adjustable legs and a massive frame for maximum stability.
- Eight large transport wheels with locking mechanisms for easy mobility and secure positioning.
- Integrated solo playback mode for individual training and a complete net system.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembling and using the table. Failure to follow these instructions may result in injury or damage to the product.

- Adult Supervision:** Children should always be supervised by an adult when near or operating the table.
- Clear Area:** Ensure the playing area is clear of obstacles and sufficient space is available around the table for safe play.
- Locking Wheels:** Always engage the locking mechanisms on the transport wheels when the table is in playing or storage position to prevent accidental movement.
- Folding/Unfolding:** Exercise caution when folding or unfolding the table. Keep hands and fingers clear of pinch points. It is recommended that two adults perform this operation.
- Stability:** Ensure all legs are properly extended and adjusted for height, and the table is stable before use.
- Weight:** The table is heavy (63 kg). Use proper lifting techniques if moving the table without wheels, and seek assistance.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact JOOLA customer support.

- JOOLA Nova 500A Table Halves (2)
- Undercarriage Frame with Wheels
- Net and Post Set
- Assembly Hardware
- Instruction Manual (this document)

4. SETUP AND ASSEMBLY

Assembly is required for the JOOLA Nova 500A table. It is recommended that two adults perform the assembly process. The estimated assembly time is approximately 15 minutes.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.
2. **Attach Undercarriage:** Follow the detailed instructions provided in the separate assembly guide to securely attach the undercarriage frame to the table halves. Ensure all bolts are tightened.
3. **Extend Legs:** Gently unfold the table halves. Extend the legs fully until they lock into position.
4. **Adjust Height:** Use the height-adjustable leg levelers to ensure the table is perfectly level on uneven surfaces.
5. **Lock Wheels:** Engage the locking mechanisms on all eight transport wheels to prevent the table from moving during play.
6. **Install Net System:** Attach the net posts to the designated clamps on the table and secure the net according to the net system instructions.

MOBILITÄT & STABILITÄT FÜR MEHR SICHERHEIT

5. OPERATING INSTRUCTIONS

5.1 Playing Mode

Once assembled and positioned, the JOOLA Nova 500A is ready for play. Ensure the net is taut and the table is stable. The 6mm aluminum composite surface provides excellent bounce for competitive and recreational play.

5.2 Solo Playback Mode

For individual practice, the table can be set into playback mode:

1. Unlock the wheels on one half of the table.
2. Carefully fold up one half of the table vertically. Ensure it locks securely into the upright position.
3. Re-engage the wheel locks on both halves of the table.

5.3 Folding for Storage

The JOOLA Nova 500A features a space-saving design for compact storage:

6. MAINTENANCE

Regular maintenance will extend the life and performance of your JOOLA Nova 500A table.

- **Cleaning the Surface:** Wipe the playing surface with a damp cloth and mild detergent as needed. Avoid abrasive cleaners or solvents that could damage the finish.
- **Frame and Legs:** Periodically check all bolts and screws for tightness. Re-tighten if necessary. Clean the frame with a damp cloth.
- **Wheels:** Keep the wheels free of debris. Lubricate the wheel axles occasionally with a silicone-based spray to ensure smooth movement.
- **Net System:** Clean the net and posts with a damp cloth. Store the net indoors when not in use for extended periods to prolong its life.
- **Storage:** When not in use, especially during harsh weather conditions, store the table in its folded position in a sheltered area to protect it from extreme elements.

7. TROUBLESHOOTING

If you encounter any issues with your JOOLA Nova 500A table, refer to the following common solutions:

- **Table is Unstable:** Ensure all leg levelers are properly adjusted and making firm contact with the ground. Check that all frame bolts are tightened. Verify that the wheel locks are engaged.
- **Difficulty Folding/Unfolding:** Ensure all wheel locks are disengaged before attempting to fold or unfold. Check for any obstructions in the folding mechanism. Do not force the table; if resistance is met, re-check the process.
- **Poor Ball Bounce:** Ensure the playing surface is clean and free of debris. Verify that the table is level.
- **Net is Loose:** Adjust the tension on the net system according to the net's instructions. Ensure the net posts are securely clamped to the table.

If problems persist, please contact JOOLA customer support for further assistance.

8. SPECIFICATIONS
