Xiaomi L75MB-FPEU

Xiaomi TV F Pro 75 User Manual

Model: L75MB-FPEU

INTRODUCTION

The Xiaomi TV F Pro 75 is a 75-inch 4K UHD QLED Smart TV designed to deliver an immersive viewing experience. Featuring a bright QLED 4K screen with motion smoothing technology, a 120Hz Game Boost mode via HDMI, and an elegant ultra-thin metallic frame, this television combines advanced visual and audio capabilities.

It integrates Fire TV for access to a wide range of applications and content, along with Alexa voice control for convenient operation. Enjoy rich, immersive sound with Dolby Audio™, DTS:X, and DTS Virtual:X. The TV also supports Apple AirPlay for seamless content streaming from your Apple devices.

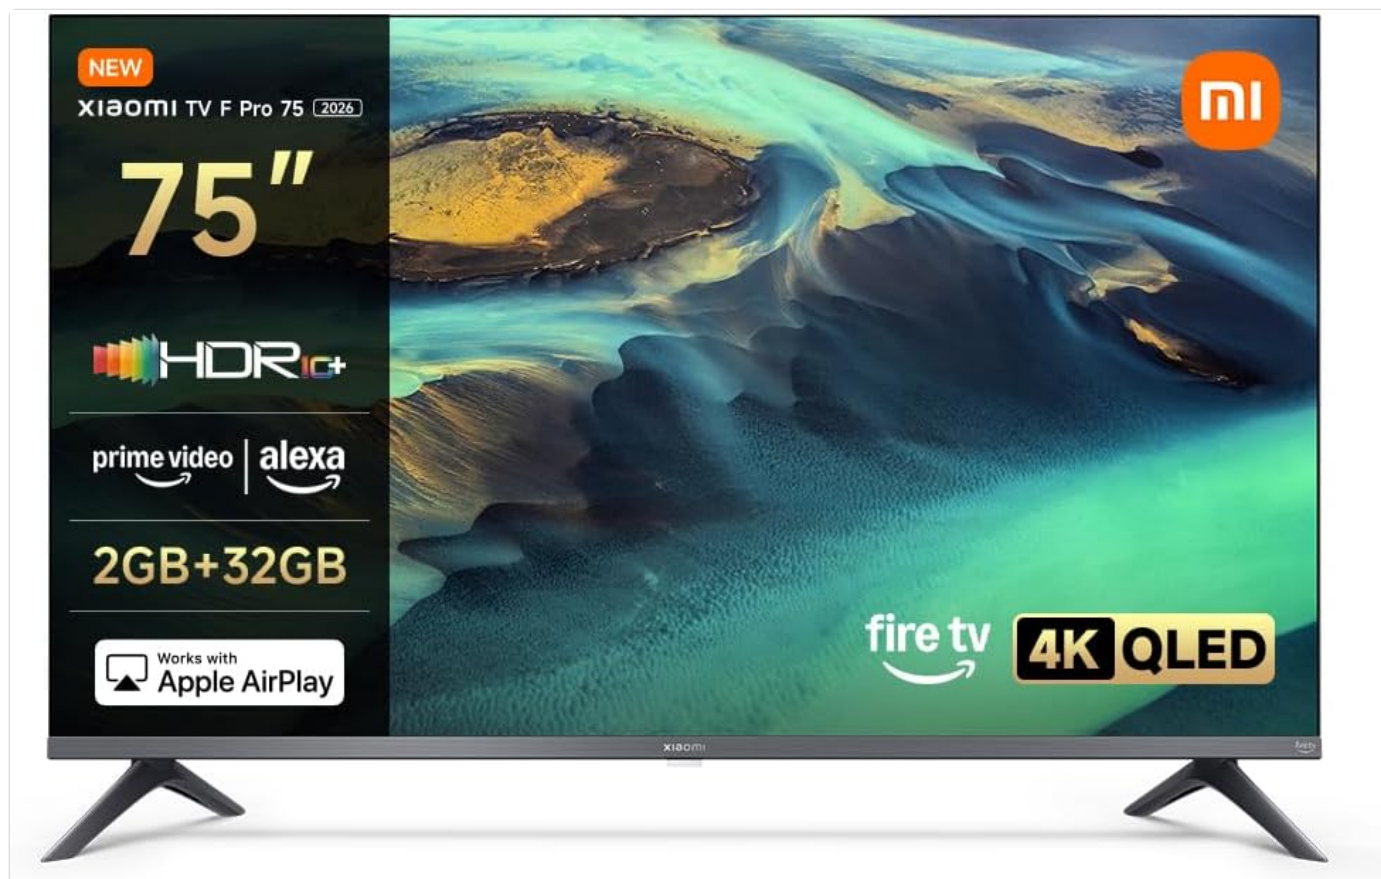

Image: Front view of the Xiaomi TV F Pro 75, showcasing its 75-inch QLED 4K display, Fire TV integration, HDR10+, Alexa voice control, 2GB+32GB memory, and Apple AirPlay compatibility.

SETUP

Unpacking and Initial Placement

Carefully remove the television from its packaging. Ensure you have all components listed in the packing list, including the screen, power cable, safety and installation instructions, stand elements, screw kit, and Bluetooth remote control.

Stand Installation or Wall Mounting

The television offers flexible installation options, either using the included stand or a compatible wall mount (sold separately). The stand is designed to fit various room configurations.

Image: Illustration showing two flexible mounting options for the Xiaomi TV F Pro 75: using the included stand for tabletop placement or wall-mounting for a sleek, space-saving setup.

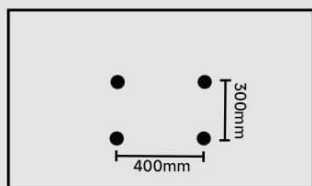

Connecting to Power and Peripherals

Connect the power cable to the TV and then to a power outlet. Connect any external devices such as game consoles, laptops, or sound systems to the available HDMI or USB ports. The TV features 3 HDMI ports and 1 USB port.

Remote Control Pairing

The Bluetooth remote control provides 360° coverage, allowing you to search for content using your voice. Follow the on-screen instructions to pair the remote control with your television during the initial setup process.

Xiaomi TV F Pro 75 2026

Support mural 400 × 300 mm

Poids sans le socle (kg) 18,7 kg
Poids du colis (kg) 29,2 kg

Image: The Xiaomi TV Bluetooth 360° voice remote control, highlighting its ergonomic design and dedicated buttons for popular streaming services and voice commands.

Network Connection

For full Smart TV functionality, connect your television to the internet via Wi-Fi or Ethernet. The TV supports dual-band Wi-Fi for stable and fast wireless connectivity, and Bluetooth 5.0 for connecting compatible devices.

Télécommande vocale Bluetooth 360°

La couverture 360° vous permet de rechercher votre contenu préféré simplement avec votre voix.

Image: Visual representation of the TV's wireless connectivity features, including Bluetooth 5.0 for device pairing and dual-band Wi-Fi for robust internet access.

OPERATING

Fire TV Interface Navigation

The Xiaomi TV F Pro 75 features an integrated Fire TV experience, providing endless entertainment. Navigate through your favorite series and films from Netflix, Prime Video, Disney+, and more. Personalized recommendations help you discover new content easily.

Puce quadcœur

Des performances plus fluides pour une expérience encore plus agréable

Équipé d'un CPU 64 bits et d'un CPU A55 quadricœur, il offre des performances impressionnantes et des temps de réponse plus rapides. Avec 2 Go de RAM et 32 Go de stockage, vous disposez de suffisamment d'espace pour tous vos divertissements.

2 Go + 32 Go
RAM et ROM

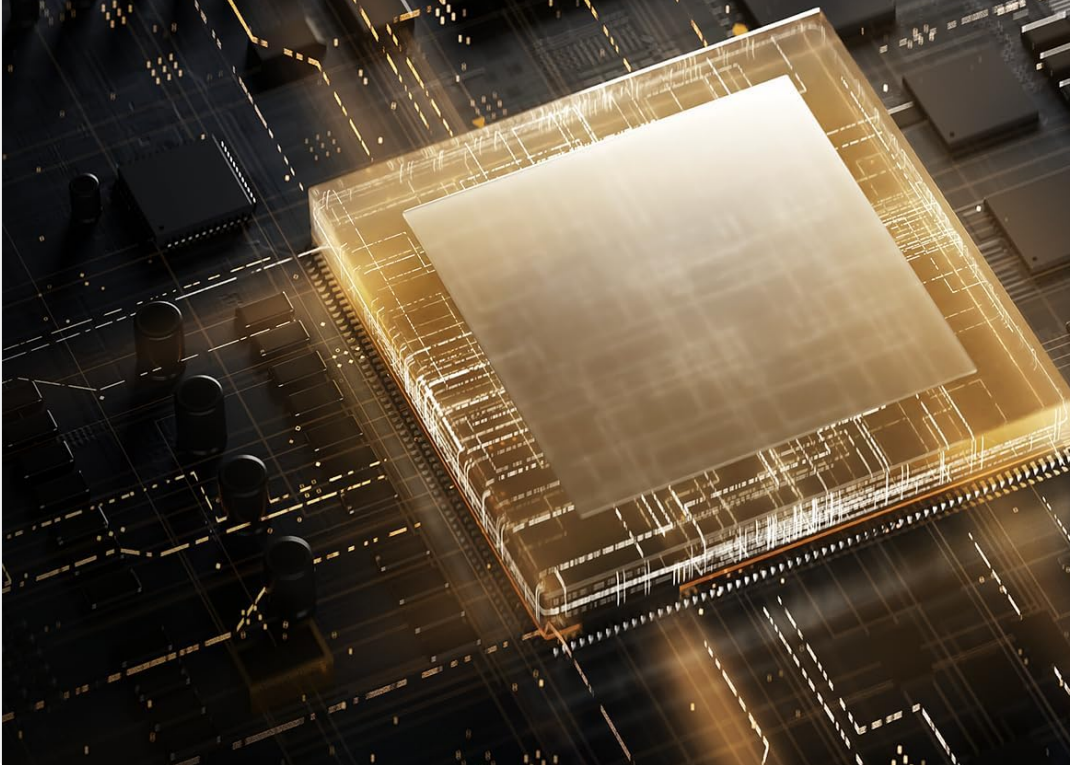

Image: The Fire TV home screen, showing a selection of popular streaming applications like Prime Video, Netflix, and Disney+, along with content recommendations.

Alexa Voice Control

Use the built-in Alexa voice assistant to control your TV. Simply press the Alexa button on your remote and speak your command to find new content, adjust volume, change channels, or manage smart home devices.

Apple AirPlay

Avec Apple AirPlay, vous pouvez diffuser des films, de la musique, des jeux et des photos sur votre téléviseur directement depuis votre iPhone, iPad ou Mac.

* Apple, AirPlay, iPad et iPhone sont des marques commerciales d'Apple Inc., déposées aux États-Unis et dans d'autres pays et régions. Pour utiliser AirPlay avec le téléviseur Xiaomi F Pro 75 2026, la dernière version d'iOS, d'iPadOS ou de macOS est recommandée.

Image: An illustration demonstrating the Alexa voice command feature, where users can speak into the remote to control the TV and access content.

Display and Picture Quality

Experience stunning visuals with the QLED 4K display. The Quantum Dot technology delivers over a billion true-to-life colors, offering deeper blacks, brighter highlights, and an immersive visual experience.

- **4K UHD Resolution:** Enjoy ultra-precise 4K resolution with exceptional detail and clarity.
- **HDR10+ Compatibility:** Dynamic brightness and contrast adjustments for each scene, enhancing dark and bright areas for more realistic colors.
- **Filmmaker Mode:** Activate this mode for an authentic cinematic experience, preserving the director's original vision.
- **MEMC Technology:** High-speed motion estimation and motion compensation eliminate lag and motion blur, providing fluid and uninterrupted viewing for sports and movies.
- **Low Blue Light:** New generation CC dimming technology ensures smooth brightness control and reduces blue light, providing comfortable viewing without eye strain.

MEMC

Des images plus claires et plus fluides

La technologie haute vitesse d'estimation et de compensation de mouvement (MEMC) élimine les décalages et le flou de mouvement, offrant ainsi une expérience de visionnage fluide et ininterrompue lorsque vous regardez du sport et des films.

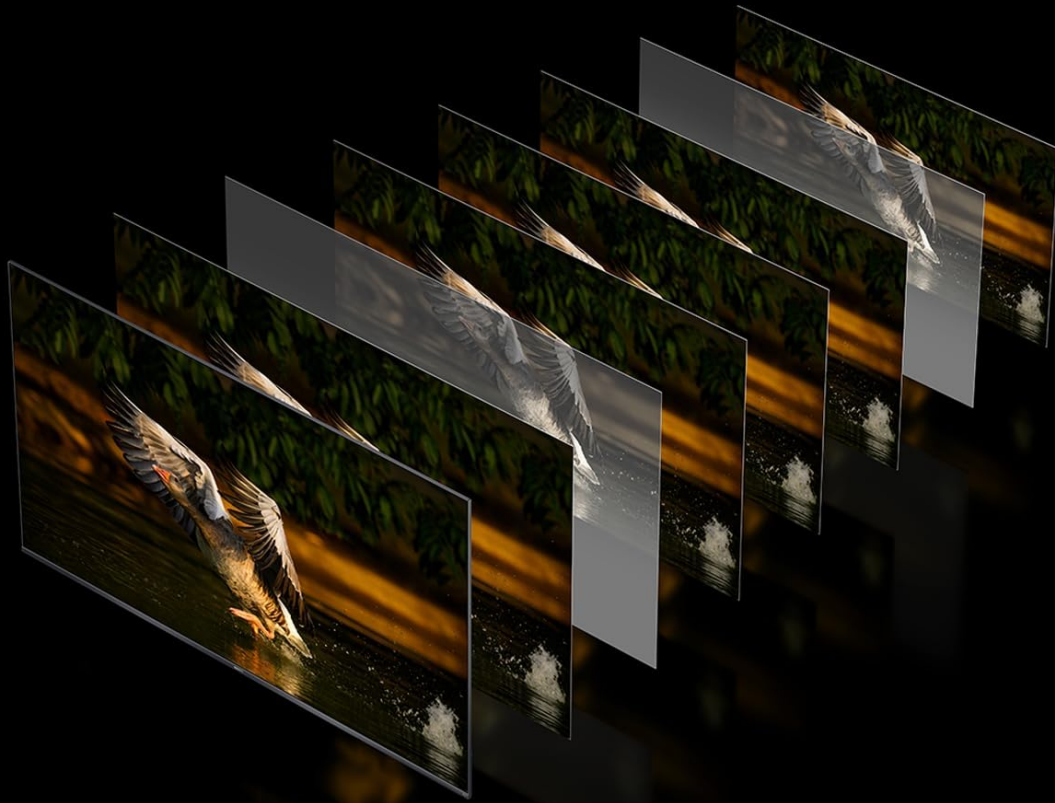

Image: A visual representation of the 4K Ultra HD resolution, emphasizing its ability to reveal the finest details in an image.

Faible lumière bleue Plus de confort oculaire

La technologie de gradation CC de nouvelle génération garantit un contrôle fluide de la luminosité, tout en éliminant le scintillement du rétroéclairage. Le mode confort visuel réduit la lumière bleue, ce qui vous permet de profiter d'images à couper le souffle sans vous fatiguer les yeux.

Mode à faible lumière bleue | Gradation CC

Image: A split-screen comparison demonstrating the enhanced contrast and detail provided by HDR10+ technology in a landscape scene.

Game Boost Mode 120 Hz

For gamers, the TV features a 120 Hz Game Boost mode via HDMI. This enhanced refresh rate ensures smoother and clearer images during fast-paced scenes, providing an improved gaming experience. Note: 120 Hz is only available at 1080p resolution.

Dolby Audio et DTS:X

Double haut-parleur exceptionnel

Grâce à un double haut-parleur puissant offrant des aigus et des basses plus riches, vous pouvez profiter d'une expérience immersive digne d'une salle de cinéma à la maison. Profitez d'un son dynamique et d'une clarté exceptionnelle, pris en charge par la certification Dolby Audio et DTS:X.

Image: A dynamic scene illustrating the smooth motion and rapid image processing enabled by the 120 Hz Game Boost mode, ideal for fast-action gaming.

Audio Experience

The Xiaomi TV F Pro 75 delivers exceptional audio with powerful dual speakers, offering richer treble and bass. Enjoy an immersive, cinema-like sound experience at home, supported by Dolby Audio™ and DTS:X certification.

xiaomi TV+

Profitez de la télévision en direct gratuitement

Accédez à une vaste sélection de contenus premium : actualités, divertissements, télé-réalités, films et bien plus encore*. Partout et à tout moment, sans aucun abonnement.

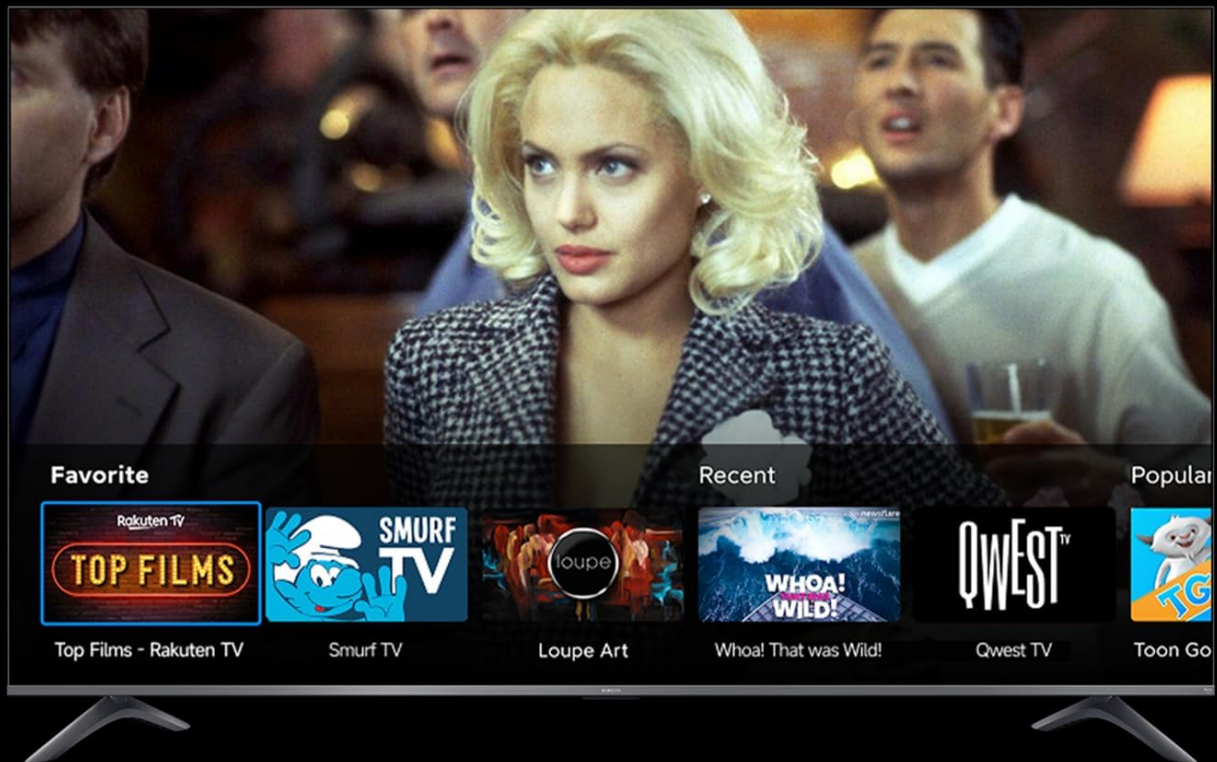

Image: A visual representation of sound waves emanating from the TV, symbolizing the immersive audio experience provided by Dolby Audio and DTS:X technologies.

Apple AirPlay

Stream content effortlessly from your iPhone, iPad, or Mac directly to your television using Apple AirPlay. Share photos, play videos, or mirror your entire screen wirelessly in seconds. Enjoy your favorite content on the big screen without additional devices.

Design métallique

L'incarnation de la qualité

Apportez une touche de sophistication à votre intérieur avec cette fabrication raffinée et cette superbe finition métallique.

Image: An illustration showing an iPhone mirroring its screen content to the Xiaomi TV via Apple AirPlay, demonstrating seamless integration with the Apple ecosystem.

MAINTENANCE

Cleaning the Television

To clean the screen, gently wipe it with a soft, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a screen-cleaning solution specifically designed for electronics. Avoid using harsh chemicals, abrasive materials, or direct spraying of liquids onto the screen.

For the TV frame and stand, use a dry, soft cloth to remove dust. If necessary, a slightly damp cloth can be used, followed by a dry cloth to ensure no moisture remains.

Software Updates

Your Xiaomi TV F Pro 75 may receive periodic software updates to improve performance, add new features, or fix bugs. It

is recommended to enable automatic updates or check for updates regularly through the TV's settings menu to ensure optimal performance and security.

TROUBLESHOOTING

This section provides solutions to common issues you might encounter. If the problem persists, please refer to the warranty and support section for further assistance.

No Power / TV Not Turning On

- Ensure the power cable is securely connected to both the TV and a working power outlet.
- Check if the power outlet is functioning by plugging in another device.
- Press the power button on the TV itself, not just the remote, to rule out a remote issue.

No Picture / Black Screen

- Verify that the correct input source (HDMI 1, HDMI 2, etc.) is selected for your connected device.
- Check all cable connections between the TV and external devices. Try re-seating the cables.
- If using a set-top box or console, ensure it is powered on and functioning correctly.
- Perform a power cycle: unplug the TV from the power outlet for 1 minute, then plug it back in.

No Sound / Poor Sound Quality

- Check the volume level on both the TV and any connected audio devices (soundbar, receiver).
- Ensure the TV is not muted.
- Verify audio cable connections if using external speakers.
- Check the TV's audio output settings (e.g., ensure it's set to external speakers if you're using them).

Remote Control Not Responding

- Replace the batteries in the remote control.
- Ensure there are no obstructions between the remote and the TV.
- Re-pair the Bluetooth remote control by following the instructions in the Setup section or the TV's settings menu.

Network Connection Issues

- Check your Wi-Fi router and modem to ensure they are powered on and working.
- Restart your router and modem.
- Go to the TV's network settings and try reconnecting to your Wi-Fi network.
- If using an Ethernet cable, ensure it is securely connected to both the TV and your router.

SPECIFICATIONS

Below are the key technical specifications for the Xiaomi TV F Pro 75 (Model: L75MB-FPEU).

Feature	Detail
Brand	Xiaomi

Feature	Detail
Model Number	L75MB-FPEU
Screen Size	75 Inches (190 cm)
Display Technology	QLED
Resolution	4K UHD (3840 x 2160 Pixels)
Refresh Rate	60 Hz (120 Hz in Game Boost mode at 1080p)
Operating System	Fire TV
Processor	Quad-core CPU (64-bit A55)
Memory (RAM + ROM)	2GB RAM + 32GB Storage
Connectivity	Bluetooth 5.0, Dual-band Wi-Fi, Ethernet
HDMI Ports	3
USB Ports	1
Audio Features	Dolby Audio™, DTS:X, DTS Virtual:X (2.0 configuration)
Dimensions (L x W x H)	166.8 x 39.1 x 102.7 cm (with stand)
Weight	29.2 kg (with stand)

WARRANTY AND SUPPORT

Manufacturer's Warranty

The Xiaomi TV F Pro 75 comes with a manufacturer's warranty of two years. This warranty covers defects in materials and workmanship under normal use. Please retain your proof of purchase for warranty claims.

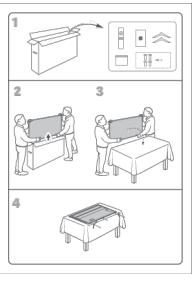

Customer Support

For technical assistance, troubleshooting beyond this manual, or warranty service, please contact Xiaomi customer support. You can typically find contact information on the official Xiaomi website or through the support section of your Fire TV interface.

When contacting support, please have your TV's model number (L75MB-FPEU) and serial number ready. The serial number is usually located on a sticker on the back of the television.
