General Safety Precautions

- Do not allow children to climb on the furniture.
- Do not place heavy objects on top of the chest that could cause it to become unstable.
- Ensure all screws and fasteners are tightened securely during assembly and periodically check for looseness.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all parts and hardware are present. Refer to the detailed parts list included in your product packaging. If any components are missing or damaged, please contact customer support.

4. ASSEMBLY INSTRUCTIONS

This product requires self-assembly. The assembly process is designed to be straightforward with clear, concise instructions provided in the separate assembly guide. Please follow these steps carefully:

1. **Unpack all components:** Lay out all parts on a clean, soft surface to prevent scratches.
2. **Identify hardware:** Separate and identify all screws, dowels, and other hardware using the provided

hardware list.

3. **Follow the step-by-step guide:** Refer to the numbered diagrams and instructions in the assembly manual.
4. **Install anti-tipping device:** Crucially, install the anti-tipping device as instructed to secure the chest to the wall.
5. **Tighten all fasteners:** Ensure all connections are secure but do not overtighten.

For optimal drawer function, ensure that the metal slides are installed correctly and aligned. The ball-bearing slides are designed for smooth operation.

5. USAGE

Drawer Operation

The six drawers are equipped with smooth metal ball-bearing slides, allowing for effortless pushing and pulling. This design ensures easy access to your stored items and a longer service life. The deep drawers provide ample space for organizing clothes, accessories, or other household items.

6. MAINTENANCE

To maintain the appearance and longevity of your Chrangmay Modern 6-Drawer Chest, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a dry cloth. For minor spills or smudges, use a slightly damp cloth and immediately dry with a clean, soft cloth. Avoid harsh chemicals or abrasive cleaners.
- **Protection:** Avoid placing hot items directly on the surface. Use coasters or protective pads as needed.
- **Drawer Slides:** Periodically check the drawer slides for smooth operation. If needed, a small amount of silicone lubricant can be applied to the slides.

7. TROUBLESHOOTING

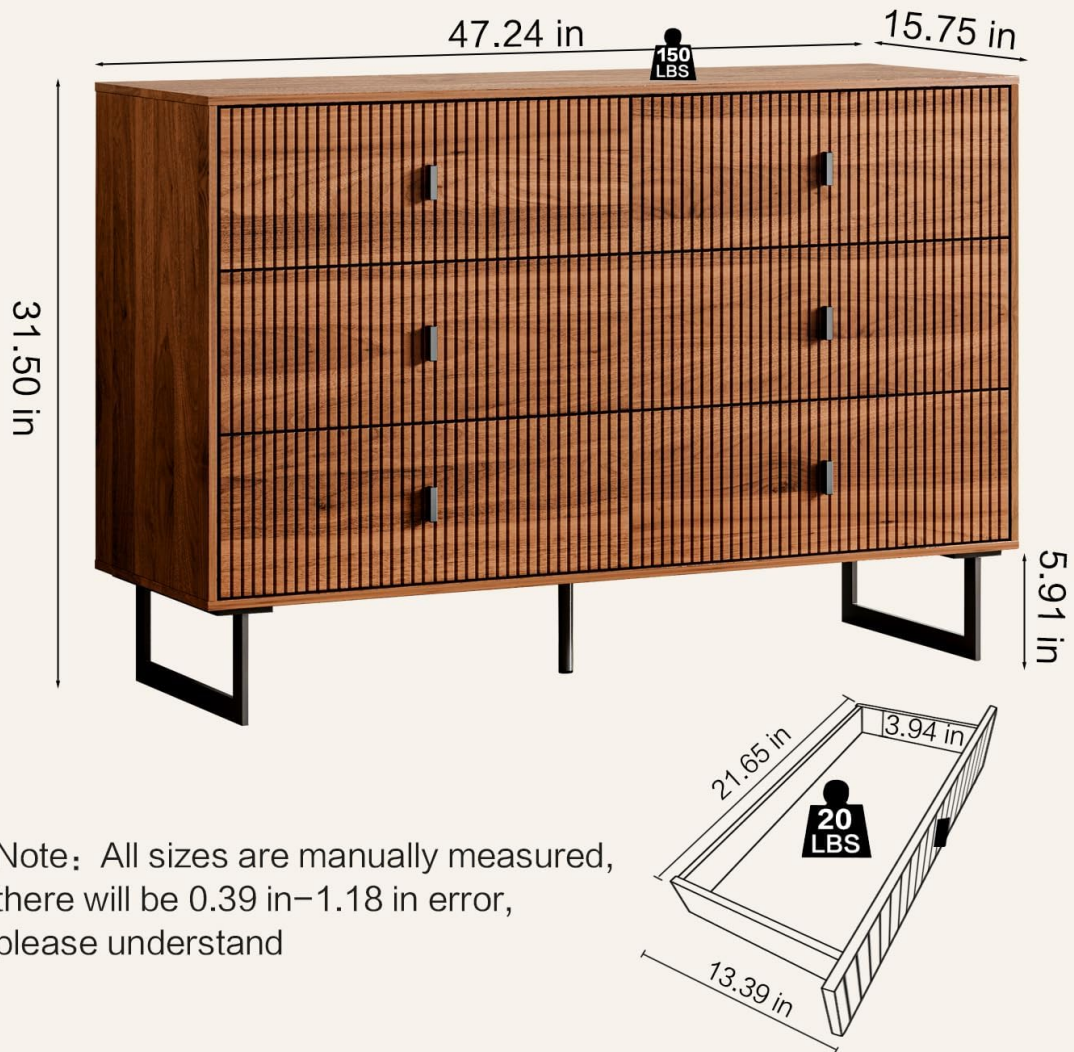

If you encounter any issues with your chest of drawers, consider the following common solutions:

- **Drawers not closing smoothly:** Check if the drawer slides are properly aligned and free from obstructions. Ensure all screws on the slides are tightened.
- **Wobbling:** Verify that all assembly screws are securely tightened. Ensure the chest is placed on a level surface. The metal legs may have adjustable feet to compensate for uneven floors.
- **Missing parts:** If any parts were missing upon delivery, please contact customer support immediately for replacements.
