Chrangmay 524

Chrangmay 47.24 Inch Modern Vanity Desk with Mirror and Lights Instruction Manual

Model: 524 | Brand: Chrangmay

Important Safety Information

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- This vanity desk is heavy and requires a minimum of two people for safe assembly and relocation.
- Keep all electrical components, including the mirror lights and power outlet, away from water or damp environments to prevent electrical shock.
- Do not exceed the recommended weight limit of 150 lbs (68 kg) on the vanity surface.
- Exercise caution when closing drawers to prevent pinching fingers.
- Always unplug the vanity desk from the power source when not in use or during cleaning.
- Ensure all screws and fasteners are securely tightened during assembly and periodically check for tightness during use.

Setup

Package Contents

Verify that all components are present before beginning assembly. Refer to the included assembly manual for a detailed list of parts and hardware.

Assembly Instructions

Assembly of this vanity desk typically requires 3-4 hours with two individuals. Follow the step-by-step instructions provided in the separate assembly manual included with your product. Ensure you have adequate space and the necessary tools before starting.

Placement Considerations

Choose a stable, level surface for the vanity desk. Position it away from direct heat sources, excessive moisture, and areas where it might be easily bumped or tipped. Ensure there is access to a power outlet for the mirror lights and charging station.

Operation

Mirror Lights

The integrated mirror lights offer adjustable color temperature and brightness.

- **Power On/Off:** Lightly touch the power button icon on the mirror surface to turn the lights on or off.
- **Change Color Mode:** With the lights on, short press the power button icon to cycle through three color modes: Cool Light, Warm Light, and Warm Yellow Light.
- **Adjust Brightness:** Long press the power button icon to adjust the brightness level from 10% to 100%. Release when the desired brightness is reached.
- **Power Indicator Light:** In the off mode, long press the switch button to turn off the power indicator light.

Power Outlet and Charging Station

The vanity desk includes an embedded fast charging station for convenience.

- **USB Output:** 1 x 5V/2A USB port for charging compatible devices.
- **Type-C Output:** 1 x 5V/20W Type-C port for faster charging of compatible devices.
- **AC Outlets:** 2 x 125V/12A standard AC power outlets for plugging in appliances.

- **Power Cord:** The unit is supplied with a 6.56 feet power cord.

Storage Features

The vanity desk is designed with multiple storage options to organize your items.

- **Spacious Desktop:** The main surface provides ample space for daily use.
- **Five Drawers:** Includes five drawers for concealed storage of various items.
- **Storage Rack:** An open storage rack on the side provides easy access to frequently used items.
- **Dustproof Cabinet:** A cabinet with a door offers enclosed, dust-protected storage.
- **Detachable Shelf:** The cabinet includes a detachable shelf for flexible organization.

Maintenance

Cleaning

Regular cleaning will help maintain the appearance and longevity of your vanity desk.

- **Tempered Glass Tabletop:** The 4mm tempered glass tabletop is designed for durability and easy cleaning. Use a soft, damp cloth and a mild glass cleaner to wipe the surface. Avoid abrasive cleaners or harsh chemicals that could scratch the glass or damage the finish.
- **Wood Surfaces:** For the oak wood surfaces, wipe with a soft, dry, or slightly damp cloth. Avoid excessive moisture. Do not use silicone-based polishes or cleaners, as they can build up over time.
- **Mirror:** Clean the mirror surface with a soft, lint-free cloth and a non-ammonia glass cleaner. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the edges.

Care

To ensure the longevity of your vanity desk:

- Avoid placing hot items directly on the surface without protection.
- Protect the desk from prolonged exposure to direct sunlight, which can cause fading or discoloration.
- Do not drag heavy objects across the surface to prevent scratches.
- Periodically check and tighten all hardware connections to maintain structural integrity.

Troubleshooting

Mirror Lights Not Working

- **Check Power Connection:** Ensure the vanity desk is securely plugged into a functional wall outlet.
- **Verify Switch Operation:** Confirm you are correctly using the touch sensor to power on the lights.

- **Brightness Setting:** If lights are dim, try adjusting the brightness by long-pressing the touch sensor.

Power Outlets Not Functioning

- **Check Main Power:** Ensure the vanity desk's power cord is fully inserted into a live electrical outlet.
- **Test with Another Device:** Plug a different, known-working device into the outlet to confirm the outlet itself is functional.
- **Overload:** Avoid overloading the outlets. Disconnect some devices and try again.

Drawers Sticking or Not Sliding Smoothly

- **Check Alignment:** Ensure the drawer slides are properly aligned and free of obstructions.
- **Tighten Screws:** Verify that all screws securing the drawer slides to the desk and the drawers themselves are tight.
- **Lubrication:** A small amount of silicone-based lubricant can be applied to the drawer slides if they are stiff.

If you encounter issues not covered here or if troubleshooting steps do not resolve the problem, please contact customer support.
