SETUP

1. Charging the Device

Before first use, fully charge your HIFI WALKER G7. Connect the provided USB Type-C cable to the device and a compatible USB power adapter (not included) or a computer's USB port. The device supports USB 2.0 fast charging. A full charge typically takes approximately 3 hours.

4-inch Screen

The screen is super fast and responsive, and apps launch right away.

- Resolution: 480*800

2. Power On/Off

- **To Power On:** Press and hold the Power button on the side of the device until the screen lights up.
- **To Power Off:** Press and hold the Power button, then select "Power off" from the options that appear on the screen.
- **To Restart:** Press and hold the Power button, then select "Restart" from the options.
- **Screen On/Off:** A short press of the Power button will turn the screen on or off without powering down the device.

3. Initial Device Configuration

Upon first power-on, follow the on-screen prompts to set up your device. This includes selecting your language, connecting to a Wi-Fi network, and configuring basic Android settings. The G7 runs on Android 13, offering a modern and intuitive interface.

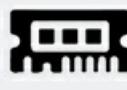

80GB and 144GB for your choice

Huge capacity,
Never run out of space

3RAM

16ROM

4. Expanding Storage and Transferring Files

The HIFI WALKER G7 comes with 16GB of internal storage and supports expandable storage up to 128GB via a MicroSD card (TF card). To transfer music, videos, or other files:

1. Insert a MicroSD card into the TF card slot if you wish to expand storage.
2. Connect the G7 to your computer using the provided USB Type-C cable.

3. On your computer, the device will appear as a removable storage drive.
4. Drag and drop your desired files (music, videos, audiobooks, etc.) into the appropriate folders on the device or MicroSD card.
5. Safely eject the device from your computer before disconnecting the cable.

OPERATING INSTRUCTIONS

1. Touchscreen Navigation

The G7 features a responsive 4-inch IPS touchscreen (480*800 px). Navigate the interface using standard Android gestures:

- **Tap:** Select an item or open an app.
- **Swipe:** Scroll through lists or switch between screens.
- **Pinch-to-Zoom:** Zoom in or out on images and web pages.
- **Long Press:** Access contextual menus or move app icons.

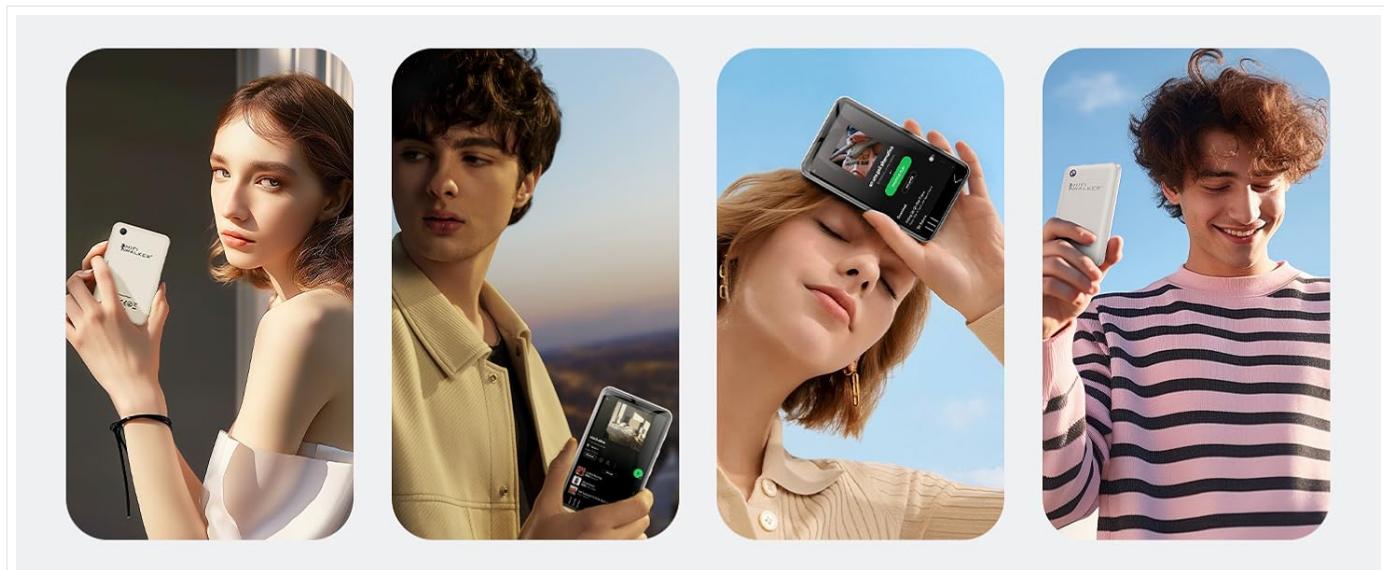

Image: The G7 player's 4-inch full touchscreen in use.

2. Music Playback

The G7 supports various audio formats including MP3, WAV, FLAC, AAC, OGG, WMA, and APE. You can enjoy music through the built-in speaker, wired earphones, or Bluetooth headphones.

- **Pre-installed Apps:** Access popular streaming services like Spotify, Pandora, Amazon Music, Tidal, Deezer, and Apple Music directly from the device.
- **Local Music:** Use the default music player app to scan and play music stored on the device or MicroSD card. Create custom playlists for your convenience.
- **Bluetooth Connectivity:** Pair Bluetooth headphones or speakers via the Settings menu for wireless audio.

Image: The G7 player showing various streaming music applications.

3. Video Playback

The G7 supports most video formats without the need for conversion. Use the pre-installed video player or download other video apps from the Google Play Store.

4. Camera Functionality

The device includes a built-in 5-megapixel camera for capturing photos and videos. Press the dedicated Camera button on the side or tap the Camera app icon to open the camera interface. Tap the shutter button to take a photo or switch to video mode to record.

Image: The G7 player's camera interface.

5. App Management and Parental Controls

The G7 allows you to install new apps and update existing ones via the Google Play Store. For a secure environment, especially for younger users, parental control features are available to manage app downloads and usage. You can also remove unnecessary apps to optimize performance and free up memory.

6. Other Features

- Sound Recorder:** Use the built-in microphone and Sound Recorder app to capture audio.
- Calculator:** A standard calculator app is included for basic calculations.
- FM Radio:** Listen to FM radio stations (requires wired earphones to act as an antenna).
- E-Reading:** Access audiobooks and e-books through preloaded apps like Audible, Libby, and Kindle.

MAINTENANCE

1. Battery Care

- To prolong battery life, avoid fully discharging the device frequently.
- Charge the device using the provided Type-C cable and a compatible power source.

- Avoid exposing the device to extreme temperatures, which can degrade battery performance.

2. Storage Management

- Regularly check available storage in the Settings menu.
- Delete unused apps or files to free up internal memory.
- Utilize a MicroSD card for large media files to keep internal storage clear for system operations.

3. Cleaning

- Wipe the screen and body with a soft, dry, lint-free cloth.
- Avoid using harsh chemicals or abrasive materials.
- Keep ports free of dust and debris.

TROUBLESHOOTING

- **Device Not Powering On:** Ensure the battery is charged. Connect to a charger for at least 15 minutes before attempting to power on again.
- **Device Unresponsive:** If the device freezes, use a thin pin to press the Reset Hole (located on the side) to force a restart.
- **Wi-Fi Connectivity Issues:** Check if Wi-Fi is enabled in Settings. Ensure you are within range of a known network and have entered the correct password. Restarting the device or your router may resolve the issue.
- **Bluetooth Pairing Problems:** Ensure Bluetooth is enabled on both the G7 and the accessory. Place devices close to each other during pairing. If issues persist, try unpairing and re-pairing the device.
- **Poor Battery Life:** Reduce screen brightness, close unused apps running in the background, and disable Wi-Fi/Bluetooth when not in use.
- **Slow Performance:** Clear cache of frequently used apps, uninstall unnecessary applications, and ensure sufficient free storage space.
