2. Safety Information

To ensure safe use of your INNOD Fluted Nightstands, please observe the following guidelines:

- Always follow the assembly instructions provided. Incorrect assembly can lead to instability and potential injury.
- Do not place objects exceeding **30 kilograms (66 pounds)** on the nightstand. Overloading can cause tipping or structural damage.
- Keep small parts and assembly hardware out of reach of children during assembly to prevent choking hazards.
- Ensure the nightstand is placed on a flat, stable surface to prevent wobbling.
- Avoid exposing the furniture to excessive moisture or direct sunlight, which can cause warping or discoloration.
- Periodically check all connections and fasteners to ensure they remain tight. Retighten as necessary.

3. Product Overview

The INNOD Fluted Nightstands are designed to offer both style and functionality. Each nightstand features a modern minimalist design with a pure white finish and natural wood grain elements, including a textured 3D fluted drawer panel.

5. Assembly Instructions

Your INNOD Fluted Nightstands come with all necessary hardware and a detailed assembly guide. A screwdriver is recommended for assembly. Please follow the steps below carefully. It is advisable to assemble the unit on a soft, clean surface to prevent scratches.

Required Tools:

- Phillips Head Screwdriver (not included)

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components and hardware listed in the included assembly guide are present.

2. **Assemble the Base:** Attach the base panels to the side panels using the provided screws and dowels. Ensure connections are secure.
3. **Attach Side Panels:** Connect the remaining side panels to the base and top panel. Use cam locks and pins where indicated for a strong connection.
4. **Install Drawer Slides:** Secure the drawer slides to the interior side panels of the nightstand using the smaller screws. Ensure they are level and aligned.
5. **Assemble the Drawer:** Construct the drawer box by attaching the side, front, and back panels. Insert the bottom panel into the grooves. Attach the fluted drawer front panel.
6. **Install Drawer:** Carefully slide the assembled drawer onto the installed drawer slides. Test for smooth operation.
7. **Final Check:** Once assembled, gently lift and move the nightstand to its desired location. Ensure all screws and fasteners are tight.

6. Operation

The INNOD Fluted Nightstands are designed for straightforward use.

- **Drawer Use:** The drawer operates on smooth slides. To open, gently pull the fluted front panel. To close, push until it is fully seated. Avoid forcing the drawer.
- **Open Storage Shelf:** The lower open compartment provides easy access storage for books, decorative items, or small electronics.
- **Tabletop Surface:** Use the top surface for lamps, alarm clocks, beverages, or other personal items. Always use coasters for drinks to protect the surface.

7. Care and Maintenance

Proper care will extend the life and appearance of your nightstands.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.

- **Spills:** Immediately wipe up any spills to prevent staining or water damage, especially on the wood grain areas. The surface is waterproof, but prolonged exposure to liquids should be avoided.
- **Heat:** Do not place hot items directly on the surface. Use heat-resistant mats or coasters.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.

8. Troubleshooting

If you encounter any issues with your nightstands, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Nightstand is wobbly.	Uneven floor or loose fasteners.	Ensure the nightstand is on a level surface. Check and tighten all assembly screws.
Drawer does not slide smoothly.	Drawer slides are misaligned or obstructed.	Remove the drawer and inspect the slides for any obstructions. Realign the slides if necessary, ensuring they are securely attached and parallel.
Missing parts or damaged components.	Manufacturing defect or shipping damage.	Contact INNOD customer service immediately with your purchase details. Do not attempt to assemble with missing or damaged parts.

9. Warranty and Customer Support

INNOD is committed to providing high-quality products. While specific warranty details are not provided in this manual, most products come with a limited manufacturer's warranty covering defects in materials and workmanship.
For any questions, concerns, or assistance with assembly, missing parts, or product issues, please contact our customer service team. We aim to respond within 24 hours to provide a satisfying solution.
