HOMYEDAMIC 6008

HOMYEDAMIC Oversized Recliner Chair Model 6008 Instruction Manual

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembling and using your recliner chair. Retain this manual for future reference.

- This recliner chair is designed for adults. It is **not suitable** for the elderly, pregnant women, disabled individuals, or people with leg injuries due to the manual footrest closure mechanism.
- The chair is suitable for individuals between 5'2" and 6'0" (158-182 cm) in height.
- The maximum weight capacity for this recliner is **350 lbs (158 kg)**. Do not exceed this weight limit.
- Ensure all components are securely fastened before use. Loose parts can cause instability and injury.
- Keep children and pets away from the recliner mechanism during operation to prevent pinching or injury.

Requires Manual Foot Pedal Closure

2. PRODUCT OVERVIEW

The HOMOYEDAMIC Oversized Recliner Chair Model 6008 offers a comfortable and spacious seating experience with integrated massage features. It features a wide seat, durable fabric, and multiple recline positions.

- **Extra Wide Seat:** Designed with a 28.3-inch (72 cm) wide cushion for enhanced comfort.
- **3 Recline Modes:** Adjustable angles for reading (90°), watching TV (120°), and sleeping (150°). Note that the tilt cannot be fixed and adjusts based on user weight.
- **Massage Pillow:** Includes a flexible massage pillow with 8 massage styles and 3 intensity levels, suitable for lumbar, head, or leg support.
- **Storage Pockets:** Convenient large storage pockets located on the armrests.
- **Design:** Modern and minimalist square backrest design, suitable for various indoor spaces.

3. PACKAGE CONTENTS

Your Homyedamic Oversized Recliner Chair is shipped in two separate boxes. It is possible that these boxes may arrive at different times. Please ensure you have received both packages before beginning assembly.

The packages contain the main chair base, backrest, armrests, and the massage pillow with its remote control. All necessary hardware and tools for assembly are included.

4. ASSEMBLY INSTRUCTIONS

The recliner chair requires assembly. Follow the steps below and refer to the assembly video for visual guidance.

1. Unpack all components from both boxes. Ensure all parts are present and undamaged.
2. Locate the main chair base. The armrests and accessories are typically stored underneath the chair base.
3. Attach the side panels (armrests) to the main chair base using the provided screws and tools. Ensure they are securely fastened.
4. Connect the backrest to the main chair base by aligning the metal brackets and sliding them into place. Ensure the backrest is fully engaged and locked.
5. Attach the massage pillow to the desired position (lumbar, head, or legs) using its flexible design.
6. Connect the massage pillow's power cable to the appropriate port, usually located on the side or back of the chair.

5. OPERATING INSTRUCTIONS

5.1 Reclining the Chair

1. To extend the footrest, locate the pull ring on the right side of the chair (near the armrest). Pull the ring to release the footrest, which will pop up automatically.
2. To recline the backrest, lean back gently while placing your elbows on the armrests. The chair will recline freely to your desired angle (up to 150°). The recline angle is not lockable and depends on your body weight.

5.2 Retracting the Footrest

To retract the footrest, you will need to use leg strength to push it back into place.

1. Sit upright and lean slightly forward.
2. Place both hands on the armrests for support.
3. Use the force of your heels to push the footrest inward and downward until it locks into its closed position.
4. Only stand up from the chair after the footrest is fully retracted.

How do I use the manual recliner?

1. When you pull the pull ring at the corner of the cushion, the footrest will pop up automatically.
2. Place your elbows on the armrests and the chair will recline freely as you lean back.

How to retract the footrest correctly with little effort?

1. Sit forward with your body leaning forward and grasp the armrests with both hands.
2. Press the center of the footrest with your heel, i.e. the position of the white dot in the picture, and the footrest will retract easily.

5.3 Using the Massage Pillow

The included massage pillow offers customizable comfort.

1. Connect the massage pillow to a power source.
2. Use the remote control to select from 8 massage styles and 3 intensity levels.
3. Position the flexible pillow on your lumbar area, head, or legs for targeted massage.
4. Press the ON/OFF button on the remote to start or stop the massage function.

6. MAINTENANCE

Proper care will extend the life of your recliner chair.

- **Cleaning:** For general cleaning, use a soft, damp cloth with mild soap. Avoid harsh chemicals or abrasive cleaners, as they may damage the fabric.
- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub.

- **Vacuuming:** Regularly vacuum the chair to remove dust and debris.
- **Mechanism:** Periodically check all bolts and screws to ensure they are tight. Lubricate moving parts of the reclining mechanism if necessary, using a silicone-based lubricant.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading of the fabric.

7. TROUBLESHOOTING

If you encounter any issues with your recliner, refer to the following common solutions:

- **Footrest not retracting:** Ensure you are applying sufficient leg strength to push the footrest back until it locks. If the issue persists, check for any obstructions in the mechanism.
- **Chair squeaks:** Check all assembly bolts and tighten any that are loose. Apply a small amount of silicone lubricant to the moving parts of the reclining mechanism.
- **Massage pillow not working:** Verify that the massage pillow is properly connected to a power source and that the remote control batteries (if applicable) are functional. Ensure the power button on the remote is pressed.
- **Unstable chair:** Recheck all connections and ensure the chair is assembled correctly according to the instructions. Make sure the chair is placed on a flat, even surface.

If these steps do not resolve the issue, please contact customer support.

8. PRODUCT SPECIFICATIONS

Feature	Specification
