Trio Lighting R64462102

Trio Lighting LINKÖPING R64462102 Ceiling Fan with LED Light and Bluetooth Speaker User Manual

Model: R64462102

1. INTRODUCTION

Thank you for choosing the Trio Lighting LINKÖPING R64462102 Ceiling Fan. This versatile device combines an efficient ceiling fan with an integrated LED light, offering RGB color change, dimming capabilities, a night light mode, and a Bluetooth speaker. Designed for medium-sized rooms, it provides refreshing airflow, customizable lighting, and ambient music. All functions are easily controlled via the included remote control, ensuring a harmonious blend of light, air, and sound.

2. IMPORTANT SAFETY INSTRUCTIONS

Please read all instructions carefully before installation and use. Retain this manual for future reference.

- **Electrical Safety:** Installation must be performed by a qualified electrician in accordance with all local and national electrical codes. Ensure the power supply is disconnected at the circuit breaker before installation or maintenance.
- **Mounting:** The mounting structure must be capable of supporting the weight of the fan (2.28 kg) plus any additional stress from operation.
- **Blade Clearance:** Ensure there is adequate clearance between the fan blades and any objects or walls to prevent injury or damage.
- **Cleaning:** Always disconnect power before cleaning. Use a soft, damp cloth. Do not use abrasive cleaners.
- **Light Source:** This product contains a light source with energy efficiency class F. The light source is replaceable by a professional.
- **Children and Pets:** Keep children and pets away from the fan during operation and installation.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged:

- LINKÖPING R64462102 Ceiling Fan Unit
- Remote Control
- Mounting Hardware

- User Manual (this document)

4. INSTALLATION GUIDE

Professional installation by a qualified electrician is recommended.

1. **Prepare for Installation:** Turn off power at the main circuit breaker. Ensure the power is completely disconnected before proceeding.
2. **Mounting Bracket Installation:** Secure the mounting bracket to a ceiling joist or a suitable electrical junction box capable of supporting the fan's weight. Use the provided mounting hardware.
3. **Wiring Connections:** Connect the fan's electrical wires to the household wiring according to the wiring diagram provided in the separate installation sheet (if applicable) or by a qualified electrician. Ensure all connections are secure.
4. **Attach Fan Unit:** Carefully lift the fan unit and attach it to the mounting bracket. Ensure it is securely fastened.
5. **Final Checks:** Double-check all connections and ensure the fan is securely mounted. Restore power at the circuit breaker.

5. OPERATION

The LINKÖPING R64462102 is controlled using the included remote control.

RL

live your light

Image: Icons representing the various functions controllable by the remote, including fan speed, timer, light dimming, color temperature, RGB, night light, and Bluetooth.

5.1. Fan Functions

- **Speed Control:** The fan offers 3 speed settings (low, medium, high) to adjust airflow.
- **Timer Function:** Set a timer for the fan to automatically turn off after a specified period.
- **Summer/Winter Mode:**
 - **Summer Mode (Counter-clockwise rotation):** Directs airflow downwards to create a refreshing breeze.
 - **Winter Mode (Clockwise rotation):** Generates an upward airflow to distribute warm air more evenly

throughout the room.

5.2. Light Functions

- **Dimming:** The light can be continuously dimmed to your desired brightness. Maximum brightness is 5600 lumens.
- **Color Temperature Adjustment:** Adjust the color temperature from warm white (2700 Kelvin) to cool white (6500 Kelvin).
- **RGB Color Change:** Activate RGB colors and a color change mode to create various ambient lighting effects.
- **Night Light Mode:** A dedicated setting for a soft, low-intensity light suitable for nighttime.
- **Memory Function:** The lighting retains the last set mode after being switched off with the remote control, automatically restoring your preferred light effect.

5.3. Bluetooth Speaker

- **Pairing:** Activate Bluetooth on your mobile device and search for the fan's Bluetooth name (e.g., "LINKÖPING Audio"). Select to pair.
- **Audio Playback:** Once paired, you can play your favorite music through the integrated Bluetooth speaker.

6. MAINTENANCE AND CARE

Regular maintenance ensures optimal performance and longevity of your ceiling fan.

- **Cleaning:** Always turn off the power at the circuit breaker before cleaning. Use a soft, dry, or slightly damp cloth to wipe down the fan's exterior. Do not use harsh chemicals, abrasive cleaners, or solvents, as these can damage the finish.
- **Dust Removal:** Periodically remove dust from the fan blades and grille to maintain efficient airflow and prevent dust buildup.
- **Light Source Replacement:** The light source in this product is designed to be replaceable by a professional. Do not attempt to replace it yourself.

7. TROUBLESHOOTING

If you encounter issues with your LINKÖPING R64462102, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fan does not operate.	No power supply; Remote control battery low/dead; Incorrect wiring.	Check circuit breaker; Replace remote control batteries; Consult a qualified electrician to check wiring.
Light does not turn on.	No power supply; Remote control battery low/dead; Light mode not selected.	Check circuit breaker; Replace remote control batteries; Ensure light function is activated on the remote.

Problem	Possible Cause	Solution
Remote control not responding.	Batteries are dead or incorrectly inserted; Obstruction between remote and fan.	Replace batteries, ensuring correct polarity; Remove any obstructions.
Bluetooth speaker not connecting.	Bluetooth not enabled on device; Fan not in pairing mode; Device already paired with another speaker.	Ensure Bluetooth is enabled on your device; Try restarting the fan and your device; Disconnect from other Bluetooth devices.

If the problem persists after attempting these solutions, please contact customer support.
