

ODK B21030101001DDMDVETDIH372

ODK Coiffeuse with Mobile LED Mirror, USB Outlets & RGB Light Strip

Model: B21030101001DDMDVETDIH372

1. INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your ODK Coiffeuse. Please read this guide thoroughly before assembly and use to ensure safe and correct operation. This dressing table features a mobile LED mirror with adjustable lighting modes, integrated USB and AC power outlets, an RGB light strip, and extensive storage solutions.

2. SAFETY INFORMATION

Attention: Read the instructions carefully before assembling the dressing table. Note the potential dangers of sharp edges or pinch points during assembly. Only use the dressing table when it is fully assembled and secure. Observe the weight capacity of the dressing table and do not overload it. Avoid contact with water and electrical components to prevent electric shock.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact ODK customer service.

- Dressing Table Components (panels, frame parts)
- LED Mirror Unit
- RGB LED Light Strip
- Power Adapter and Integrated Outlet Unit
- Assembly Hardware (screws, dowels, tools)
- Fabric Drawers (8 units)
- Stool
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

The ODK Coiffeuse requires assembly. Detailed illustrated instructions and all necessary hardware are included in the package for quick installation. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out. Compare them with the parts list in the included assembly guide.
2. **Assemble the Frame:** Follow the step-by-step diagrams to connect the main frame components using the provided hardware.
3. **Attach Panels and Shelves:** Secure the table surface, side panels, and upper shelving unit.
4. **Install Drawers:** Insert the fabric drawers into their designated compartments.
5. **Mount the Mirror:** Position and secure the LED mirror unit according to the instructions.
6. **Connect Electrical Components:** Install the integrated power outlet unit and connect the LED mirror and RGB light strip to the power source. Ensure all connections are secure.
7. **Final Checks:** Verify that all screws are tightened and the unit is stable before use.

Image Description: This diagram illustrates the overall dimensions of the ODK Coiffeuse, measuring 110cm in width, 40cm in depth, and 137cm in height. It also shows the dimensions of the accompanying stool and the fabric drawers, providing a clear overview of the product's size and individual components.

5. OPERATING INSTRUCTIONS

5.1. LED Mirror Operation

The ODK Coiffeuse features a square LED mirror (46 x 40 cm) with dimmable lights and three color modes.

- **Power On/Off:** Press the touch button on the mirror to turn the LED lights on or off.
- **Change Color Mode:** Short press the touch button to cycle through the three color modes: warm tone (evening glam), neutral daylight (natural makeup), and cool light (precision contouring).
- **Adjust Brightness:** Long press the touch button to adjust the brightness level within the selected color mode.

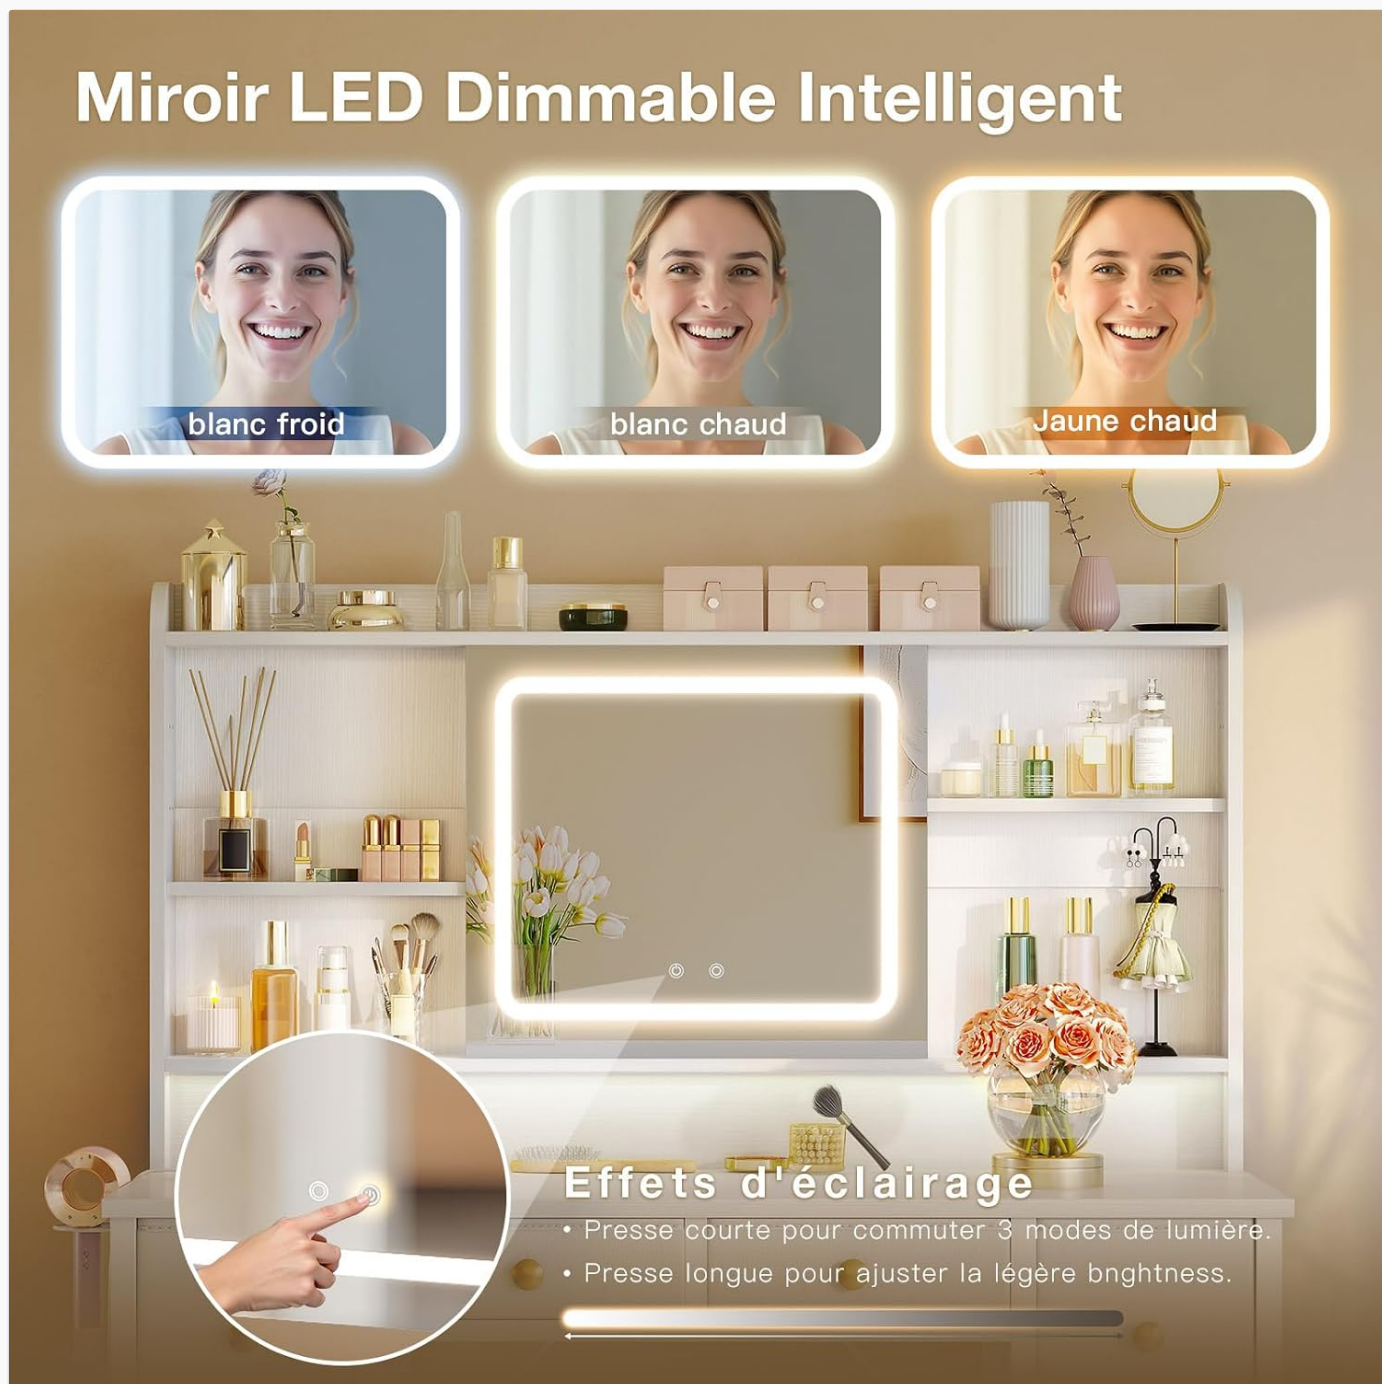

Image Description: This image highlights the intelligent dimmable LED mirror, showcasing its three distinct lighting modes: cool white, neutral white, and warm yellow. It also illustrates the touch controls on the mirror for short pressing to switch between light modes and long

pressing to adjust brightness.

5.2. Integrated Power Outlets

The dressing table includes a built-in power strip with 2 AC outlets and 2 USB ports for convenient charging and powering of electronic devices.

- **AC Outlets:** Use the 2 AC 220V/10A outlets for devices such as hair dryers, curling irons, or other small appliances. Ensure the total power consumption does not exceed 2200W.
- **USB Ports:** Use the 2 USB 5V/2A ports to charge smartphones, tablets, or other USB-powered devices.

Image Description: This image focuses on the integrated power strip, showing two AC outlets and two USB ports built into the dressing table. A smartphone is shown charging via USB, and a hair dryer is plugged into an AC outlet, demonstrating the convenience of having power access directly on the vanity.

5.3. RGB LED Light Strip

An adjustable RGB LED light strip is integrated into the dressing table, offering customizable ambient lighting.

- **Control:** Use the provided remote control to manage the RGB light strip.
- **Static Colors:** Select from 10 static color options to match your mood or room decor.
- **Dynamic Modes:** Choose from 10 dynamic modes for various lighting effects.
- **Brightness/Speed:** Adjust the brightness of static colors or the speed of dynamic modes using the remote.

Image Description: This image illustrates the RGB LED light strip feature, displaying the strip emitting different colors. It also shows the remote control with clearly labeled buttons for selecting static colors, dynamic modes, and adjusting the speed or brightness of the lights.

5.4. Mobile Mirror Functionality

The mirror unit is designed to be mobile, allowing you to slide it horizontally to reveal additional storage space behind it.

- **Access Hidden Storage:** Gently slide the mirror to the left or right to access the hidden storage compartment located directly behind it. This helps to keep items dust-free and out of sight.

Miroir de maquillage mobile

Augmenter l'espace de stockage et éviter la poussière

Image Description: This diagram demonstrates the mobile makeup mirror feature. It shows the mirror unit sliding horizontally to either side, revealing a hidden storage area behind it. Arrows indicate the direction of movement, highlighting how this design increases storage space and helps protect items from dust.

6. MAINTENANCE

Proper care will ensure the longevity and appearance of your ODK Coiffeuse.

- **Cleaning Surfaces:** Wipe the table surfaces with a damp cloth for general cleaning. For a streak-free finish, follow with a dry cloth.
- **Mirror Cleaning:** Use a soft, lint-free cloth and a glass cleaner specifically designed for mirrors. Avoid spraying cleaner directly onto the mirror; instead, apply it to the cloth first.
- **Electrical Components:** Ensure the power outlets and LED components are kept dry. Do not use liquid cleaners directly on electrical parts.
- **Drawer Care:** The fabric drawers can be spot cleaned with a mild detergent and damp cloth. Allow them to air dry completely.

- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight and secure.

7. TROUBLESHOOTING

If you encounter any issues with your ODK Coiffeuse, refer to the following common problems and solutions:

- **LED Mirror Lights Not Working:**
 - Check if the power adapter is securely plugged into a working wall outlet and the dressing table.
 - Ensure the mirror's touch button is pressed correctly.
- **Power Outlets/USB Ports Not Functioning:**
 - Verify the main power connection to the dressing table.
 - Ensure the total power load does not exceed 2200W for AC outlets.
 - Test with a different device to rule out device-specific issues.
- **RGB Light Strip Not Responding:**
 - Check the connection of the RGB strip to the power source.
 - Ensure the remote control has working batteries and is pointed correctly at the receiver.
- **Table Feels Unstable After Assembly:**
 - Re-check all assembly steps and ensure all screws are fully tightened.
 - Ensure the table is placed on a flat, even surface. The anti-slip feet should provide stability.

If problems persist, please contact ODK customer support for further assistance.

8. SPECIFICATIONS

Feature	Detail
Brand	ODK
Model Number	B21030101001DDMDVETDIH372
Product Dimensions (L x W x H)	110 x 40 x 136.5 cm
Item Weight	29 Kilograms
Color	White
Material	Particle Board, Metal Frame
Assembly Required	Yes
Care Instructions	Wipe with a damp cloth, Wipe with a dry cloth
LED Mirror Size	46 x 40 cm (approx.)
