1. PRODUCT OVERVIEW

The ChooChoo Espresso Bathroom Floor Cabinet (Model SC2404-BR) is a versatile and modern storage solution designed to enhance organization in various rooms of your home. Featuring a sleek espresso finish and metal handles, this freestanding cabinet offers ample storage with adjustable shelves and a durable, moisture-resistant construction.

Key Features:

- **Ample Storage Space:** Equipped with upper and lower cabinets, each featuring adjustable shelves with 5 height options. This allows for flexible storage of items like towels, toiletries, cosmetics, and other essentials of varying sizes.
- **Versatile Design:** The double-wire door design and espresso finish with metal handles provide an elegant and functional aesthetic that complements various interior decors. Suitable for bathrooms, living rooms, kitchens, and entryways.
- **Durable & Moisture-Resistant:** Constructed from high-quality MDF and coated with water-based, eco-friendly paint, ensuring longevity, resistance to moisture, and ease of cleaning. Ideal for humid environments such as bathrooms.
- **Safe and Stable Construction:** Features a reinforced base and a well-built structure for enhanced stability. Built-in magnetic door closures ensure doors remain securely shut, keeping contents safe and adding convenience. An anti-tip device is included for added safety.

2. SETUP & ASSEMBLY

The ChooChoo Espresso Bathroom Floor Cabinet is designed for hassle-free assembly. All necessary parts are labeled, and clear instructions are provided to guide you through the process. Assembly is required.

Assembly Instructions:

Refer to the included instruction manual for detailed step-by-step diagrams and guidance. Ensure all parts are present before beginning assembly. An anti-tip device is included and should be installed for enhanced safety.

3. OPERATING INSTRUCTIONS (USAGE)

This freestanding storage cabinet is designed for versatile use across various rooms, providing organized storage for a multitude of items.

Adjusting Shelves:

The cabinet features adjustable shelves with 5 height options. To adjust a shelf, remove all items from the shelf, lift the shelf, and reposition the shelf pins to your desired height. Ensure the shelf is securely seated on all four pins before placing items back.

Magnetic Door Closures:

The built-in magnetic door closures ensure that the cabinet doors remain securely closed, keeping your stored items protected and tidy. Gently push the doors to engage the magnetic latch.

Versatile Placement:

While ideal for bathrooms to store toiletries and towels, this cabinet can also serve as a pantry in the kitchen, a storage unit in the living room, or an organizational piece in an entryway or bedroom. Its compact design allows it to fit into various spaces.

4. MAINTENANCE

To ensure the longevity and appearance of your ChooChoo Bathroom Floor Cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the painted finish.
- **Moisture Protection:** Although the cabinet is moisture-resistant, it is recommended to wipe away any standing water or spills promptly to prevent long-term damage, especially in humid environments like bathrooms.
- **Hardware Check:** Periodically check all screws and fittings to ensure they are tight. Tighten any loose hardware to maintain stability and structural integrity.

5. TROUBLESHOOTING

If you encounter any issues with your ChooChoo Bathroom Floor Cabinet, please refer to the following common solutions:

- **Wobbly Cabinet:** Ensure all screws are fully tightened. If wobbling persists, verify that the anti-tip device is correctly installed and secured to the wall.
- **Uneven Doors:** If doors appear uneven after assembly, check the hinge alignment. Minor adjustments to the hinge screws can often correct this. Also, ensure the magnetic door catches are properly positioned.
- **Items Not Fitting:** Remember that the shelves are adjustable. If certain items do not fit, try repositioning the shelves to accommodate taller or wider objects.
- **Odor:** A new furniture odor may be present upon unboxing. This is typically from the protective coating and is not harmful. It should dissipate within a few days to a week in a well-ventilated area.

6. SPECIFICATIONS
