Aitjunz LDQMFJ8D-NA-AZ

Aitjunz Modern 8-Drawer Dresser

Model: LDQMFJ8D-NA-AZ

1. INTRODUCTION

Thank you for choosing the Aitjunz Modern 8-Drawer Dresser. This dresser features a contemporary curved profile design and offers substantial storage with its eight drawers. Crafted from durable MDF and P2 engineered wood, it is designed for stability and longevity. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use of your new furniture.

2. SAFETY INFORMATION

- Always assemble the dresser on a soft, clean surface to prevent scratches.
- Ensure all hardware is securely tightened before use. Periodically check and retighten as necessary.
- **Tip-Over Prevention:** This dresser must be securely anchored to a wall using the provided anti-tip hardware. Failure to do so can result in serious injury or death.
- Do not allow children to climb on or play with the dresser.
- Distribute weight evenly in drawers to prevent tipping.
- Keep small parts and packaging materials away from children.

3. PACKAGE CONTENTS

Verify that all components and hardware are present before beginning assembly. Refer to the included parts list in your package

for detailed identification.

4. ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults. Each part is labeled with a serial number for easy identification. A packet of spare parts is included in case hardware is lost during assembly. Follow the steps below carefully.

4.1. Prepare the Base Frame

Begin by assembling the base frame of the dresser. Ensure all wooden dowels and screws are securely fastened as per the diagram.

Image 2: Detailed product dimensions and maximum load capacities for drawers (20 lbs) and tabletop (130 lbs).

4.2. Install Drawer Slides

Attach the drawer slides to the side panels and internal support panels. Ensure they are aligned correctly for smooth drawer operation.

4.3. Construct the Main Body

Connect the assembled side panels and internal supports to form the main structure of the dresser. Use the provided cam locks and screws to secure all connections.

4.4. Assemble Drawers

Assemble each of the eight drawers individually. Attach the drawer slides to the drawer boxes. The dresser includes six medium drawers (16.53" W × 13.77" D × 5.11" H) and two large drawers (25.55" W × 13.77" D × 5.11" H).

4.5. Insert Drawers and Attach Back Panel

Carefully insert the assembled drawers into their respective slots. Finally, attach the back panel to the dresser using the small

nails provided.

4.6. Install Anti-Tip Hardware

For safety, attach the anti-tip hardware to the top rear of the dresser and secure it to a wall stud. Follow the specific instructions provided with the anti-tip kit.

5. OPERATING INSTRUCTIONS

The Aitjunz dresser features a handleless design for a clean aesthetic. To open a drawer, gently pull from the bottom edge of the drawer front. The smooth sliding mechanisms ensure effortless opening and closing without sticking.

6. MAINTENANCE AND CARE

- **Cleaning:** Wipe the dresser surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that could damage

the finish.

- **Spills:** Immediately wipe up any spills with a dry cloth to prevent moisture damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.
- **Humidity:** Maintain a stable room temperature and humidity level to prevent warping or cracking of the wood.
- **Hardware:** Periodically check all screws and fasteners and tighten them if necessary to maintain stability.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Misaligned drawer slides or loose screws.	Check alignment of slides and tighten all screws on the drawer and cabinet slides. Ensure no obstructions are in the way.
Dresser feels unstable or wobbly.	Loose assembly hardware or uneven floor.	Verify all assembly screws are tightened. Adjust furniture levelers if present, or place shims under the base on uneven floors. Ensure anti-tip hardware is installed.
Drawer does not close completely.	Overloaded drawer or obstruction.	Remove items from the drawer to check if it closes. Ensure nothing is blocking the drawer from the back or sides.
