## 1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Two-Person Assembly:** For safety and ease of assembly, it is recommended that two adults assemble this dresser.
- **Anti-Tip Kit:** Always install the included anti-tip kit to prevent accidental tipping, especially in households with children.
- **Weight Limits:** The maximum tabletop load is 130 lbs. Each drawer can hold up to 20 lbs. Do not exceed these limits.
- **Tool Usage:** While a power drill can expedite assembly, use caution and hand-tighten screws to avoid stripping holes or cracking wood.
- **Placement:** Place the dresser on a flat, stable surface.

## 2. SETUP AND ASSEMBLY

Your Aitjunz dresser is designed for straightforward assembly. All parts are clearly labeled with serial numbers, and a packet of spare hardware is included. Follow the pictorial instructions provided in the separate assembly guide.

### Package Contents Overview

Before starting, ensure all components listed in the assembly guide are present and undamaged. The assembly video below provides a visual guide to the package contents and initial steps.

### **Assembly Tips**

- Lay out all parts on a soft, clean surface to prevent scratches.
- Use a power drill with caution for screws, ensuring not to overtighten. Hand-tighten for delicate connections.
- Ensure all dowels and screws are fully inserted and tightened for maximum stability.

## **3. OPERATING YOUR DRESSER**

The Aitjunz 7-drawer dresser is designed for practical and elegant storage. Its handle-less drawers and smooth sliding rails ensure effortless access to your belongings.

### **Drawer Functionality**

Each of the seven drawers features smooth sliding mechanisms for easy opening and closing. The handle-less design provides a clean, modern aesthetic and enhances safety by eliminating protruding handles.

### **Storage Capacity**

The vertical design with seven drawers offers significant storage for various items. The top surface can also be used for decorative items or frequently accessed essentials, supporting up to 130 lbs.

## Smooth Curved Edge

- Elegant curved lines blend in with the dresser for a simple and generous look

## Smooth Sliding Drawers

- Metal rails for durability and smoothness

## No Handleless Design

- Remove excess hardware and pull out in a simpler recessed style for a more aesthetically pleasing cabinet

## 4. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your Aitjunz dresser.

- **Cleaning:** Wipe the surface with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe any spills with a dry cloth to prevent moisture absorption.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading or discoloration of the wood finish.
- **Humidity:** Maintain a stable room temperature and humidity level to prevent warping or cracking of the engineered wood.

## 5. TROUBLESHOOTING

If you encounter any issues during or after assembly, refer to the following common solutions:

- **Drawer Alignment:** If drawers do not align perfectly, double-check that all screws securing the drawer slides and the main frame are tightened evenly. Slight adjustments to the slide placement may be necessary.
- **Loose Parts:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as needed to maintain stability.
- **Damaged Parts:** If any part arrives damaged or is missing, please contact customer support immediately for assistance.
