

AWAVINGCEM M6

AWAVINGCEM M6 AI Translator Earbuds User Manual

Model: M6

1. INTRODUCTION

Thank you for choosing the AWAVINGCEM M6 AI Translator Earbuds. These earbuds are designed to provide real-time translation across 140 languages, combined with noise-cancelling audio for clear communication and listening. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance of your device.

2. PRODUCT OVERVIEW

The AWAVINGCEM M6 AI Translator Earbuds are a sophisticated audio device integrating advanced artificial intelligence for seamless language translation. They feature Bluetooth connectivity for wireless audio and communication, along with active noise cancellation for an immersive experience.

Image 1: The AWAVINGCEM M6 AI Translator Earbuds shown with their charging case. The image displays both black and white versions of the earbuds and their respective cases.

Key Features:

- Real-time translation for up to 140 languages.
- Noise-cancelling technology for clear audio.
- Bluetooth connectivity for wireless operation.
- Smart voice recognition.

3. SETUP

3.1 Charging the Earbuds and Case

1. Place the earbuds into the charging case. Ensure they are correctly seated.
2. Connect the charging case to a power source using the provided USB cable.
3. The indicator lights on the case will show the charging status. A full charge is indicated when all lights are solid.

3.2 Bluetooth Pairing

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your smartphone or device, navigate to the Bluetooth settings.
4. Select "AWAVINGCEM M6" from the list of available devices.
5. Once connected, a confirmation sound will play through the earbuds.

3.3 Companion Application

For full functionality, including real-time translation, download the dedicated companion application from your device's app store. Follow the in-app instructions to complete the setup and link your earbuds.

4. OPERATING INSTRUCTIONS

4.1 Power On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off and begin charging.

4.2 Real-Time Translation

1. Ensure the earbuds are connected to your device and the companion application is running.
2. Open the translation feature within the application.
3. Select the source and target languages.
4. Speak into the earbud's microphone. The translated audio will be played through the earbuds or displayed on your device screen.

4.3 Audio Playback and Calls

- **Play/Pause:** Tap either earbud once.
- **Next Track:** Double-tap the right earbud.
- **Previous Track:** Double-tap the left earbud.
- **Answer/End Call:** Tap either earbud once.
- **Reject Call:** Press and hold either earbud for 2 seconds.

4.4 Noise Cancellation

The noise-cancelling feature is typically activated or deactivated through the companion application or by a specific touch gesture on the earbuds (refer to the app for precise controls).

5. MAINTENANCE

5.1 Cleaning

- Use a soft, dry, lint-free cloth to clean the earbuds and charging case.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Gently clean the ear tips and speaker mesh with a cotton swab to remove earwax or debris.

5.2 Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place away from direct sunlight and extreme temperatures.

6. TROUBLESHOOTING

Issue	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget the device in Bluetooth settings and re-pair.
No sound from earbuds	Check device volume. Ensure earbuds are connected. Clean earbud speaker mesh.
Translation errors	Ensure a stable internet connection. Speak clearly and at a moderate pace. Check language settings in the companion app.
Charging issues	Verify the charging cable and adapter are working. Ensure earbuds are properly seated in the case. Clean charging contacts.
