CaDA Master Fantasma Sports Car Building Set C61048W Instruction Manual

Model: SO CaDA C1048W

INTRODUCTION

This instruction manual provides detailed guidance for assembling and understanding the CaDA Master Fantasma Sports Car Building Set, model C61048W. This advanced brick kit is designed for adult collectors and enthusiasts, offering a highly realistic and intricate building experience.

The set features a 1:8 scale model of a V8 racing car, incorporating a 9-speed gearbox and rear-wheel steering, along with numerous functional elements.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.

This product contains small components that may pose a choking hazard. Adult supervision is recommended during assembly, especially if children are present. Recommended age for assembly is 14 years and up.

PARTS LIST AND INSPECTION

Before beginning assembly, carefully unpack all components and verify that all 4346 pieces are present according to the included parts list. Organize parts by type and size to facilitate the building process.

The kit includes various specialized elements for the gearbox, steering, suspension, and bodywork. Refer to the detailed parts diagram in the separate assembly guide for identification.

SETUP AND ASSEMBLY

Assembly of the CaDA Master Fantasma Sports Car is a complex process requiring attention to detail. Follow the step-by-step instructions provided in the separate comprehensive assembly guide. Ensure a clean, well-lit workspace.

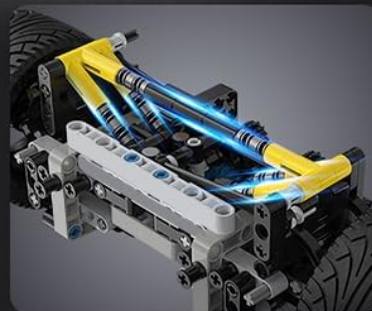

Key Assembly Features:

- **Chassis and Drivetrain:** Begin with the robust chassis, integrating the advanced 9-speed gearbox and rear-wheel steering mechanisms.
- **Suspension System:** Install the independent four-wheel suspension with shock absorber springs and swaybars for realistic movement.
- **Engine Bay:** Construct the detailed V8 engine model, which will be visible once the hood is opened.
- **Interior Details:** Assemble the cockpit with simulated steering wheel and seats.
- **Bodywork:** Attach the exterior panels, ensuring proper alignment for functional elements like doors and

Four wheel independant suspension with swaybars and rear stabilizer spring

Functional suspension

OPERATING FEATURES

Once assembled, the CaDA Fantasma Sports Car model offers several interactive and realistic features:

- **Openable Elements:** The doors and hood can be opened to reveal the intricate interior and engine bay. The front and rear decklids also open.
- **Removable Roof:** The roof section can be removed, converting the model into a roadster configuration.
- **Functional Gearbox:** Utilize the functional shifter to engage the 9-speed gearbox.
- **Active All-Wheel Steering:** The steering system adapts based on the selected gear, reducing turning radius in low gears and enhancing stability in high gears.
- **Folding Mirrors:** The side mirrors can be folded.

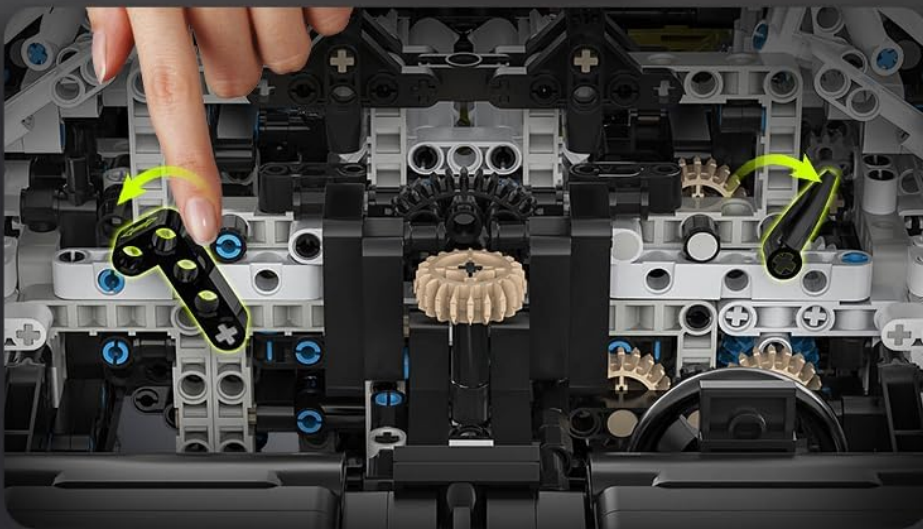

The roof can be removed and the model can be converted into a roadster

MAINTENANCE

To ensure the longevity and appearance of your CaDA Master Fantasma Sports Car model, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. Avoid abrasive cleaners or solvents, which can damage the plastic.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration and material degradation.
- **Handling:** Handle the model with care, especially when operating movable parts, to prevent accidental breakage.
- **Part Replacement:** In case of lost or damaged parts, contact CaDA customer support for potential replacement options.

TROUBLESHOOTING

If you encounter any issues during or after assembly, consider the following common troubleshooting steps:

- **Loose Connections:** If parts feel loose, re-examine the assembly steps to ensure all connections are firmly pressed together.
- **Non-functional Mechanisms:** For issues with the gearbox, steering, or opening parts, carefully review the relevant assembly sections in the main guide. Ensure all gears are correctly aligned and moving freely.
- **Missing Parts:** Double-check the packaging and your workspace. If a part is genuinely missing, refer to the "Part Replacement" section under Maintenance.

For persistent issues, consult the detailed assembly guide or contact customer support.

SPECIFICATIONS

Attribute	Detail
Model Name	Master Fantasma Sports Car Building Set
Model Number	C61048W (SO CaDA C1048W)
Brand	CaDA
Scale	1:8
Piece Count	4346 PCS
Product Dimensions (L x W x H)	62 x 26.5 x 17 cm (24.41 x 10.43 x 6.69 inches)
Item Weight	14.27 pounds
Recommended Age	14 years and up
Manufacturer	Shenzhenshi Saounidi Dianzikeji Youxiangongsi
