Samsung Galaxy A36 5G

Samsung Galaxy A36 5G 2025 User Manual

Model: Galaxy A36 5G

1. Getting Started

1.1 Unboxing Your Device

Upon opening the package, you will find your Samsung Galaxy A36 5G smartphone. Carefully remove the device and any included accessories.

Figure 1: Front view of the Samsung Galaxy A36 5G.

1.2 SIM Card Installation

The Samsung Galaxy A36 5G supports Dual SIM functionality. Locate the SIM tray on the side of the device. Use the provided SIM ejector tool to open the tray. Insert your Nano-SIM cards into the designated slots. Ensure the cards are correctly oriented before reinserting the tray into the phone.

1.3 Initial Power On and Setup

Press and hold the power button located on the side of the device until the Samsung logo appears. Follow the on-screen prompts to select your language, connect to a Wi-Fi network, and complete the initial setup process. This includes setting up your Google account and security features like the fingerprint sensor.

1.4 Data Transfer

If you are upgrading from an older device, you can transfer your photos, contacts, and other data. Samsung Smart Switch or cloud backup services can facilitate this process. Ensure both devices are charged and connected to a stable network for a smooth transfer.

2. Operating Your Device

2.1 Display Features

The Galaxy A36 5G features a 6.7-inch FHD+ Super AMOLED display with a 120Hz refresh rate, providing smooth scrolling and vibrant visuals. It offers increased brightness of up to 1200 nits typical and 1900 nits peak, ensuring good visibility even outdoors. The display is protected by Corning Gorilla Glass Victus+ for enhanced durability.

Video 2: Demonstrates the bright screen and strong battery performance of the Galaxy A36 5G.

2.2 Performance and User Interface

Powered by an Octa-core processor, the device is designed for efficient multitasking, gaming, and streaming. It runs on Android 15, offering a clean and familiar user experience. The interface is intuitive, allowing for easy navigation and app management.

2.3 Circle to Search

Utilize the innovative Circle to Search feature by simply circling text or an object on your screen to instantly get search results without typing.

2.4 Biometric Security

The device includes an optical in-display fingerprint sensor for secure and convenient unlocking.

3. Camera Features

The Samsung Galaxy A36 5G is equipped with a versatile camera system to capture your moments.

Figure 3: Rear view of the Samsung Galaxy A36 5G, showcasing its triple camera array.

- **Rear Camera:** Features a 50MP main sensor, along with two additional cameras for diverse photography options.
- **Front Camera:** A 12MP front camera is available for selfies and video calls.
- **Ultrawide:** Ideal for capturing expansive landscapes or group photos.
- **Low Light Performance:** The camera system is designed to perform well in various lighting conditions.
- **Object Eraser & Edit Suggestion:** Utilize these features to refine your photos by removing unwanted elements or receiving creative editing recommendations.

4. Battery and Charging

The device is powered by a 5000 mAh (typical) battery, offering extended usage times, including up to 29 hours of video playtime. It supports 25W fast charging to quickly replenish the battery.

Video 3: Highlights the long-lasting battery life of the Samsung Galaxy A36 5G.

5. Maintenance and Updates

The Galaxy A36 5G is built with strong durability, featuring Corning Gorilla Glass Victus+ and IP67 dust and water resistance. Samsung commits to providing 6 generations of OS upgrades and 6 years of security updates to ensure your device remains secure and performs optimally.

6. Troubleshooting

If you encounter any issues with your device, consider the following general troubleshooting steps:

- **Restart Device:** A simple restart can often resolve minor software glitches.
- **Check for Updates:** Ensure your device's software is up to date by checking in Settings > Software update.
- **Clear Cache:** For app-specific issues, try clearing the app's cache in Settings > Apps.
- **Factory Reset:** As a last resort, a factory reset can resolve persistent issues, but remember to back up your data first.

7. Specifications

Feature	Specification
Brand	Samsung
Model Name	Galaxy A36 5G
Operating System	Android 15
Screen Size	6.7 Inches
Display Type	AMOLED
Resolution	2340 x 1080
Refresh Rate	120 Hz
Memory Storage Capacity	256 GB
RAM Memory Installed Size	8 GB
CPU Model	1.2GHz Cortex A13 Processor
CPU Speed	4 GHz
Rear Facing Camera Photo Sensor Resolution	50 MP
Front Photo Sensor Resolution	12 MP
Battery Capacity	5000 Milliamp Hours

Water Resistance Level	Water Resistant (IP67)
SIM Card Slot Count	Dual SIM
Connectivity Technology	4G LTE, 5G
Connector Type	USB Type C
