SAFETY INFORMATION

Please read the following safety information carefully before assembly and use.

- **WARNING: CHOKING HAZARD** - This product contains small parts and is not suitable for children under 3 years of age.
- Adult supervision is recommended during assembly, especially for younger builders.
- Keep all packaging materials away from children to prevent suffocation.

WHAT'S IN THE BOX

Upon opening the product packaging, you will find the following components:

- CaDA Master C66015W Building Block Parts (921 pieces)
- USB Light Group

- Instruction Manual (physical copy)

SETUP AND ASSEMBLY

The CaDA Master C66015W building set requires assembly. Follow the detailed steps provided in the included physical instruction manual for a smooth building experience.

1. **Unpack Components:** Carefully open the box and sort the building block bags according to the numbering or type, if applicable.
2. **Review Manual:** Familiarize yourself with the instruction manual. It provides step-by-step diagrams for assembly.
3. **Assemble Structure:** Begin assembling the base and main structure of the grocery store, following the manual's sequence.
4. **Integrate Details:** As you progress, integrate the smaller decorative elements and interior features.
5. **Install Lighting:** The USB light group should be installed as indicated in the manual. Ensure proper routing of wires to avoid damage.
6. **Final Touches:** Complete the roof, exterior details, and any movable parts.

The assembly process is designed to be engaging and can enhance hands-on ability and spatial imagination.

OPERATING FEATURES

Once assembled, your CaDA Master C66015W model offers several interactive and display features:

- **USB Light Group:** The integrated USB light group provides illumination for the model. It features 8 different lighting effects. Connect the USB cable to a compatible power source (e.g., USB wall adapter, power bank, computer USB port) to activate the lights.

MAINTENANCE

To ensure the longevity and appearance of your CaDA building set, follow these simple maintenance guidelines:

- **Cleaning:** Gently dust the model regularly with a soft, dry cloth or a soft brush to prevent dust accumulation. For stubborn dirt, a slightly damp cloth can be used, but ensure no water enters the electrical components (USB light group).
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic bricks.
- **Handling:** Handle the model with care, especially when moving it, to avoid accidental detachment of parts.

TROUBLESHOOTING

If you encounter any issues with your CaDA Master C66015W building set, refer to the following common troubleshooting tips:

- **Missing Pieces:** Double-check all packaging materials and the assembly area. If a piece is genuinely missing, refer to the manufacturer's support information (if available) for replacement parts.
- **Lights Not Working:**
 - Ensure the USB cable is securely connected to both the model and a working power source.
 - Try a different USB port or power adapter.
 - Verify that the light group's internal connections are intact and not pinched during assembly.
- **Parts Not Fitting:** Ensure you are using the correct pieces as indicated in the instruction manual. Sometimes similar-looking pieces can be confused. Apply gentle, even pressure when connecting bricks.
- **Model Instability:** Review the assembly steps for the affected section to ensure all connections are firm and correctly aligned.

For issues not covered here, please consult the official CaDA support channels.
