INTRODUCTION

This manual provides instructions for the Generic replacement remote control designed for use with various Be Cool and Everwell AC Air Conditioner models. This remote is an infrared (IR) replacement and typically requires no programming. Please ensure your original remote control matches the appearance of this replacement remote for compatibility.

SETUP

Battery Installation

The remote control requires two AAA batteries (not included). Follow these steps to install them:

1. Locate the battery compartment cover on the back of the remote control.
2. Press down on the tab and slide the cover off in the direction indicated by the arrow.
3. Insert two AAA batteries, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Slide the battery compartment cover back into place until it clicks securely.
