

## INFANS 2 in 1 Baby Stroller

# INFANS 2-in-1 Baby Stroller Instruction Manual

Brand: INFANS | Model: 2 in 1 Baby Stroller

## 1. INTRODUCTION

---

Thank you for choosing the INFANS 2-in-1 Baby Stroller. This versatile product is designed to adapt to your child's growth, functioning as both a high-landscape infant stroller and a reversible bassinet pram. Constructed with premium iron pipe and aluminum alloy, it offers durability and stability for daily use. The stroller features an anti-shock design on all four wheels for a smooth ride, 360-degree rotating front wheels for easy maneuverability, and lockable rear wheels for quick control. Its foldable design ensures convenient storage and portability. The adjustable canopy provides protection from sunlight, and the comfortable seat with a 5-point safety belt ensures your child's security.

## 2. PRODUCT COMPONENTS

Ensure all components are present before assembly:

- 1 x Baby Stroller Frame
- 1 x 2-in-1 Seat/Bassinet Unit
- 1 x Adjustable Canopy
- 1 x Detachable Handrail (Bumper Bar)
- 1 x Cup Holder
- 1 x Under-Seat Storage Basket
- 1 x Foot Cover
- 4 x Suspension Wheels (2 large rear, 2 smaller front)
- 1 x Instruction Manual

## 3. KEY FEATURES

- **2-in-1 Design:** Easily converts between a high-landscape toddler stroller and a reversible bassinet

pram to suit different age groups and preferences.

# 3 MODES

Suitable for toddlers **0-36** months

Bassinet Mode

Forward Facing

Parent Facing

## 4. ASSEMBLY & SETUP

The INFANS 2-in-1 Baby Stroller is designed for straightforward assembly. Please refer to the included instruction manual for detailed, step-by-step guidance. Ensure all parts are securely fastened before first use. Key assembly steps typically include attaching the wheels, securing the seat/bassinet unit to the frame, and attaching the canopy and accessories.

## 5. OPERATING INSTRUCTIONS

### 5.1. Adjusting Modes (Stroller/Bassinet & Reversible Seat)

- To convert between stroller seat and bassinet mode, adjust the backrest and footrest mechanisms as shown in the detailed instruction manual.
- To reverse the seat direction (forward-facing or parent-facing), locate the release buttons on either side of the seat unit, press them, lift the seat, and reattach it in the desired orientation.

## 5.2. Folding & Unfolding

The stroller features a convenient one-hand fold mechanism for easy portability and storage. Ensure the seat is in the forward-facing position before folding for optimal compactness.

*Image 6: Step-by-step visual guide on how to perform the one-hand fold for compact storage.*

### Video: Easy to Collapse Stroller

*Video 2: This video demonstrates the ease of collapsing the INFANS stroller for storage and transport.*

## 5.3. Brake System

The stroller is equipped with a foot-activated brake on the rear wheels. To engage the brake, press down firmly on the brake pedal located near the rear wheels. To release, lift the pedal upwards.

## 5.4. Canopy Adjustment

The canopy can be adjusted by pulling it forward or pushing it back. Utilize the peek-a-boo window to maintain visibility of your child.

## 5.5. Safety Harness

Always secure your child using the 5-point safety harness. Adjust the straps to ensure a snug and safe fit. The harness features a quick-release button for convenience.

## 6. MAINTENANCE

- **Cleaning:** The fabric components can be spot cleaned with mild soap and water. For deeper cleaning, consult the care labels on the fabric.
- **Frame Care:** Wipe the frame with a soft, damp cloth. Avoid abrasive cleaners.
- **Wheel Maintenance:** Regularly check wheels for debris and ensure they rotate freely. Lubricate moving parts as needed.
- **Storage:** Store the stroller in a dry, cool place away from direct sunlight to prevent material degradation.

## 7. TROUBLESHOOTING

- **Stroller not folding/unfolding smoothly:** Ensure all locking mechanisms are disengaged and the seat is in the correct position (forward-facing for folding). Check for any obstructions.
- **Wheels not turning freely:** Inspect wheels for tangled hair, dirt, or debris. Clean as necessary.
- **Harness difficult to adjust:** Ensure straps are not twisted and buckles are clean.
