

AmTab MBT10

AmTab MBT10 Mobile Bench Table User Manual

Model: MBT10 | Brand: AmTab

1. INTRODUCTION

This manual provides essential information for the safe and effective use, assembly, operation, and maintenance of your AmTab MBT10 Mobile Bench Table. Designed for multi-purpose environments, this high-quality mobile cafeteria table offers durability and ease of operation. Please read this manual thoroughly before initial use.

Key Features:

- Affordable long-term value
- 100% Made in the USA
- UL Certified
- MAS GREEN CERTIFIED

2. PRODUCT OVERVIEW

The AmTab MBT10 is a rectangular mobile bench table featuring four integrated benches. It is designed for easy mobility and compact storage, making it ideal for dynamic spaces such as cafeterias, classrooms, and multi-purpose halls. The table is equipped with durable casters for smooth movement and a robust locking mechanism for stability when in use.

Figure 2.1: AmTab MBT10 Mobile Bench Table in its unfolded, ready-to-use configuration. This image displays the table with a light wood finish top and blue benches, highlighting its extended length and integrated seating.

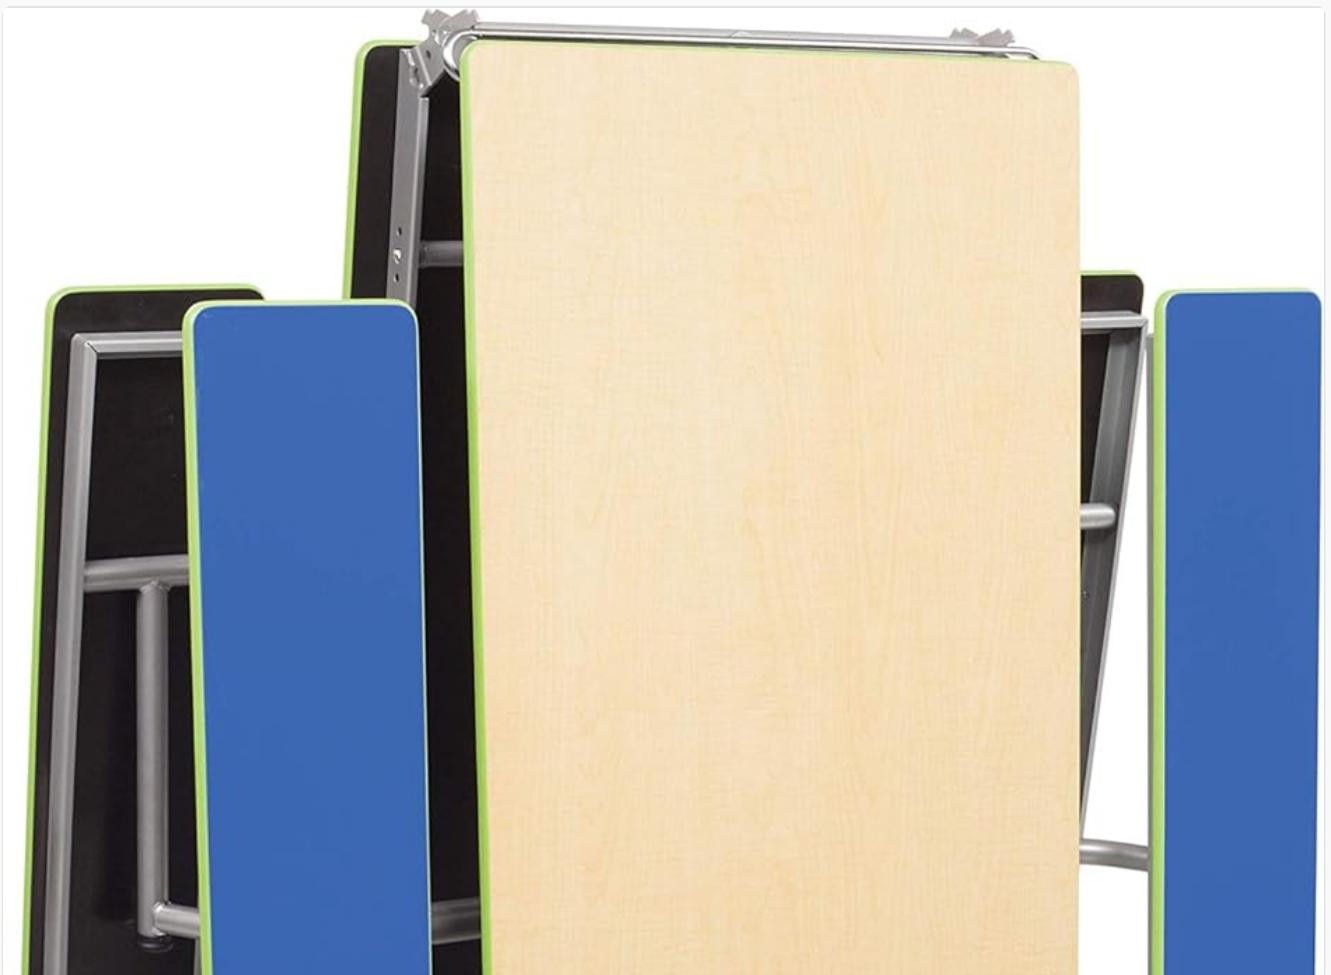

Figure 2.2: AmTab MBT10 Mobile Bench Table in its folded, upright storage position. This view demonstrates the compact footprint of the table when not in use, with the light wood top and blue benches neatly stowed vertically, supported by its mobile frame.

3. SETUP AND ASSEMBLY

The AmTab MBT10 Mobile Bench Table requires assembly upon delivery. It is recommended that two adults perform the assembly to ensure safety and proper setup. Refer to the included assembly instructions for detailed, step-by-step guidance.

Initial Setup Steps:

1. **Unpacking:** Carefully remove all components from the packaging. Inspect for any shipping damage.
2. **Component Identification:** Lay out all parts and compare them against the parts list provided in the separate assembly guide.
3. **Frame Assembly:** Assemble the main frame structure according to the diagrams. Ensure all bolts and fasteners are securely tightened.
4. **Tabletop and Bench Attachment:** Attach the tabletop and bench surfaces to the assembled frame. Pay close attention to alignment and secure all connections.
5. **Caster Installation:** Ensure all casters are properly installed and can swivel freely.
6. **Functionality Check:** Once assembled, test the folding and unfolding mechanism to ensure smooth operation and proper locking.

For detailed assembly instructions, please consult the separate assembly manual provided with your product.

4. OPERATING INSTRUCTIONS

Unfolding the Table:

1. Ensure the area around the table is clear of obstructions.
2. Grip the table frame firmly on both sides.
3. Release any locking mechanisms that secure the table in its folded position.
4. Slowly lower the table sections until they are fully extended and flat. Ensure all support legs are properly engaged and locked into place.
5. Verify that the table is stable and level before use.

Folding the Table for Storage:

1. Clear all items from the tabletop and benches.
2. Locate and disengage the locking mechanisms that hold the table in its open position.
3. Carefully lift the table sections, allowing them to fold upwards. Guide the benches inward as the table folds.
4. Continue folding until the table is in its upright, compact storage position.
5. Engage the storage locking mechanisms to secure the table and prevent accidental unfolding.

Moving the Table:

- Ensure the table is fully folded and secured in its upright position.
- Verify that the casters are unlocked and can rotate freely.
- Push the table slowly and carefully to its desired location. Avoid sudden movements or pushing over uneven surfaces.
- Once in position, engage the caster brakes (if applicable) to prevent unintended movement.

5. CARE AND MAINTENANCE

Regular maintenance will extend the life and appearance of your AmTab Mobile Bench Table.

- **Cleaning:** Wipe surfaces regularly with a damp cloth and mild detergent. Avoid abrasive cleaners or solvents that may damage the finish.
- **Inspection:** Periodically check all bolts, screws, and fasteners to ensure they are tight. Tighten any loose connections.
- **Casters:** Keep casters free of debris and ensure they roll smoothly. Lubricate if necessary.
- **Folding Mechanism:** Inspect the folding mechanism for any signs of wear or damage. Ensure it operates smoothly and locks securely.
- **Storage:** Store the table in a dry, temperate environment when not in use.

6. TROUBLESHOOTING

If you encounter issues with your AmTab MBT10 Mobile Bench Table, consider the following common solutions:

- **Table difficult to fold/unfold:** Ensure all locking mechanisms are fully disengaged. Check for any obstructions or debris in the folding joints. Lubricate moving parts if necessary.
- **Table unstable when open:** Verify that all support legs are fully extended and locked into their designated positions. Check that the table is on a flat, level surface.
- **Casters not rolling smoothly:** Inspect casters for tangled hair, lint, or other debris. Clean them thoroughly. If a caster is damaged, it may need replacement.
- **Loose parts:** Regularly check and tighten all nuts, bolts, and screws. Do not overtighten.

If problems persist, please contact AmTab customer support for assistance.

7. SPECIFICATIONS

Attribute	Detail
Brand	AmTab
Model Number	MBT10
Product Dimensions (D x W x H)	30"D x 121"W x 29"H
Color Options	Multicolor (various options available)
Finish Type	Painted
