CUBIMANA HG1024

CUBIMANA Flower Bouquet Building Set with LED Lights

MODEL: HG1024

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your CUBIMANA Flower Bouquet Building Set (Model: HG1024). Please read this manual thoroughly before beginning assembly to ensure a smooth and enjoyable building experience. This set allows you to construct a beautiful display of 19 red roses within a heart-shaped clear acrylic case, enhanced with LED lighting.

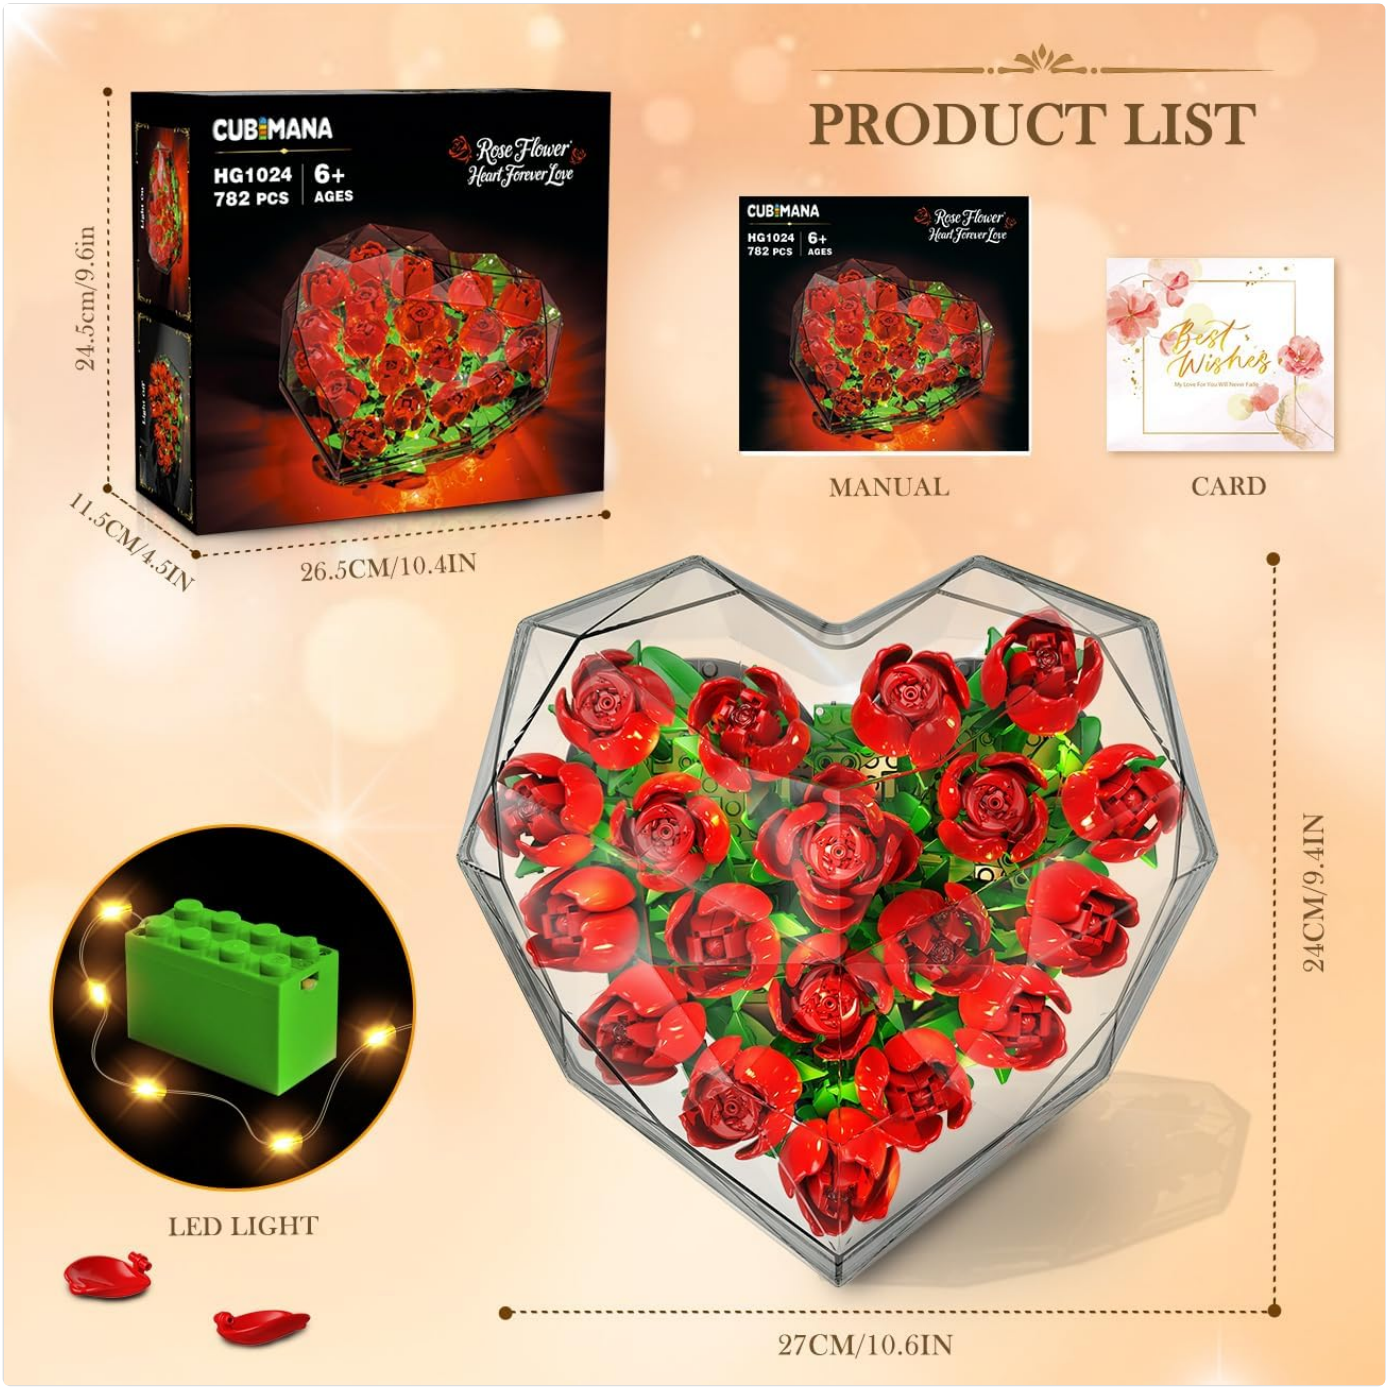

Safety Information

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.
This product contains small building blocks that may pose a choking hazard. Adult supervision is recommended, especially for users at the lower end of the recommended age range. Recommended age for assembly is 6 years and up.

What's Included

Your CUBIMANA Flower Bouquet Building Set includes the following components:

- 782 Building Blocks (for 19 red roses and base)
- Heart-shaped Clear Acrylic Display Case
- LED Light String
- Instruction Manual
- Blank Greeting Card

This image displays the complete contents of the CUBIMANA Flower Bouquet Building Set, including the product box, the LED light string, the transparent heart-shaped display case, and a blank greeting card. It also shows the assembled heart-shaped rose display with dimensions.

Assembly Instructions (Setup)

Follow the step-by-step illustrated instructions provided in the included instruction manual. The building blocks are typically organized into numbered bags to simplify the assembly process. It is recommended to open bags sequentially as indicated in the manual.

1. **Unpack Components:** Carefully remove all parts from the packaging.
2. **Follow Manual:** Refer to the detailed instruction manual for specific building steps for each rose and the base structure.
3. **Assemble Roses:** Construct the 19 individual red roses according to the diagrams.
4. **Build Base:** Assemble the base structure that will hold the roses within the heart-shaped case.
5. **Place Roses:** Securely attach the assembled roses to the base.

6. **Integrate LED Lights:** Carefully weave the LED light string around the roses and base as shown in the manual.
7. **Enclose in Case:** Place the assembled rose bouquet and base into the heart-shaped clear acrylic display case and secure the cover.

This image shows a person's hands carefully assembling one of the red rose building blocks, demonstrating the construction process for the individual flowers.

This video demonstrates the assembly of the CUBIMANA Flower Bouquet Building Set, showcasing how the individual rose blocks are put together and placed within the heart-shaped display case.

Operating Instructions (LED Lights)

The CUBIMANA Flower Bouquet features an integrated LED light string to illuminate your display.

1. **Battery Installation:** Locate the battery compartment for the LED light string. Insert the required batteries (not included, typically button cells or AA/AAA depending on the model) following the polarity indicators.

2. **Power On/Off:** Use the designated 'Lights Switch' to turn the LED lights on or off. The switch is usually a small button or slider located on the battery pack or integrated into the base.

This image highlights the built-in LED lights illuminating the red rose bouquet within the heart-shaped display case. A detail of the 'Lights Switch' is visible, indicating how to control the lighting.

Maintenance

To keep your CUBIMANA Flower Bouquet Building Set in optimal condition:

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the building blocks and the acrylic case. For stubborn marks, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled set in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Battery Care:** Remove batteries from the LED light string if the product will not be used for an extended period to prevent leakage.

Troubleshooting

Issue	Possible Cause	Solution
Missing or damaged parts	Manufacturing defect or oversight during packaging.	Contact CUBIMANA customer support with your purchase details and a description of the missing/damaged parts.
LED lights not turning on	• Batteries incorrectly installed. • Batteries are depleted. • Switch is off. • Faulty LED string.	• Check battery orientation. • Replace with new batteries. • Ensure the 'Lights Switch' is in the ON position. • If issues persist, contact customer support.
Blocks do not fit together	Incorrect block orientation or incompatible pieces.	Refer to the instruction manual to ensure correct block placement and orientation. Do not force pieces together.

Specifications

Feature	Detail
Model Number	HG1024
