## 4. SETUP

### 4.1 Charging the Smart Watch

Before initial use, fully charge your Titan Maestro Smart Watch. Use the provided charging cable and connect it to a standard USB power adapter (not included).

1. Connect the magnetic end of the charging cable to the charging points on the back of your smartwatch. Ensure a secure connection.
2. Plug the USB-A end of the cable into a USB power adapter (5V/1A recommended) or a computer's USB port.

3. The watch display will indicate charging status. A full charge typically takes approximately 2 hours.

## 4.2 Pairing with Your Smartphone

To unlock all features, pair your Titan Maestro with the companion app on your smartphone.

1. Download the **Titan Smart App** from your smartphone's app store (available for Android and iOS devices).
2. Ensure Bluetooth is enabled on your smartphone.
3. Open the Titan Smart App and follow the on-screen instructions to create an account or log in.
4. Select 'Add Device' or 'Pair New Device' within the app.
5. The app will search for your Titan Maestro. Select your watch from the list of available devices.
6. Confirm the pairing request on both your watch and smartphone.

## 5. OPERATING YOUR SMARTWATCH

---

### 5.1 Basic Navigation

- **Touchscreen:** Swipe left, right, up, or down to navigate through menus and notifications. Tap to select items.
- **Crown/Buttons:** Use the physical buttons on the side for quick access to functions or to return to the home screen.

### 5.2 Bluetooth Calling

The Titan Maestro supports Bluetooth calling, allowing you to make and receive calls directly from your wrist when connected to your smartphone.

- Ensure your watch is successfully paired with your phone via the Titan Smart App.
- Access the 'Phone' or 'Call' function on your watch to dial numbers or view recent calls.
- When a call comes in, you can answer or reject it from your watch.

### 5.3 AI Voice Assistant

Utilize the integrated AI Voice Assistant for hands-free control and information retrieval.

- Activate the AI Voice Assistant through the watch menu or a designated button.
- Speak your commands or questions clearly into the watch microphone.

### 5.4 Sports Modes and GPS

Track various activities with dedicated sports modes and built-in GPS.

## 10. MAINTENANCE

---

- **Cleaning:** Wipe the watch and straps regularly with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and mild soap, then rinse and dry thoroughly.
- **Avoid Chemicals:** Do not use harsh chemicals, cleaning solvents, or strong detergents, as these can damage the watch's finish and seals.
- **Storage:** Store your watch in a cool, dry place when not in use.
- **Charging Contacts:** Keep the charging contacts on the back of the watch clean and free of debris to ensure proper charging.

## 11. TROUBLESHOOTING

---

If you encounter issues with your Titan Maestro Smart Watch, refer to the following common solutions:

Problem	Solution
Watch not turning on	Ensure the watch is fully charged. Connect to the charger for at least 15 minutes.
Unable to pair with phone	Check if Bluetooth is enabled on your phone. Restart both the watch and phone. Ensure the Titan Smart App is updated.
Inaccurate health data	Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch.
Short battery life	Reduce screen brightness, disable continuous heart rate monitoring if not needed, limit notifications, and ensure background app usage is optimized.

Problem	Solution
Charging issues	Verify the charging cable is securely connected to both the watch and power source. Clean the charging contacts. Try a different USB power adapter.
