## PRODUCT OVERVIEW

The Tribesigns Modern Natural Buffet Sideboard Cabinet is designed to enhance your living space with its timeless charm and practical storage solutions. This 59-inch cabinet features unique embossed textures and a natural wood hue, making it a versatile addition to various rooms.

The Tribesigns Modern Natural Buffet Sideboard Cabinet, showcasing its natural wood finish and textured doors, suitable for various home decors.

It offers generous storage with four internal shelves, each capable of supporting up to 40 lb, helping to keep your items organized. The wide tabletop provides ample room for displaying decorations or serving as a coffee bar. Crafted from premium MDF and reinforced with robust metal legs, this cabinet is built for durability and stability.

## ASSEMBLY INSTRUCTIONS

This accent cabinet features a simple construction designed for quick assembly. Please follow the steps below carefully. It is recommended to assemble with at least two people.

### Before You Begin:

- Verify all parts and hardware are present according to the packing list.
- Clear a spacious area for assembly to prevent damage to the product or your floor.
- Keep children and pets away from the assembly area.
- Have a Phillips head screwdriver and a hammer (if needed for dowels) ready.

## Step-by-Step Assembly:

- 1. Attach Metal Legs:** Secure the thick metal legs to the bottom panel of the cabinet using the provided screws. Ensure they are tightly fastened for stability.

Close-up view of the cabinet's thick metal legs, which are attached to the base during assembly.

- 2. Assemble Cabinet Frame:** Connect the side panels, top panel, and back panel using the cam locks and dowels. Ensure all connections are snug and aligned.
- 3. Install Shelves:** Insert the shelf pins into the pre-drilled holes at your desired height. Place the shelves onto the pins. The cabinet includes 4 adjustable shelves.
- 4. Attach Doors:** Mount the doors to the cabinet frame using the hinges. Adjust hinges as necessary to ensure proper door alignment and smooth operation. The doors feature an inner rebound mechanism for easy opening and closing.
- 5. Install Anti-Tip Device:** This is a critical safety step. Secure the anti-tip device to the back of the cabinet and to a wall stud using the provided hardware. Refer to the "Important Safety Information" section for details.

Should you face any challenges during the assembly process, please refer to the "Warranty and Support" section for contact information.

## USAGE AND FUNCTIONALITY

---

The Tribesigns Buffet Sideboard Cabinet is designed for versatile use in various rooms of your home.

## Storage:

Utilize the four spacious internal shelves to store a variety of items. Each shelf can hold up to 40 pounds, making it suitable for dishes, books, kitchen appliances, or other household essentials. The doors keep contents neatly concealed.

## CARE AND MAINTENANCE

---

Proper care will ensure the longevity and appearance of your Tribesigns cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters or protective pads under hot dishes or drinks. Keep the cabinet away from direct sunlight and excessive moisture.
- **Weight Distribution:** Distribute weight evenly across shelves and the top surface to maintain stability and prevent warping. Do not exceed the 400 lb total weight limit or 40 lb per shelf.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.

## TROUBLESHOOTING

---

If you encounter any issues with your Tribesigns cabinet, refer to the common solutions below.

Problem	Possible Cause	Solution
Cabinet wobbles or is unstable.	Loose fasteners; uneven floor; anti-tip device not installed.	Ensure all screws are tightened. Adjust leg levelers if applicable. <b>Install the anti-tip device securely to a wall stud.</b>
Doors do not align or close properly.	Hinges are loose or misaligned.	Adjust the screws on the hinges to align the doors. Refer to hinge adjustment guides if needed.
Difficulty during assembly.	Missing parts; unclear instructions; incorrect orientation of parts.	Double-check the parts list. Review the assembly steps carefully. Ensure parts are oriented correctly. Contact customer support if parts are missing or damaged.
Scratches or damage to the surface.	Impact from sharp objects; abrasive cleaning.	Use furniture polish or repair kits for minor scratches. Avoid abrasive materials for cleaning.
