Benzara Kerra Side End Table User Manual

Model: BM329834

1. INTRODUCTION

Welcome to the user manual for your new Benzara Kerra Side End Table. This manual provides essential information for assembly, care, maintenance, and safe use of your product. Please read it thoroughly before use and retain it for future reference.

The Kerra Side End Table is designed with a traditional Rococo style, featuring a champagne finish, intricate polyurethane carvings, and a beige beveled marble top. It is constructed from solid pine and engineered materials for durability and aesthetic appeal.

2. SAFETY INFORMATION

- **Heavy Item:** This table is heavy (approximately 60 pounds). Exercise caution when lifting or moving to prevent injury. It is recommended to have two people for lifting and moving.
- **Stable Placement:** Always place the table on a flat, level, and stable surface to prevent tipping.
- **Weight Limit:** Do not overload the table. While durable, excessive weight can cause damage or instability.
- **Children and Pets:** Keep small children and pets away from the table during assembly and ensure all packaging materials are disposed of safely to prevent choking hazards.
- **Chemicals:** Avoid using harsh chemicals or abrasive cleaners on any part of the table, especially the marble top, as this can cause damage.
- **Proposition 65 Warning:** This product can expose you to chemicals including wood dust, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 1 x Benzara Kerra Side End Table (Model BM329834)
- Assembly Hardware (if required, typically bolts, washers, and an Allen wrench)

4. ASSEMBLY INSTRUCTIONS

The Benjara Kerra Side End Table typically requires minimal assembly. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Identify the table top and the leg assembly.
3. **Attach Legs (if separate):** If the legs are separate, align the pre-drilled holes on the leg assembly with the corresponding holes on the underside of the table top. Insert the provided bolts with washers and tighten them securely using the included Allen wrench. Do not overtighten.
4. **Final Check:** Once assembled, gently lift and place the table in its desired location. Ensure all connections are secure and the table is stable.

5. CARE AND MAINTENANCE

Proper care will ensure the longevity and beauty of your Kerra Side End Table.

5.1 Marble Top Care

- **Cleaning:** Wipe the marble surface regularly with a soft, damp cloth. For deeper cleaning, use a pH-neutral stone cleaner. Avoid acidic or abrasive cleaners, as they can etch or scratch the marble.
- **Spills:** Wipe up spills immediately, especially acidic liquids like fruit juice, wine, or coffee, to prevent staining. The marble is stain-resistant, but prompt cleaning is always best.
- **Protection:** Use coasters under drinks and placemats under hot items to protect the surface from heat and moisture rings.
- **Sealing:** While the marble is genuine and offers superior scratch and water resistance, periodic sealing (every 6-12 months) with a marble sealant can further enhance its protection and shine.

5.2 Frame and Carvings Care

- **Dusting:** Dust the wooden frame and polyurethane carvings with a soft, dry cloth.
- **Cleaning:** For more thorough cleaning, use a slightly damp cloth and dry immediately. Avoid excessive moisture.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the finish.

- **Heat and Humidity:** Maintain a stable room temperature and humidity level to prevent wood from warping or cracking.

6. TROUBLESHOOTING

- **Wobbling Table:**

- Ensure the table is on a flat surface.
- Check all leg connections and tighten any loose bolts.
- If necessary, use furniture pads or shims under the legs to level the table.

- **Surface Stains on Marble:**

- For fresh spills, wipe immediately with a damp cloth.
- For stubborn stains, consult a professional marble cleaning guide or use a specialized marble poultice. Avoid

DIY remedies that may damage the stone.

- **Scratches on Frame:**
 - Minor scratches on the champagne finish can sometimes be touched up with a furniture repair marker or wax stick that matches the color.
 - For deeper scratches, professional repair may be required.
