

Laifen WaveSE

Laifen Wave Special Electric Toothbrush Instruction Manual

Model: WaveSE

Brand: Laifen

1. INTRODUCTION

The Laifen Wave Special Electric Toothbrush combines advanced oscillation and sonic vibration technology to deliver a superior cleaning experience. Designed for comfort and efficiency, it features a seamless matte design, long-lasting battery, and smart app integration for personalized oral care. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your new toothbrush.

2. WHAT'S INCLUDED

- Wave Special Electric Toothbrush x1
- Gum Care Brush Heads x2
- Charging Cable x1
- User Manual x1

What's in the Box:

The Wave Special comes in elegant and modern packaging. Contains: toothbrush handle, 2 cushioned brush heads* and the charging cable.

*Includes either 2 Gum Care brush heads or 1 Gum Care and 1 Super-Clean brush head, depending on availability

3. PRODUCT FEATURES

3.1. Gentle & Efficient Brushing

The Wave Special's 60° oscillations effectively mimic the dentist-recommended Modified Bass brushing technique for a thorough clean. Its soothing 26,000 vibrations/min are suitable for all users, including those with sensitive teeth.

Dual-action brushing, proven results

3x

better at reducing
gum bleeding*

7 days

to see
healthier gums*

8x

deeper clean
along the gumline*

2x

more effective in
hard-to-reach molars*

*Data from SGS.

Cozy Cleaning For All Types Of Smiles

The vibration frequency has been optimized for a gentle touch that's softer on sensitive teeth while still providing a thorough clean.

Comfortable Vibrations:

26,000 times/min

Image: A visual representation highlighting that the Laifen Wave Special improves gum health by up to 2.5 times.

Powerful Brushing Performance

Building on Laifen's self-developed servo system technology, the Wave Special delivers a consistent and stable brushing experience that cleans the way you want, every time.

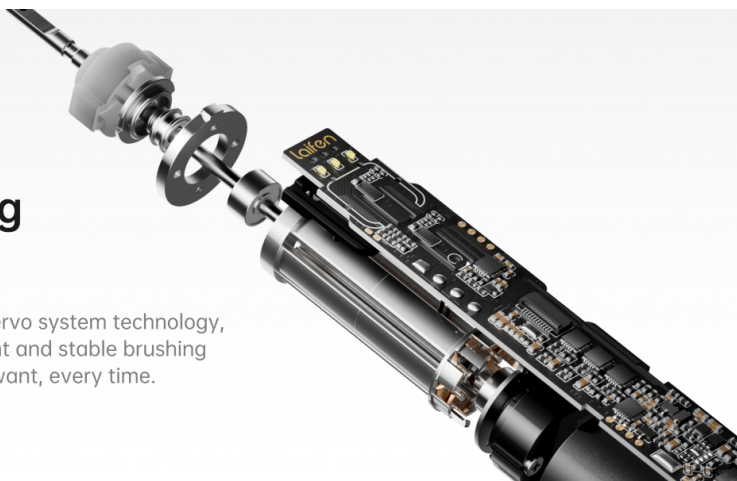

Image: A user demonstrating the comfortable brushing experience with the Laifen Wave Special, featuring 26,000 vibrations per minute.

3.2. Brush Head Design

The brush heads are coated in a soft food-grade TPE for a soothing experience. Gum-friendly, ultra-fine bristles deeply clean teeth and gums, secured by an advanced copper-free tufting process to prevent rusting.

Cushioned Brush Heads, Comfortable Clean

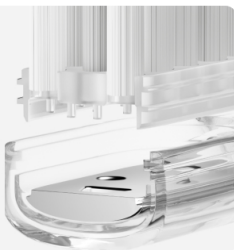

The soft TPE-coated brush heads are designed for the Wave Special's brushing motion, providing a gentle, effective clean - even for sensitive teeth.

Image: A detailed view of the cushioned brush head, designed to be soft on teeth and hard on plaque.

More Hygienic, More Durable

Laifen Copper-Free Tufting:
No rusting, firmly secured bristles

Normal Tufting Processes:
Easily rusts, risk of loosening bristles

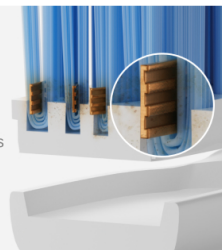

Image: An illustration comparing Laifen's copper-free tufting for hygiene and durability against traditional tufting methods.

3.3. Seamless Design & Matte Feel

The handle's seamless design prevents dirt and grime buildup. The soft Matte PU coating provides a comfortable and secure grip.

Deep Cleaning for Your Entire Mouth

The soft, ultra-thin bristles reach deep into the gaps between teeth while still being gentle on gums. The brush head's arc-backed design easily reaches the back molars.

Image: The sleek, seamless design of the toothbrush handle, preventing grime accumulation and offering a refreshing aesthetic.

3.4. Long Battery Life

Enjoy up to 50 days of battery life on a single 3-hour USB-C charge, making it an ideal travel companion. (Based on default Mode 1, twice a day, two minutes each time).

Seamless Design, Refreshing Look

Thanks to the handle's seamless design, there's no place for grime or bacteria to hide. Its soft dual-layer coating (matte PU + 40µm rubber) brings grip feel and comfort to another level.

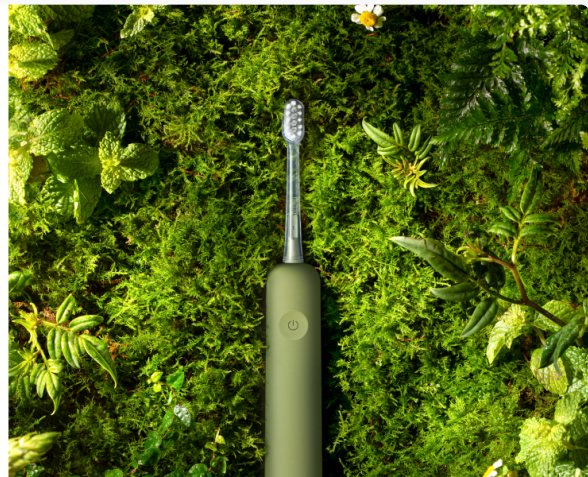

Image: The toothbrush connected to a USB-C charging cable, illustrating its quick 3-hour charging time for up to 50 days of use.

3.5. Smart App Integration

The Laifen App allows you to personalize your brushing with over 1,000 possible setting combinations. It also guides you with a Smart Brushing Timer and Zone Change Reminder.

Batteries Last Up to 50 Days

Wave Special

50 Days

Other Brand

14 Days

*When used on the default Mode 1, twice a day, for two minutes each time

4. SETUP

4.1. Attaching the Brush Head

1. Align the brush head with the metal shaft on the toothbrush handle.
2. Gently push the brush head down until it clicks into place. Ensure there is a small gap (0.3 to 1mm) between the brush head and the handle to allow for proper vibration.

4.2. Initial Charging

1. Before first use, charge the toothbrush fully.
2. Connect the USB-C charging cable to the port at the bottom of the handle.
3. Plug the other end into a compatible USB power adapter (not included).
4. The indicator light will turn on within 5-10 minutes, and a full charge typically takes about 3 hours.

4.3. Disabling Flight Mode

- The toothbrush may be in Flight Mode upon arrival. To disable it, long press the power button for 2 seconds.

5. OPERATING INSTRUCTIONS

5.1. Power On/Off

- To turn on the toothbrush, long press the power button.
- To turn off, long press the power button again.

5.2. Changing Brushing Modes

- The toothbrush has 3 default modes.

- To switch between modes, double-tap the power button.

5.3. Using the Laifen App for Customization

- Download the Laifen App from your smartphone's app store.
- Connect your toothbrush to the app via Bluetooth.
- Customize brushing settings: Adjust vibration intensity, oscillation range, and oscillation speed to create over 1,000 combinations.
- Utilize the Smart Brushing Timer and Zone Change Reminder for guided brushing.

5.4. Brushing Technique

- Apply a small amount of toothpaste to the brush head.
- Place the brush head against your teeth at a 45-degree angle to the gum line.
- Move the brush slowly across your teeth, allowing the oscillations and vibrations to clean each surface.
- Brush for a minimum of 2 minutes, dividing your mouth into four quadrants and spending 30 seconds on each.

Video: An official Laifen video demonstrating the proper brushing technique with the Laifen Wave Special Electric Toothbrush.

6. MAINTENANCE

6.1. Cleaning the Toothbrush

- After each use, rinse the brush head thoroughly under running water.
- Wipe the handle with a damp cloth to remove any toothpaste residue.
- The toothbrush is IP68 waterproof and can be rinsed directly.

6.2. Brush Head Replacement

- We recommend replacing the brush head every three months or if the bristles become deformed.
- If the brush head is damaged in any way, replace it immediately.

7. TROUBLESHOOTING

7.1. Toothbrush Won't Turn On

- The toothbrush may need to be charged. Typically, the indicator light will turn on after 5-10 minutes of charging, and the toothbrush will fully charge in approximately 3 hours.

7.2. App Connection Issues

- Ensure you are using the latest version of the Laifen App.
- Verify that the Laifen Wave Special is fully charged.
- Check that all necessary app permissions are enabled on your smartphone.
