

UNCLE BRICK T3012

UNCLE BRICK Space UFO Spaceship Building Set Instruction Manual

Model: T3012

1. INTRODUCTION

Welcome to the UNCLE BRICK Space UFO Spaceship Building Set, Model T3012. This creative building kit allows you to construct a detailed interstellar spacecraft, bringing science fiction to life. Comprising over 700 pieces, this set is designed for enthusiasts aged 8-12 and offers an engaging assembly experience.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts.

- This product contains small parts and is not suitable for children under 3 years of age.
- Adult supervision is recommended during assembly and play.
- Keep all packaging materials away from children.
- Ensure all pieces are securely connected to prevent detachment during play.

3. ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included manual to assemble your Space UFO Spaceship. The set consists of over 700 particles designed for a detailed and immersive building experience.

3.1. General Assembly Tips

- **Organize your pieces:** Before starting, sort the building blocks by color, size, or type to streamline the assembly process.
- **Follow the sequence:** Adhere strictly to the numbered steps in the instruction booklet.
- **Secure connections:** Ensure each piece is firmly pressed into place to create a stable structure.
- **Identify transparent parts:** The set includes transparent parts for the cockpit and the light-emitting beam. Handle these with care.

3.2. Key Assembly Stages

1. **Base Construction:** Begin by building the stable display base for the UFO.
2. **UFO Body Assembly:** Construct the main disc-shaped body of the UFO, paying attention to the intricate details and patterns.
3. **Cockpit Integration:** Assemble the transparent cockpit and integrate the alien figures as per the instructions.

Image 3.1: Detailed view of the transparent cockpit, revealing the alien figure and interior components.

4. **Light Beam Mechanism:** Install the transparent parts that form the light-emitting beam at the bottom of the

spaceship. This section is designed to simulate the "teleporting items" scene.

Image 3.2: The UFO spaceship with its distinctive glowing blue light beam, simulating an abduction or teleportation effect.

5. **Light Installation:** Integrate the two provided lights into the designated areas, particularly at the bottom of the UFO ship, to illuminate the transparent parts and enhance the visual effect.

3.3. Assembly Video

For a visual guide to the assembly process, please refer to the official product video below:

4. OPERATING INSTRUCTIONS

Once assembled, the UNCLE BRICK Space UFO Spaceship offers interactive features:

- **Activating Lights:** The set includes two lights. Install them in the designated areas, typically at the base of the UFO, to illuminate the transparent beam and the simulated "teleportation" scene. Refer to the assembly manual for precise light placement.
- **Cockpit Access:** The transparent cockpit can be opened to view the alien figures and interior details.
- **Display:** The model is designed to be a display piece, showcasing its intricate details and light effects.

5. MAINTENANCE

To ensure the longevity and appearance of your UNCLE BRICK Space UFO Spaceship:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and dry immediately. Avoid harsh chemicals.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic parts.

- **Handling:** Handle the assembled model with care, especially the transparent and delicate parts, to avoid breakage.

6. TROUBLESHOOTING

Common issues and their solutions:

- **Missing Pieces:** If you find any missing pieces, please contact UNCLE BRICK customer support with your product model (T3012) and the specific part number (if available from the manual).
- **Loose Connections:** If parts detach easily, ensure they are pressed firmly into place during assembly. Re-examine the instruction manual for correct placement.
- **Lights Not Working:** Check the battery installation (if applicable, batteries are not explicitly mentioned but implied by "lights"). Ensure the lights are correctly inserted into their designated slots.

7. PRODUCT SPECIFICATIONS

Specification	Detail
Brand	UNCLE BRICK
Model Number	T3012 (B0F4KR4GDF)
Number of Pieces	700+
Product Dimensions	6.7 x 9.1 x 6.93 inches (17 x 23 x 17.6 cm)
Item Weight	1.9 pounds
Manufacturer Recommended Age	8 - 12 years
Special Features	Light-up beam, transparent cockpit, alien figures

9.06IN/23CM
