If you have downloaded the companion app, follow the in-app instructions to pair your device via Bluetooth. The app typically offers advanced control over vibration patterns, intensity, and custom modes.

Cleaning

To ensure hygiene and prolong the life of your device:

- Clean the device thoroughly before and after each use.
- Wash with warm water and a mild, antibacterial, toy-safe soap.
- Rinse completely to remove all soap residue.
- Pat dry with a clean, lint-free cloth or allow to air dry completely before storing.
- *Note:* While the device is waterproof, avoid prolonged submersion in water.

Life Waterproof

Storage

Store the device in a clean, dry, and cool place, away from direct sunlight and extreme temperatures. Keep it separate from other toys made of different materials to prevent material degradation.

Safety Precautions

- Do not use if the device appears damaged or cracked.

- Discontinue use immediately if you experience any discomfort or pain.
- Keep out of reach of children.
- Use only water-based lubricants with silicone toys. Oil-based lubricants can damage silicone.
