Timechee YG-KF210304-01X1

Timechee Vanity with Mirror and Lights User Manual

Model: YG-KF210304-01X1

1. INTRODUCTION

Thank you for choosing the Timechee Vanity with Mirror and Lights. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read these instructions carefully before use and retain them for future reference.

Image 1.1: The Timechee Vanity Desk with Mirror and Lights, featuring a white finish and a hidden stool, positioned next to a bed.

2. SAFETY INFORMATION

- Ensure all components are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or damaged.
- Assemble the vanity on a soft, clean surface to prevent scratches.
- Keep small parts away from children during assembly to avoid choking hazards.
- Do not overload drawers or shelves. Distribute weight evenly.
- Always unplug the vanity from the power source before cleaning or performing maintenance on the lighting system.
- Avoid exposing the vanity to excessive moisture or direct sunlight.

3. PACKAGE CONTENTS

Verify that all the following components are included in your package. If any parts are missing, please contact customer support.

- Vanity Desk Frame (Engineered Wood)

- Mirror with Integrated LED Lights
- Tempered Glass Tabletop Insert
- Drawers (3 units)
- Hidden Stool/Chair
- Assembly Hardware (screws, dowels, hinges, drawer slides)
- Power Adapter for LED Lights

4. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the steps below carefully. It is recommended to have

two people for assembly.

Tools Required:

- Phillips Head Screwdriver
- Hammer (optional, for dowels)

Assembly Steps:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and compare them against the package contents list and the assembly diagram.
2. **Assemble the Main Frame:** Connect the side panels to the back panel using the provided screws and dowels. Ensure all connections are secure.
3. **Install Drawer Slides:** Attach the drawer slides to the interior of the vanity frame according to the pre-drilled holes. Ensure they are level and aligned.
4. **Assemble Drawers:** Construct the three drawers and the hidden stool drawer using the provided hardware. Insert the bottom panels into the drawer frames.
5. **Insert Drawers:** Slide the assembled drawers into the vanity frame, ensuring they operate smoothly.
6. **Attach Mirror Unit:** Secure the mirror unit to the top section of the vanity using the hinges. Ensure the mirror can flip up and down freely.
7. **Place Tempered Glass Tabletop:** Carefully place the tempered glass insert into the designated recess on the vanity top.
8. **Connect Power:** Plug the power adapter for the LED lights into the designated port on the mirror unit and then into a wall outlet.

stool extended.

5. OPERATING INSTRUCTIONS

5.1. Mirror and LED Lights

- **Flip-Top Mirror:** Gently lift the mirror from the front edge to open it. The mirror will stay in the upright position. To close, push the mirror down until it rests flush with the vanity top.
- **Powering On/Off:** After connecting the power adapter, touch the multi-function touch button on the mirror surface to turn the lights on or off.
- **Changing Light Modes:** Briefly touch the multi-function touch button to cycle through the three light modes: Cool Light, Natural Light, and Warm Light.
- **Adjusting Brightness:** Press and hold the multi-function touch button to adjust the brightness of the selected light mode. Release when the desired brightness is achieved.

3 Light Modes

Just Click the Multi-function touch button to switch light mode

Long press the button on the screen to adjust the brightness of the light

Free adjustment of three colors

High light eye protection and comfortable

360 ° light guide design

Intelligent and convenient touch light screen

Image 5.1: Visual representation of the three adjustable light modes (Cool, Natural, Warm) available on the vanity mirror, controlled by a touch button.

5.2. Storage and Functionality

- **Drawers:** The vanity features three large drawers for organizing cosmetics and accessories. Pull the integrated handle to open and push to close. The silent slides ensure smooth operation.

- **Hidden Chair:** The matching stool is designed to slide completely under the vanity when not in use, saving space. Pull it out from the front to use.
- **Flip-Top Storage:** When the mirror is open, the area beneath the mirror provides additional storage compartments, including a transparent tempered glass tabletop for easy viewing of contents.
- **Multi-functional Use:** When the mirror is closed, the vanity transforms into a compact cabinet or desk, suitable for various room configurations.

Large Storage Area & Saving Space

Image 5.3: The vanity desk with its mirror closed, showcasing its appearance as a compact, multi-functional cabinet.

6. MAINTENANCE

- **Cleaning the Surface:** Wipe the engineered wood surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Cleaning the Mirror and Glass:** Use a glass cleaner and a lint-free cloth to clean the mirror and tempered glass tabletop. Spray cleaner onto the cloth, not directly onto the mirror or glass, to prevent liquid from seeping into edges.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth to prevent buildup.
- **Drawer Slides:** If drawers become stiff, a small amount of silicone-based lubricant can be applied to the slides.
- **Electrical Components:** Ensure the power adapter and wiring are free from damage. Do not attempt to repair electrical components yourself. Contact qualified personnel if issues arise.

7. TROUBLESHOOTING

- **Lights Not Turning On:**
 - Ensure the power adapter is securely plugged into both the vanity and a working wall outlet.

- Check if the wall outlet is functional by plugging in another device.
- Verify that the touch button on the mirror is being pressed correctly.
- **Drawers Sticking or Not Sliding Smoothly:**
 - Check for any obstructions within the drawer slides.
 - Ensure the drawer slides are properly aligned and securely fastened.
 - Apply a small amount of silicone lubricant to the drawer slides if necessary.
- **Mirror Not Flipping Smoothly:**
 - Inspect the hinges for any debris or damage.
 - Ensure the hinges are securely attached to both the mirror and the vanity frame.

8. SPECIFICATIONS

Feature	Detail
Model Number	YG-KF210304-01X1
Product Dimensions	15.7"D x 24.1"W x 47.5"H (40cm D x 61.2cm W x 120.7cm H)
Item Weight	60 pounds (27.2 kg)
