CCA Air3

CCA ND Air3 True Wireless Earbuds User Manual

Model: Air3

1. INTRODUCTION

Thank you for choosing the CCA ND Air3 True Wireless Earbuds. These earbuds are designed to provide a high-quality audio experience with advanced Bluetooth 5.4 connectivity, comfortable fit, and intuitive touch controls. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

2. PACKAGE CONTENTS

Please check the package for the following items:

- CCA ND Air3 True Wireless Earbuds (Left and Right)

- Charging Case
- USB Type-C Charging Cable
- User Manual

3. SETUP

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. The charging case provides an additional 25 hours of playtime, extending the total listening time to over 30 hours.

1. Place the earbuds into the charging case. Ensure they are correctly seated; the indicator lights on the earbuds will illuminate to show they are charging.
2. Connect the USB Type-C charging cable to the charging port on the case and plug the other end into a 5V=1A power adapter (not included).
3. The indicator light on the charging case will show the charging status. Once fully charged, the indicator will change or turn off depending on the model.

3.2 Bluetooth Pairing

The CCA ND Air3 earbuds utilize Bluetooth V5.4 for a fast and stable connection.

1. Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing light on the earbuds.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for available Bluetooth devices and select "Air3" from the list.
4. Once connected, the earbud indicator lights will turn off or show a steady light, and you will hear a confirmation tone.
5. After the initial pairing, the earbuds will automatically reconnect to the last paired device when removed from the case.

4.1 Music Control

- **Play/Pause:** Single-tap either earbud.
- **Previous Track:** Double-tap the left earbud.
- **Next Track:** Double-tap the right earbud.

4.2 Call Control

- **Answer/End Call:** Single-tap either earbud.
- **Reject Call:** Press and hold either earbud for 1 second.

4.3 Other Functions

- **Mode Switch (Music/Gaming):** Triple-tap the left earbud.
- **Activate Voice Assistant:** Triple-tap the right earbud.

The earbuds feature a Dual AI-enhanced microphone array to reduce wind and ambient noise during calls, ensuring clear communication.

5. MAINTENANCE

To ensure the longevity and optimal performance of your earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Avoid Moisture:** While the earbuds are sweat-resistant, avoid prolonged exposure to water or high humidity. Do not submerge them in liquid.
- **Charging:** Use only the provided Type-C cable and a compatible 5V=1A charger.

6. TROUBLESHOOTING

If you encounter issues with your CCA ND Air3 earbuds, refer to the following common solutions:

- **Earbuds not pairing:**

- Ensure both earbuds are charged.
 - Turn off Bluetooth on your device, then turn it back on.
 - Delete "Air3" from your device's Bluetooth list and attempt to pair again.
 - Place earbuds back in the case, close it, wait a few seconds, then open to re-enter pairing mode.
- **No sound from one earbud:**
 - Ensure both earbuds are charged.
 - Try placing both earbuds back in the charging case and then taking them out again.
 - Reset the earbuds (refer to manufacturer's specific reset instructions if available, otherwise try re-pairing).
- **Touch controls unresponsive:**
 - Ensure your fingers are clean and dry.
 - Try restarting the earbuds by placing them in the case and taking them out.
- **Poor sound quality/intermittent connection:**
 - Ensure your device is within the 10-meter Bluetooth range.
 - Avoid obstacles between your device and the earbuds.
 - Check for interference from other wireless devices.
