Setup Instructions

1. Charging the Headphones

1. Connect the provided Type-C charging cable to the charging port on the headphone.
2. Connect the other end of the cable to a compatible USB power source (e.g., wall adapter, computer USB port).
3. The LED indicator will show charging status. A full charge typically takes approximately 1.5 hours.
4. For rapid charging, ensure your power source supports it. 10 minutes of charge can provide up to 8 hours of playback.

Image: Headphone charging via Type-C port.

2. Bluetooth Pairing

1. Ensure the headphones are fully charged.
2. Press and hold the Power button until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "ZEBRONICS SILENCIO 111" from the list.
5. Once connected, the LED indicator will show a steady blue light or flash slowly.

3. Dual Pairing

The headphones support connecting to two devices simultaneously:

1. Pair with the first device as described above.
2. Disable Bluetooth on the first device.
3. Put the headphones back into pairing mode and connect to the second device.
4. Re-enable Bluetooth on the first device. The headphones should now be connected to both devices.

4. AUX Connection

For a wired connection, plug the provided 3.5mm AUX cable into the headphone's AUX port and the other end into your audio source.

OPERATING INSTRUCTIONS

1. Power On/Off

- **Power On:** Press and hold the Power button for approximately 3 seconds.
- **Power Off:** Press and hold the Power button for approximately 5 seconds.

2. ANC and Transparency Mode

- Press the ANC button once to toggle between Hybrid ANC, Transparency Mode, and Normal Mode.
- The headphone will provide an audio prompt for the selected mode.

3. Call Functions

- **Answer/End Call:** Press the Multi-function button once.
- **Reject Call:** Press and hold the Multi-function button for 2 seconds.
- **Redial Last Number:** Double-press the Multi-function button.

4. Voice Assistant

- Press the Voice Assistant button once to activate your device's voice assistant (e.g., Google Assistant, Siri).

MAINTENANCE

To ensure the longevity and optimal performance of your headphones, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the headphones. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Moisture:** Do not expose the headphones to water or excessive moisture.
- **Handle with Care:** Avoid dropping or subjecting the headphones to strong impacts.

TROUBLESHOOTING

If you encounter any issues with your ZEBRONICS SILENCIO 111 headphones, please refer to the following common solutions:

Problem	Possible Solution
Headphones do not power on	Ensure the headphones are fully charged. Connect to a power source and allow sufficient charging time.
Cannot pair via Bluetooth	Ensure headphones are in pairing mode (flashing blue/red LED). Turn off and on Bluetooth on your device. Move closer to the headphones.
No sound	Check volume levels on both headphones and connected device. Ensure headphones are correctly paired or AUX cable is fully inserted.
ANC not effective	Ensure ANC mode is activated. Adjust headphone fit to ensure a good seal around your ears.
Poor call quality	Ensure ENC is active. Move to a quieter environment. Check microphone position.
