## VICASKY Luminous Bracelet

# VICASKY Luminous Bracelet Instruction Manual

Model: Luminous Bracelet

## INTRODUCTION

---

Thank you for choosing VICASKY Luminous Bracelets. These silicone wristbands are designed to provide a glow-in-the-dark effect, making them suitable for various events and as decorative accessories. This manual provides essential information for the proper use and care of your bracelets.

The bracelets are made from durable, skin-friendly silicone and come in assorted colors. Each bracelet measures approximately 5.80 x 5.80 x 0.25 cm (2.28 x 2.28 x 0.1 inches), designed to fit most wrist sizes comfortably.

## SETUP

---

The VICASKY Luminous Bracelets require minimal setup. Simply slide the bracelet onto your wrist. The flexible silicone material allows for easy wearing and removal.

- Ensure the bracelet fits comfortably without being too tight or too loose.
- For the glow effect, expose the bracelets to a light source (natural or artificial) for a period before use in dark environments.

Image: A hand holding several luminous silicone bracelets in various colors, demonstrating their flexible nature.

## OPERATING INSTRUCTIONS

---

These bracelets are designed to glow in the dark after absorbing light energy. Follow these steps to activate and enjoy the luminous effect:

1. **Charge the Glow:** Place the bracelets under a bright light source (e.g., sunlight, room light, or a flashlight) for several minutes. The longer the exposure, the brighter and longer the glow will last.
2. **Observe the Glow:** Once charged, move the bracelets to a dark environment to observe their luminous effect.
3. **Recharge as Needed:** The glow will gradually fade over time. Simply re-expose the bracelets to light to recharge their luminosity.

## MAINTENANCE

---

To ensure the longevity and appearance of your VICASKY Luminous Bracelets, follow these maintenance guidelines:

- **Cleaning:** Clean the bracelets with mild soap and water. Gently wipe with a soft cloth and allow them to air dry completely. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the bracelets in a cool, dry place away from direct sunlight when not in use to prevent material degradation over extended periods.
- **Handling:** While durable, avoid excessive stretching or sharp objects that could tear or damage the silicone material.

## TROUBLESHOOTING

If you encounter any issues with your luminous bracelets, refer to the following common solutions:

Problem	Possible Cause / Solution
Bracelet is not glowing or glow is dim.	The bracelet has not absorbed enough light. Expose it to a bright light source (sunlight, lamp) for a longer period (e.g., 10-15 minutes).
Bracelet feels uncomfortable or too tight.	Ensure the bracelet is not worn on a wrist size that is too large for its dimensions. While flexible, excessive stretching can cause discomfort.
Bracelet appears damaged (e.g., torn, broken).	Inspect the bracelet for physical damage. Silicone, while durable, can be cut or torn by sharp objects or extreme force. If significantly damaged, replacement may be necessary.

## SPECIFICATIONS

Feature	Detail
Brand	VICASKY
Model Name	Luminous Bracelet
Material	Silicone
Color	Assorted Color
Item Dimensions (L x W x H)	5.80 x 5.80 x 0.25 cm (2.28 x 2.28 x 0.1 inches)
Item Weight	Approximately 0.32 ounces (0.02 Pounds) per bracelet
Department	Unisex Adult
