

Pinmoco L501681C-BLPU

Pinmoco Ergonomic Cross-Legged Chair User Manual

Model: L501681C-BLPU

1. INTRODUCTION

Thank you for choosing the Pinmoco Ergonomic Cross-Legged Chair. This manual provides essential information for the safe and effective use of your new chair. Designed for comfort and versatility, this chair supports various sitting postures, including cross-legged, to promote better posture and focus during extended periods of sitting.

2. SAFETY INFORMATION

Please read all safety instructions carefully before assembly and use.

- Always use the chair with caution to prevent tip-over.
- Keep the chair on a stable, level surface.
- Avoid excessive height adjustments beyond the recommended range.
- Be aware of potential sharp edges during handling and assembly to prevent injury.
- Do not stand on the chair or use it as a step stool.
- Ensure all bolts and screws are securely tightened before use and periodically check for looseness.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present and undamaged:

- Basic Components of Cross-Legged Chair (Seat, Backrest, Footstool, Base, Casters, Gas Lift)
- Installation Tools and Accessories (Allen wrench, screws, washers)
- User Manual

4. SETUP AND ASSEMBLY

The Pinmoco Ergonomic Cross-Legged Chair is designed for easy assembly. Follow the step-by-step instructions provided in the included manual. Ensure you have ample space and all tools before starting. For a visual guide to assembly and features, please refer to the video below:

5. OPERATING INSTRUCTIONS

Your Pinmoco chair offers multiple adjustments and seating options for optimal comfort and posture.

5.1. Ergonomic Support and Cushioning

The chair features a thickened crescent-shaped backrest for lumbar support and a 4-inch thick seat cushion for enhanced comfort. The wide footstool (31.5 x 20.5 inches) provides ample space for various leg positions.

6. MAINTENANCE

To ensure the longevity and appearance of your Pinmoco chair, follow these maintenance guidelines:

- **Cleaning:** The PU leather material is waterproof and easy to clean. Wipe spills immediately with a soft, damp cloth. For general cleaning, use a mild soap solution and wipe dry. Avoid harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary.
- **Movement:** Keep the casters clean from debris to ensure smooth rolling.
- The open design of the chair allows for easy access for cleaning.

7. TROUBLESHOOTING

If you encounter any issues with your chair, please refer to the following common solutions:

- **Wobbly Chair:** Ensure all assembly screws and bolts are fully tightened. Check that the chair is on a flat, even surface.
- **Difficulty Adjusting Height:** Verify that the height adjustment lever is functioning correctly and not obstructed. Ensure the gas lift is properly installed.
- **Casters Not Rolling Smoothly:** Check for hair or debris caught in the caster wheels. Clean them thoroughly.
- **Missing Parts or Bent Bar:** If you find any missing components or damaged parts upon unboxing, please contact customer support immediately for assistance.
