Artiss B0F4QGVRHH

Artiss 7 Chest of Drawers Dresser Lowboy Storage Cabinet User Manual

Model: B0F4QGVRHH

1. INTRODUCTION

Thank you for choosing the Artiss 7 Chest of Drawers Dresser. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read it thoroughly before beginning assembly and retain it for future reference.

Image: The Artiss 7 Chest of Drawers Dresser, a black lowboy cabinet with seven drawers and gold-colored handles, positioned in a room with a plant and lamp.

2. IMPORTANT SAFETY INFORMATION

WARNING: Furniture tip-over can cause serious or fatal crushing injuries. To prevent tip-over, this furniture must be permanently attached to the wall. Use the provided anti-tip kit as instructed.

Image: A warning label indicating the danger of furniture tip-over. It shows a child crushed by furniture and a diagram of how to secure furniture to a wall with an anchor device. Text warns: "Children have died from furniture tipover. ALWAYS secure it with an anchor device. NEVER allow children to stand, climb or hang on drawers, doors, or shelves. NEVER open more than one drawer at a time. Place heavy items down low. NEVER put a TV on this furniture. This is a permanent label. Do not remove!"

- Always secure the dresser to the wall using the anti-tip kit provided.
- Never allow children to climb on the dresser or open multiple drawers at once.
- Place heavier items in the lower drawers to improve stability.
- Do not place televisions or other heavy objects on top of the dresser.
- Ensure all screws and fasteners are tightened securely during assembly and periodically check for looseness.

3. PRODUCT COMPONENTS

The Artiss 7 Chest of Drawers features a robust design with ample storage. Familiarize yourself with the main components before assembly.

Image: The Artiss 7 Chest of Drawers Dresser with some drawers partially open, highlighting the seven storage drawers and the metal handles.

- **Frame:** The main structure of the dresser, made from engineered wood.
- **Drawers:** Seven spacious drawers for storage, varying in size.
- **Metal Handles:** Sleek, durable metal handles for easy drawer access.
- **Drawer Runners:** Anti-rust coated metal runners for smooth operation.
- **Anti-Tip Kit:** Essential hardware for securing the dresser to a wall.

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please follow these steps carefully. It is recommended to have two people for

assembly.

- Unpack and Verify:** Carefully unpack all components and hardware. Refer to the parts list (usually included in the packaging) to ensure all pieces are present and undamaged.
- Prepare Workspace:** Assemble the dresser on a clean, flat, and soft surface (e.g., a rug or cardboard) to prevent scratching.
- Assemble Frame:** Follow the detailed diagrams in your specific assembly guide to connect the side panels, back panel, and top/bottom panels to form the main frame. Ensure all cam locks and screws are tightened.
- Install Drawer Runners:** Attach the metal drawer runners to the inside of the dresser frame according to the instructions. Ensure they are level and aligned.
- Assemble Drawers:** Construct each of the seven drawers. Attach the drawer sides, front, and back, then slide in the bottom panel. Secure with fasteners.
- Attach Handles:** Secure the metal handles to the front of each assembled drawer.
- Insert Drawers:** Carefully slide each assembled drawer onto its respective runners within the dresser frame.
- Install Anti-Tip Kit:** This is a critical step. Attach the anti-tip bracket to the top rear of the dresser and secure the strap to a wall stud using appropriate wall anchors and screws. Ensure the dresser is stable and cannot tip forward.

If you encounter any difficulties during assembly, refer to the detailed diagrams provided in the product packaging or contact customer support.

5. OPERATING INSTRUCTIONS

Using your Artiss dresser is straightforward. Follow these guidelines for optimal performance and safety.

- Opening Drawers:** Gently pull the metal handles to open the drawers. The anti-rust coated metal runners ensure smooth operation.
- Closing Drawers:** Push the drawers firmly until they are fully closed and flush with the dresser frame.
- Weight Distribution:** Distribute items evenly within the drawers. Place heavier items in the bottom drawers to enhance stability and prevent tipping.
- Single Drawer Rule:** For safety, open only one drawer at a time. Opening multiple drawers simultaneously can destabilize the dresser and increase the risk of tip-over.

6. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your Artiss dresser.

- Cleaning:** The paper veneer finish makes the dresser easy to clean. Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- Spills:** Wipe up spills immediately to prevent moisture damage.
- Hardware Check:** Periodically check all screws, bolts, and fasteners to ensure they are tight. Re-tighten if necessary to maintain structural integrity.
- Drawer Runners:** If drawer operation becomes less smooth, a small amount of silicone-based lubricant can be applied to the runners.

- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the finish.

7. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Drawers not closing smoothly:**
 - Check if the drawer runners are properly aligned and free of obstructions.
 - Ensure the drawer is not overloaded or unevenly weighted.
 - Verify that all assembly screws for the drawer and runners are tight.
- **Dresser feels wobbly:**
 - Ensure all assembly fasteners are securely tightened.
 - Verify the dresser is on a level surface. Adjust furniture glides if necessary.
 - Confirm the anti-tip kit is properly installed and secured to a wall stud.
- **Minor scratches or marks on finish:**
 - For minor imperfections, a furniture repair pen or touch-up paint matching the black finish may be used.

8. SPECIFICATIONS

Detailed specifications for the Artiss 7 Chest of Drawers Dresser.

Feature	Detail
Brand	Artiss
Model	B0F4QGVRHH
Colour	Black
Material	Engineered Wood
Overall Dimensions (L x W x H)	110 cm x 39 cm x 72 cm
