## 4. SETUP

### 4.1 Charging the Keyboard

Connect the provided USB-C cable to the keyboard's charging port and to a power source. A full charge takes approximately 2 hours.

## 4.2 Powering On/Off

The keyboard automatically powers on when unfolded and powers off when folded. Ensure the keyboard is unfolded to begin use.

## 4.3 Bluetooth Pairing

1. Unfold the keyboard to power it on.
2. Press and hold one of the Bluetooth keys (BT1, BT2, or BT3) for 3 seconds until the corresponding indicator light blinks rapidly. This indicates pairing mode.
3. On your device (PC, laptop, tablet, smartphone), enable Bluetooth and search for available devices.
4. Select "Nillkin Cube Keyboard" (or similar name) from the list to connect.
5. Once connected, the indicator light will stop blinking and remain solid.

The keyboard can connect to up to 3 devices simultaneously. To switch between paired devices, simply press the corresponding BT1, BT2, or BT3 key. The keyboard will automatically recognize the operating system of the connected device.
